WELCOME TO THE 2024-2025 LIONS YEAR!

Congratulations to all the Lions filling officer positions, stepping into leadership roles, and serving alongside Lions worldwide. Your Presidents and Secretaries worked together to get their officers entered into the new Lions Portal. Thank you for your contributions to your community and Lions Clubs International. Thank you for working with your fellow club members addressing eight Global Causes locally & globally, lending a hand to clubs navigating the new reporting system, and for your leadership.

Several of you came to my rescue and aided in the successful launch of this new year by stepping into action, helping me network from overseas, and offering support to nearby clubs. Your camaraderie is admirable and has inspired our Zone theme – Friendship.

We are already strengthening these bonds! Keep up the good work by sharing club news, inviting other clubs to enjoy fellowship, and asking exciting new members to join your team.

DG Beth James & ZC Rosemary Walkup - International Convention 2024

“Building community one Lion trail at a time.” *Lions Trek 2024-2025*

It is my pleasure to serve as your O6 Zone Chair (ZC)

My name is Rosemary Walkup, a Lion with Burlington Lions Club with a history as Secretary, Leo Advisor, and the US Leo District Chairperson. As Zone Chair, it is my job to support District Governor (DG) Beth James, International President (IP) Fabricio Oliveira, and Lions Clubs International (LCI).

I will be visiting your clubs individually and with the DG. Together we will form friendships, learn, share and support each other. I am proud to stand beside you and welcome the DG visitation. As Zone Chair, I am here to serve you, to act as a liaison between you, your club, zone, and district.

My aim is to get to know you, to serve alongside you, and to grow in membership.

Our Zone Project – Lions Trek 2024-2025 – is in the planning stages. I am looking for your input and support to build this project and strengthen our communities. The purposes are to support the Mission 1.5 membership growth goal, promote healthy lifestyles, encourage trail stewardship, involve the greater community, boost interclub fellowship, & have fun!

Stay Tuned for more to come on this exciting Zone Project – Lions Trek 2024-2025!
