Lions Low Vision Group

We have an exciting next two months for Low Vision education and support.

At our next meeting on May 10 at 1 PM we will have Dr. Adrienne Wiseman who will talk about "New Standard of Care for Low Vision" . When an Ophthalmologist or Retinologist diagnosis and eye problem there is no more, "shaking their head and saying I'm sorry". There is remediation for everything.

Dr. Alibhai (Prominent Low Vision Specialist in Montgomery County) will speak on Monday, at 12:30 PM, May 15 on " To Drive or not to Drive: Keeping Your Keys?" He will be joined by Timothy Jones, OT Certified Driving Rehabilitation Specialist. Both are incredible figures in the fields of Low Vision Rehabilitation. If you, your family members or friends fit into this category of "they shouldn't drive anymore", this is a DON'T MISS! From the Leisure World Area, transportation may be provided if there is enough interest. Please contact Lion Larry Cohen At 908-770-9111.

And last, but not least every Tuesday and Thursday for 55+ visually impaired seniors Through Montgomery County and Instructor Jane Sheehan (301-598-2131), they are offering Bone Builders classes. Visually impaired has a wide definition of those that have night vision issues, glare problems, trouble reading or writing etc. I have taken this course and it is a low impact exercise program with trainers that make sure you execute the moves correctly.

Don't take a chance of falling! These free classes could be very helpful to you. The first step is to call Jane Sheehan @ 301-598-2131

To Drive or Not to Drive: Keeping Your Keys?
