

# Everything CA Lions Service

## Social Media Posting Party!

### Starring: Lion PDG Drew Sasser

**Lions LOVE to be social—so let's do what we do best and light up the internet with SERVICE!**

Jump into the CA Lions Social Group and get ready to showcase your club's brightest ideas, boldest service, and most creative innovations. Whether you're on your phone, tablet, or laptop, this is your moment to unleash your club's story and inspire California (and beyond!) with the impact Lions make every day.

**This is a party with a purpose** — a high-energy power-hour where Lions and Leos come together to post, connect, celebrate service, and amplify our message across the world. Let's flood the feed with kindness, compassion, and community action!

**Together, we'll spark a wave of posts that inspire, engage, and motivate others to serve.**

Your ideas matter. Your service matters. And this is your moment to SHARE IT ALL

### **Bonus Everything Move!**

Clubs and districts can host their own **mini super-service posting parties** — in person or online! Creativity encouraged... the stars are the limit! ✨
