

MD19 District I
Cabinet Meeting Mar. 15, 2025
CARE REPORT

I attended the Zone meeting for I-12, hosted by the Logan Lake Lions club, it was a well attended meeting and I gave a brief report on CARE. We continue to encourage clubs to donate to CARE through the District news letter and visitations by Zone Chairpersons and the DG and vice DG visits. The results are not encouraging, please try to promote CARE when ever you can.

Looking at the stats for District I there are still a majority of clubs who have not donated to CARE. Over all the Multiple District as of January's report has CARE contributions Totaling \$22,730.00. June will be here before you know it and I'm concerned we are not going to achieve our goal!

Thank You
Kim Davis,
MD19 District I CARE Chairperson
