Do you believe it takes a village to raise a child? You are a villager!
Join our village as we Step Up for Kids!!

Watch the launch: On September 21, our team of Lions Quest volunteers from across Canada will come together to "Step Up for Kids" on Facebook live. You can join us at your home or in your community.

Remember this is not just about getting our steps in; it's about making a meaningful difference in the lives of young people. With your involvement, we can equip them with the skills they need to navigate life's challenges and become compassionate, responsible individuals. More Details go to web site.
