World Wide Induction Day

The Peace Arch Park was lit up with yellow vests on Saturday April 26th as Lions from around District 19-O met up to celebrate growth & fellowship. The event featured an invocation, mayoral declaration, induction ceremony with World Wide Induction Day certificates, & ended with a Mexican fiesta lunch. District 19-O was represented from Renton, WA to B.C., Canada.

Even the sun showed up to shine on the occasion. Afterward, Lions spent the day in fellowship, creating memories, & forming bonds between zones. Continue to strengthen these friendships, encourage club growth, and represent Lions in our communities!

Your Club, Your Way

Skagit Valley Leo Club These youth support all 8 Global Causes in Skagit and beyond! As a community-based club, our Leos are spread from Sedro-Woolley to Granite Falls. Leos raise flags, support youth skating programs, run food drives, gift the pregnancy center, encourage environmental stewardship at interpretive centers, work with veterans, bring holiday cheer to students with special needs, and serve alongside Lions. Youth engage in international experiences offered through the Lions Youth Exchange Program traveling the world and meeting up with exchange students visiting the Pacific Northwest.

Collaborating with 4-H, the American Legion, and MD19 Lions, Leos gain leadership skills and are afforded opportunities to expand their knowledge, skills, and abilities in engineering, technology, and environmental projects. Their long-term goal is to create an accessibility trail to provide an inclusive and engaging outdoor opportunity that highlights our area's history, terrain, and industry. The annual "Pinwheel Project – Give the Gift of Sight" is their main fundraiser. Smaller fundraisers support Camp Korey, LCIF, and LeoCon a youth lead leadership retreat they are planning with Leos across MD19.
