

Lions Camp Merrick

Making Memories That Last A Lifetime!

Work Day To Winterize Camp December 3

The Fall weather brings us into our rental season at Lions Camp Merrick where we host various groups who enjoy our beautiful facility. This year we have hosted groups such as the boy scouts, church groups,

Rehabilitation groups and athletic groups. Our rental season keeps growing which means more income and extending our season. The increased business pushes back our closing date to winterize cabins and get the facility ready for winter with raking leaves and cleaning out gutters. A work list will be sent out to club secretaries in advance. Meals will be provided and we appreciate your support.
