LCIF - BC Report

DG Chuck and fellow Lions

Happy to be starting a new Lions Year.

I am again your LCIF Coordinator for this year.

My goal this year:

- increase donations to LCIF from the Clubs and individuals
- highlight what LCIF has done in our District and the impact it has had
- have more clubs have an LCIF Chair

I am still working on the grant for the Scotch Creek Fire Hall. Have had difficulty getting the information I need to complete the grant process. The Salmon Arm Fire Hall has never sent the list of equipment that we could purchase. I have spoken with the Okanagan Columbia Regional District Rep for the North Shuswap but have not been able to meet face to face. I am attending the LCIF Training in Toronto from Sept. 19 to 21 and will speak to the Lions International Grant person who will also be there.

Yours in Lionism
PDG Debbie
