PZC Jocelyn Wan teaches the Chinese sessions on the calendar. She currently serves as the Multiple District 19 Global Service Team Coordinator, dedicated to making positive change and bringing hope where it's needed most. A Certified Guiding Lion and a graduate of the doctoral program at Lions University, Jocelyn is also an alumna of both the Northwest Lions Leadership Institute and the Advanced Lions Leadership Institute. With a passion for supporting Chinese Lions Clubs, she strives to inspire learning, encourage service, and empower members to grow and lead with purpose.

Secretary Training - David Bartley currently serves as the District 36-O Cabinet Secretary, and the MD-36 IT Chairperson. He is an FDI Certified Trainer, a Certified Guiding Lion, and a graduate of the doctoral program at Lions University, dedicated to empowering new leaders and helping current leaders learn new tricks. David is also a licensed architect in Oregon. He works for Portland Permitting and Development, and teaches night classes for Portland Community College.

Marketing on Television and Radio: A Lion for 15 years, Carrie Bartley started in a branch club in southern Oregon, later moving to the Portland area for work and joined the Milwaukie Lions Club. She has worked with clubs from rural, suburban and metropolitan areas and recognizes the unique struggles and needs for each. With almost 20 years of working behind the scenes in television broadcasting, Carrie has a unique perspective on Public Relations and how Lions can leverage basic PR skills to promote themselves in the community. She attributes her success and love of volunteering to her childhood and seeing her parents being active in the community. And she helped author a Public Relations Manual that is free to download at <https://www.md36lionsclubs.org/public-relations>.

Putting the "Fun" in Fundraising and The Conversation: A former teacher and school administrator for the DoD Dependents Schools in Germany and Italy, PCC Phyllis Carlin is currently enjoying life in beautiful central Oregon. Soon after her return to the States she became editor of her local newspaper, a job she enjoyed for over ten years. Phyllis joined the Crooked River Ranch Lions in 2009 and quickly become involved in club activities. She has since served in many leadership positions at the club, district and multiple district level. She is currently a candidate for International Director.

An avid vision screener, Phyllis believes that if a child's vision problems are caught early, the entire trajectory of their school career can be changed. She served as Board Chair of the Oregon Lions Sight & Hearing Foundation during the height of COVID and is proud that services to Oregonians in need continued during this challenging time.

Amy Amantea is an accessibility educator and creative access strategist with over 15 years of experience advancing inclusion across the arts and cultural sector. She specializes in audio description, access design, and integrated approaches that embed accessibility into the creative process from the outset. As a leader in the field, Amy has worked with theatres, festivals, and organizations across Canada to develop meaningful, community-informed access practices. Her work is grounded in the belief that accessibility is not an add-on, but a shared responsibility that strengthens artistic experiences for everyone. She is known for practical, engaging training that turns complex ideas into actionable change.
