

Cabinet Meeting  
Wenatchee, WA  
March 15<sup>th</sup>, 2025  
LCIF - BC Report

DG Chuck and fellow Lions

So far this year only 16 clubs out of 45 on this side of the border have donated to LCIF with 1 individual donation. The total for the Canadian side is just over \$7,792.

The grant for the Scotch Creek Fire Hall has gone in and is under review right now. They have requested the latest bank statement showing what we have already collected. I am just waiting for the Feb. statement. It will go to the International meeting in May for a decision and we should know if we will receive it within 3 weeks of that meeting.

I am still trying to get clubs to have an LCIF representative in their club.

I have let my name stand to continue as your rep on this side of the border for another 3 years.

If I can assist any of you, please let me know, if I don't have the information I will find it for you.

Yours in Lionism

PDG Debbie
