District 22-C Advisory/Cabinet meeting

On August 13, 2016, District 22-C officially kicked off the new Lions Year with its first Advisory/Cabinet meeting. Good turn-out with representative from all but five clubs participated. This event was held at the Comfort Inn in Bowie, MD.

PID Joe Gaffigan installed DG Steve Borsh's new Cabinet and the Calvert County Lions presented DG Steve with his official Banner.

Many committee reports were given to include PDG Dee Hawkin's, Global Membership Report. She noted that IPDG Mike Bigler ended his year with a +5 in membership. A new club, which was initiated in IPDG

Mike's year was officially Chartered 8/8/2016. This new club is the Melwood Environmental Lions Club and the new membership chair, Jack Carey was present at this Advisory meeting and was introduced by PDG Dee. This club is being sponsored by the Gateway Lions and the South Gate-Clinton Lions.

PDG Dee urged club Secretaries to be sure to include in their LCI Activity Reports Centennial Service Projects. So far 99+ million people have been served globally. She noted that if, for example, you collect eyeglasses and you entered the numbers in the LCI Activities reports, be sure that it's listed as a Centennial Service and the numbers served would be the amount of glasses. Next time you collect, do the same as a separate event. Do this with other projects that you might perform more than once.

One fundraising idea was announced during this meeting (see Fundraising Section for more info).

PID Joe presented PDG Kelley Randolph with a District Governor Extension Award. This award was for the formation of the Capitol Hill Lions Club in her DG year.

Calling all Lions – as you probably know, Lions Clubs International (LCI) will be 100 years old in

2017. A huge celebration will be held in Chicago **JUNE 30 - JULY 4, 2017**. The registration form for the 2017 International Convention is up and running. Here is the link

<http://lcicon.lionsclubs.org/EN/attendees/registration-information.php>

If you plan on going it has been recommended to register early as hotel rooms are limited in the MD22 delegation hotel. If you don't get in that one, you will be assigned to another hotel that might not be as close to the main activities. According to LCI website, MD-22 (DE/MD/DC) will be assigned the HYATT REGENCY, CHICAGO (until filled). See additional information on hotel prices at end of the newsletter.

The Multiple 22 Chair for the Convention would like an idea on how many lions from each District plan to attend. If you could let **PDG Kelley Randolph**, District 22-C International Convention Chair know and she will relay the numbers.

Savers Donation Drive (aka value Village and Unique Thrift stores) which is a

new kind of fundraising event --one that pays our churches, schools and other nonprofit organizations such as your Lions Club for gently-used items you collect, including clothes, shoes, jewelry, accessories, linens and small household items. No one has to dig into their pockets for money, they simply need to clean out their closets, something we all need to do anyway!

Here's some key benefits:

- Easy to run and fun!
- No selling and no inventory to purchase and manage – little to zero cost
- Perfect volunteer opportunity for all ages
- A complete program with all the tools you need for success – completely turnkey

This is a simple and unique method of raising much needed funds and is founded in community giving and Savers has already helped raise thousands of dollars for nonprofit organizations across the country and I'm excited to the same for yours!

Many partners like the Lions Clubs are able to offset their administrative expenses or provide funds for other events in the planning or to further help community initiatives by participating in the donation drive. Fall is a great time to schedule one as there are many people cleaning out seasonal clothing and other household items this time of year and what a great way to do so by helping your Lions Clubs at the same time!

This link will highlight some of the marketing support materials we share with our partners in order for you to communicate and promote the fundraiser event.
