

Happy New Year, and welcome to the 2nd half of this Lions year. It's a great time to have a look at what we've accomplished so far, and look ahead to our goals as we Reach for the Stars.

Put this on your club's to-do list: Set up a planning session to review your club's activities and goals. Set your goals, build your plan and do great things! Service attracts membership, and more members means we can do more. Stuck on getting started? You have lots of resources available; reach out to your Zone Chair, talk to other clubs, check out the learning opportunities on the LCI Portal, and I highly recommend going to www.lionsvirtual.org for some fantastic ideas. I'm also available anytime if you have questions or need some insights.

Did you know....we are the top District in MD19 for all dues paid, with over 97% of clubs up to date. We are also leading the districts with **donations to LCIF and CARE**, so thank you to all the clubs for your continued support!

Next week is the **Lions International Hunger Awareness Week**, from January 4-12th. All clubs around the world are asked to have a new service project centering around the Global Cause of Hunger. Let us know what your club is doing to support this global effort in your community.

Get ready for lots more news and things to share, and we welcome your submissions.

Have a wonderful week, and check out our website for the latest news. It's easy to find now, it's at www.19olions.org
