

District I Global Leadership Team Leader  
January 2025 Cabinet Report

These past few months, I have attended the multiple District GAT Forum in Chilliwack. I have attended the month GLT Team Meetings Held by the MD19 GLT. I had the opportunity to present the LCI Orientation Portion to the Organizational Meeting of the Salmon Arm Lions.

Thank you to ZC Sharon for the invitation.

On the horizon:

1. work with PDG Michael (District Extension Chair) to discover the best way to present the New Club Development Workshop
2. Explore the best way to provide in-person training to our club officers in the absence of a spring convention.

- i. TRAIN THE TRAINER CONCEPT – develop Teams in 4 (Maybe 5) geographical areas in our district and train those team members to deliver the officer training to the areas (this approach might allow for multiple training times/days)
- ii. Have the same team of trainers go to each of the 4/5 geographical areas.

I would love to discuss this on Saturday if time permits.

3. Apply to the MD19 Foundation for funding to put one of the two models in place

Respectfully Submitted,

Wanda Eddy
