Takoma Park / Silver Spring Relief

Fellow Lions,

Requesting assistance to help the 100 displaced people who lost everything they have in this explosion. Our District Governor is contacting LCI for disaster relief. The location of this explosion was 3 blocks from Takoma Park Lions meeting site. At this point these displaced citizens need financial support for new housing. The local citizens have done a tremendous job in donating clothing and food. For those of you who would like to contribute please send checks to the below address, write on check for " Att. Long Branch Fire" and make checks out to Montgomery Housing Partnership.

Please send out in newsletter

Yours in Lionism

CAMP NEWS JULY/AUGUST 2016

Lions Camp Merrick

Making Memories That Last A Lifetime!

Lions Appreciation Picnic

Thanks For All You Do!

It was a beautiful day on the Potomac River at Lions Camp Merrick where Lions, camp staff and friends got together for an afternoon of activities, food and fun. The picnic was a way to thank everyone who works so hard and is so supportive of camp thru out the year. We were happy to reveal the improvements to our facility which included: a new Bormack challenge course, climbing wall and zip line funded thru a grant from Charles County and the new floor in the rec hall and the three new cabins with 32 new bed space funded thru a Lions International Grant, club donation, individual donations and the donation of the entire heating and A/C system by Robert Shipley. Thank you ALL for your support!

Reminders & Updates

Campers & Lions Coming Together!

This summer we will host over 300 children who will grow and thrive from their experiences at Lions Camp Merrick. Campers cooled off each afternoon in the pool, spent the morning zipping out of trees or canoeing on the river and what fun they had!

Each Wednesday our campers looked forward to dinner with Lions and a discussion about how camp is going, what they like and what they would like to see in the future. We had over 50 Lions visit this year and we thank: Calvert, Carol County, Laytonsville, Leonardtown, Ridge, Silver Hill, Upper Marlboro, Waldorf, Claymont and Appletown 22A for joining us.

Social Media

One of the challenges we as Lions are presented with is how to integrate social media into what we do as Lions. But first let's take a step back and ask ourselves "Why use social media?"

Using social media allows us to connect with our existing members and reach out to future members. We can connect to other clubs around the corner and around the world. We can share our ideas, activities, events and interests almost at the touch of a button.

The huge growth of mobile technologies such as smart phones and tablets we see today is due in part to the social media and in turn social media is a beneficiary of this growth. There are 1.6 billion monthly users of Facebook and slightly over 1 billion daily users. There are 310 million monthly users of Twitter; of these 35% are daily users. There are 200 million monthly users of Instagram who have posted over 20 billion photos to date. For all of these social media sites almost 50% of the time they are accessed by some mobile device.

Using social media need not be an intimidating or bewildering process. Social media is simply another tool in our communications toolkit, in some respects it is a 21st century version of the classic press release. Like any communications and marketing undertaking a plan needs to be developed and individuals assigned all with the understanding this is a long term undertaking.

If you still find yourself confused about social media, then the following chart might help and we all know everything is made clearer with donuts.

In the coming weeks and months there will be more helpful hints and ideas on using social media. Any questions contact ZC Ken Wenzel (ken.j.wenzel@gmail.com).

Lions Vision Research Foundation

VISION DAYS

Supporting
Lions Vision Research Foundation
at Wilmer Eye Institute

Dear Lions, Lionesses, and Leos,

Think big! Imagine that all across your state, in metropolitan cities and small towns, Lions, Lionesses, and Leos are standing at entrances to businesses engaged in conversations with the customers entering and exiting the stores. It is the second weekend in October, a bright autumn day or an alternate spring weekend the second Friday and Saturday in April and clubs where dates present a conflict, any alternate date is acceptable. Communities will benefit by your choice. Club members will proudly wear their favorite Lions apparel identifying them as members of Lions Clubs International, the world's greatest humanitarian service organization which will celebrate a century of service in 2017.

As we listen to some of the conversations we hear one man tell a Lion "I remember when the Lions bought my grandmother eyeglasses when she couldn't afford them". As he speaks, he slips a dollar into the Lion's Vision Days collection canister. Another person is heard to say "I had someone in the family who needed a handicap ramp and the Lions built one". A handful of coins is dropped in the container. Another person says "We had a child with a serious eye condition and the Lions connected us to the Wilmer Eye Institute where she received excellent care". A \$5 bill goes into the Lion's canister. Similar conversations by the hundreds take place at locations all over MD-22. By day's end, Vision Days collection containers are brimming to the top with generous donations from an appreciative public and, all Club members are feeling really good about the enthusiastic, positive response from the public.

This visualization can be reality if we energize and mobilize you, the Lions Club Family, in support of Vision Days which is a very worthy fund-raising project that generates revenue for the eye research and rehabilitation programs at the Lions Vision Center at Johns Hopkins Wilmer Eye Institute. The only investment required is a gift of your time and energy. Break the task into two hour shifts. Provide a chair for a senior volunteer Lion who may have difficulty standing. Enlist the aid of your grandchildren. The public reacts to children helping with community service projects, and the kids will learn why pop-pop puts on that colorful, pin adorned vest and hat.

Visit the MD-22 LVRF website (www.lionsvision.org) under programs for more tips on how to run a successful Vision Days event and to access the Vision Days Booklet, Poster and Container Label. Please contact me or your District Vision Days Chairperson for further advice and assistance: 22-A PDG John Cullison, 22-B Lion Pasco Fenoglioletto, 22-C PDG Ted Ladd and 22-D Lion Melvin Nace.

Yours in service,

Lion Bob Bullock
