Lions Trek 2024-2025*

Thank You For a Terrific Year!

This year has flown by - I am grateful for your support and encouragement as your Zone Chair. Your clubs have made the Lions Trek project a success that will continue to grow within our communities. The future of Lions is in your hands. Zone O6 has done an AMAZING job of integrating our youth into service by offering leadership, experience, &

opportunity to Leos. You are exciting future generations of Lions. As I pass the proverbial baton of leadership to Travis Walkup as the 2025-2026 O6 Zone Chair, I am confident that you will continue to grow together and achieve greatness. I am blessed to work with you and be a part of your Lion Pride.

Your Club, Your Way

Sedro-Woolley Lions Club is a leader in service and an example of resilience. Needing to move their club location and time this year has not set them back. They are going strong with their annual Corn Feed, roadside cleanup, and White Canes events. Networking in the community, you will see this club in the news, on posters, and online. These Lions have a knack for seeing a gap and finding a way to aid their community. They have raised funds to support individuals in need of hearing devices, diabetes support devices, and computers for children with medical needs. Guided by their imaginations and spurred on by endless energy,

they find unique ways to fundraise. The club invested in gaining their gambling license and 501 (c) (3) to increase their fundraising opportunities. Sedro-Woolley Lions host a diabetes golfing event and are gearing up for the annual Logger Rodeo. Don't miss your chance to buy a ticket and guess the time it takes for a special log to float the Skagit River. The closest time is the winner of a portion of the pot. Join them in serving BBQ to the Youth Exchange Program each June, come walk this Club's Lions Trek trail, or team-up for Trek for Treasure and go on their sponsored hike.

From Growth to Impact Hitting the Mark

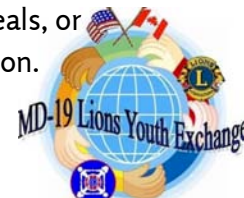

The MD19 ANNUAL CONVENTION - HITTING THE MARK was brought to you by the Dogwood Monarch Lions Club on May 16th and 17th in Chilliwack, BC. It was a huge success! We had over 250 attendees, about 40 Leos, and an amazing showcase of events. Thank you all for your attendance, support, and enthusiasm. We served together, learned together, mourned together, and played together. Several of our District Lions and Leos were winners, leaders, and representatives throughout the weekend. Enjoy the convention collage in this extended news edition.

MD19 Council Of Governors Meeting

– Incoming Council Chair Steve Brooks appointed two Leos to be representatives to the 2025-2026 MD19 Council of Governors. Each interested Leo in MD19 was encouraged to submit an essay on why they would like to be a representative. Last names/Leo Club names were removed from the documents before reviewing. Two of our Zone O6 Leos were selected. Skagit Valley Leos Nina Duffy and Peter Walkup were introduced as the incoming Leo representatives.

LeoCon 2025 is underway! The event is 6/27-29 at a camp in Surrey, BC. Zone O6 has been a leader in promoting LeoCon a youth led leadership retreat. Your Leos have been at the forefront of the planning committee for over a year. Help make this event a success. Contact your Zone Chair to offer financial assistance, serve meals, or to plug in to the action.

YEP: This summer, Skagit Valley Leos Lauren Utter and Levi Walkup are embarking on journeys across the globe. Lauren is headed down under to Australia and Levi is bound for Lithuania. These youth exchange experiences are only possible with your encouragement and financial donations. Thank you to the District O Youth Exchange Foundation for their generous support. To assist in sponsoring these Leos to meet their goals, contact your Zone Chair.
