District 19-I Cabinet Report
August 19, 2023

Hello District 19-I Cabinet! After all the planning and discussions - Ready, Set, GO!

DG Visitations: Michael, 2VDG Chuck and I have been working out the visitation schedule(s) between our 3 areas. I believe the goal is to do as many visits as possible during August (US clubs), September and October 2023.

Club Officer training session held July 28-29th - DG Michael, PDG's Joyce and Debbie B., 2VDG Chuck and myself discussed bringing 19-I Zone Chairs together for further in-depth ZOOM training.

I have designed a PowerPoint – 1 hour duration - with support materials and note-taking sheet for participants. We will have 3 different dates, ZCs can determine which is best for them and register. There will be just a few on each call, giving plenty of time for Q&A.
