

**Lions Wishing Well
of Hope
Campaign 2026**

Turn your spare **Change** into **Real Change** for
Diabetes Research and **Cancer Care**

For 68 years, Lions have stood shoulder to shoulder with City of Hope—turning compassion into progress. Now, we invite clubs, districts, and individual Lions across California to continue that proud legacy.

Every coin tells a story. Every contribution—no matter the size—helps advance life-changing diabetes research and brings hope to families and communities who need it most.

As City of Hope enters an exciting new chapter of growth and transformation, Lions are doing what we do best: stepping forward, serving, and giving with purpose. While Lions Tribute Day is on pause, our commitment is not. Together, we carry the mission forward as we build toward a historic 70th Anniversary celebration in 2028.

Join the Lions Wishing Well of Hope Campaign today.

Turn spare change into meaningful impact.

Small donations. Big impact. Real hope.

Now through June 1, 2026

How to Donate

Visit <https://www.cityofhope.org/giving/join-a-volunteer-fundraising-group/lions-clubs>

- Choose your district and complete the form, or view information to mail in your donation
