Takoma Park / Silver Spring Relief

Fellow Lions,

Requesting assistance to help the 100 displaced people who lost everything they have in this explosion. Our District Governor is contacting LCI for disaster relief. The location of this explosion was 3 blocks from Takoma Park Lions meeting site. At this point these displaced citizens need financial support for new housing. The local citizens have done a tremendous job in donating clothing and food. For those of you who would like to contribute please send checks to the below address, write on check for " Att. Long Branch Fire" and make checks out to Montgomery Housing Partnership.

Please send out in newsletter

EYE DIME

HELP STOP BLINDNESS

The Multiple District 22
Lions Vision Research
Foundation, Inc.
(LVRF) at the Wilmer Eye
Institute
*The Johns Hopkins
Institutions*

CELEBRATING 25 YEARS

LVRF was established 25 years ago to facilitate education and low vision care at Wilmer Eye by the Lions of Multiple District 22. Their vision now reaches beyond the district. They also sponsor training a doctor who will specialize in low vision treatment each year. This bottle of dimes will sustain the mission of the Lions for years to come.

VISION DAYS
Supporting
Lions Vision Research Foundation
at Wilmer Eye Institute

Dear Lions, Lionesses, and Leos,

Think big! Imagine that all across your state, in metropolitan cities and small towns, Lions, Lionesses, and Leos are standing at entrances to businesses engaged in conversations with the customers entering and exiting the stores. It is the second weekend in October, a bright autumn day or an alternate spring weekend the second Friday and Saturday in April and clubs where dates present a conflict, any alternate date is acceptable. Communities will benefit by your choice. Club members will proudly wear their favorite Lions apparel identifying them as members of Lions Clubs International, the world's greatest humanitarian service organization which will celebrate a century of service in 2017.

As we listen to some of the conversations we hear one man tell a Lion "I remember when the Lions bought my grandmother eyeglasses when she couldn't afford them". As he speaks, he slips a dollar into the Lion's Vision Days collection canister. Another person is heard to say "I had someone in the family who needed a handicap ramp and the Lions built one". A handful of coins is dropped in the container. Another person says "We had a child with a serious eye condition and the Lions connected us to the Wilmer Eye Institute where she received excellent care". A \$5 bill goes into the Lion's canister. Similar conversations by the hundreds take place at locations all over MD-22. By day's end, Vision Days collection containers are brimming to the top with generous donations from an appreciative public and, all Club members are feeling really good about the enthusiastic, positive response from the public.

This visualization can be reality if we energize and mobilize you, the Lions Club Family, in support of Vision Days which is a very worthy fund-raising project that generates revenue for the eye research and rehabilitation programs at the Lions Vision Center at Johns Hopkins Wilmer Eye Institute. The only investment required is a gift of your time and energy. Break the task into two hour shifts. Provide a chair for a senior volunteer Lion who may have difficulty standing. Enlist the aid of your grandchildren. The public reacts to children helping with community service projects, and the kids will learn why pop-pop puts on that colorful, pin adorned vest and hat.

Visit the MD-22 LVRF website (www.lionsvision.org) under programs for more tips on how to run a successful Vision Days event and to access the Vision Days Booklet, Poster and Container Label. Please contact me or your District Vision Days Chairperson for further advice and assistance: 22-A PDG John Callison, 22-B Lion Pasco Fenoglioletta, 22-C PDG Ted Ladd and 22-D Lion Melvin Nace.

Lions All,

Attached is the ad that I have placed in the District 24-A "Lion Reporter". We need to keep up our efforts to raise money for the next Parade.

Also, I managed to sell 18 T-Shirts on our recent Medical Mission to Wise County, so please use every opportunity to sell merchandise/solicit donations.

Please give this your widest dissemination to insure that everyone is aware of our efforts in organizing the Parade participation. Post the AD in whatever newsletter that you have. We are able to absorb reasonable ad costs.
