

Can your club use these for a service project?

We have about 18 leftover reusable yellow lunch bags from our Spring Conference, and instead of tossing them, we'd love to give them to you. Can your club come up with a way you can reuse these? Maybe to make pet travel bags, or give one to each of your incoming club officers with some special gifts or supplies when you have your Club Installation?

Send an email to our District Governor, lionseptember92@gmail.com if you want to take them off her hands.

THANK YOU to the Burlington Lions Club and the Skagit Valley Leos for a job well done for Environment Service Week. On April 19th, they filled up 10 large trash bags along the two mile Lions Trek Trail at Burlington Lions Park, and also cleaned two miles of Highway 20 roadside. Great job, Lions and Leos!

Some quick stuff.....

Congratulations to our clubs for keeping their MD19 dues up to date. **More than 95%** of our clubs are all paid up, so thank you for keeping your club accounts in balance.

Need any new member kits? Your District Governor has lots of them, for this current year. Reach out to lionseptember92@gmail.com if you need some.

Please support our MD19 CARE project if you haven't done so already. Make a donation, purchase a Gordon F. Smith Fellowship for a deserving club member; many ways to help, and it's so important. [Click here](#) to learn more about our current project.
