### DISTRICT AND MULTIPLE DISTRICT 22 PROGRAMS

Each month a major program of District 22-C or Multiple 22 will be highlighted. In this month's newsletter is the **Multiple District 22 Lions Vision Research Foundation (LVRF)**.

*If you would like someone to come to your Club, contact our District 22-C representatives (see page 20 of District Roster Book): PDG Paul Hawkins, Rich Barb, Dee Hawkins – Trustees, and PDG Ted Ladd (Interviews) and PDG Paul Hawkins (Direct Services) for the Low Vision Rehabilitation Network (Lovrnet) program (page 63 of District Roster Book).*

The Multiple District 22 Lions Vision Research Foundation, Inc., LVRF, is a 501(c)(3) organization established in 1988 to support low vision research and rehabilitation for the vision impaired. Low vision is a chronic disabling visual impairment that cannot be corrected with eyeglasses or with medical or surgical treatment. LVRF helps these individuals live as close to a normal life as possible through special devices and other methods.

The Low Vision Rehabilitation Network (Lovrnet) started as a pilot program with its kick off in 2014. Low Vision rehabilitation is highly effective in restoring the ability of visually impaired and blind people to function in everyday life.
