

District I Cabinet meeting January 2024

CARE report

Project Location: Northern Honduras

Project Name: Support Families with Production of Natural Fuel for Cooking

Fundraising Period: July 2023 - June 2025

Project Implementation: Jan. 2025 - Dec. 2026

Bob Yoeman has scheduled zoom meeting for February 10th to discuss the CARE project proposed for Honduras.

Clubs are being encouraged to put CARE in their budgets in order to support the initiative to raise \$40,000 the first year. We are halfway through the Lions year and our donations are down but I'm hoping to see more Clubs start submitting their contribution this spring. It was suggested that Clubs make one large donation rather than 2 or three smaller donations through out the year to cut down on paper work for MD19.

Any thoughts or ideas on possible incentives to encourage Clubs to donate would be much appreciated.
