

Are we getting closer to reaching our goals?

District 19-O Membership and New Club goals and actuals

● MISSION 1.5 Target ● Current Fiscal Year ● Previous Fiscal Year (year-end)

With just a few weeks to go in this Lions year, these are the District stats for membership growth as of end of April.

While we're ahead of our Mission 1.5 target, with a Net Plus 4 right now, we always seem to have a lot of drops in June. If you have new members pending, don't wait to add them.

Lions, if you are thinking about dropping members, reach out to your Zone Chair or your GMT or even your District Governor, for a second look before you do it. Let's reach for the stars and end the year on a positive net membership note! **We can do this!**

District 19-O LCIF Goals

District Fundraising

● Current Fiscal Year ● Goal ● Previous Fiscal Year

* District Fundraising Goal development is currently in progress.

Last year, our District received an International Award for having the most donations to LCIF per capita in our Constitutional Area! It was a huge accomplishment, and we would sure like to do it again! If you haven't made your LCIF donation this year, please do it now, as there's still time. We receive so much back from LCIF grants and support, and an important part of our membership in this international organization.
