Amy and her husband Derek Smith have two sons, Gideon, and Silas. He retired from the Elkhart County Sheriff's Department in 2002, continuing his public service as director of Elkhart County Emergency Management. Following that he served as a public health emergency planner. He has numerous hobbies and likes, especially being outdoors. He is a master gardner as well as a master naturalist. He enjoys gardening, canning, and cooking, preferably with cast iron.

### HIS DISTRICT GOVERNOR'S PIN

Beginning in the center you will find a tripod with three golden legs, they represent the Holy Trinity, something I strongly believe in.

Atop of that is the Lions emblem, which represents the giving spirit in the heart of every Lion to serve their fellow man.

Hanging from the tripod is a cast iron Dutch oven it is one of the oldest cooking utensils and represents the longevity of Lionism.

Cooking in the Dutch oven are the (5) service projects of Lionism: Vision, Hunger, Diabetes, Childhood Cancer and Environment.

Providing the fuel to cook up the service are both old and new Lion members.

The rocker top and bottom is my Motto, ***Cooking up Service, Back to the Basics***. Left and right of center is Indiana Lions District 25G (our district) Below is my name and Baugo Lions, my home Club of which I am proud to be a member. Lastly, around the outside is a circle in gold, representing Lions continual service to others. It never stops.

## DISTRICT 25-G VISION, MISSION, MOTTO & GOALS

**International Motto**—Make your Mark

**Vision statement**—District 25-G Lions will work together with other service clubs to provide service for our communities and improve quality of life for all.

**Mission Statement**—District 25-G leadership will provide our clubs and members with the tools offered by Lions International to take action with programs to help our stated focus areas of: vision, hunger, environment, childhood cancer, and diabetes.

**District Motto**—Cooking up service. Back to the Basics

### District Goals

Leadership- 50% of district club officers will participate in officer training when provided by the district.. 100% of club officers will be informed of officer training available through the Lions Learning Center

Marketing—By the end of the Lions year 50% of clubs will have been provided marketing tools in order to increase “Lions Brand” awareness and recruit new members.

Membership—Clubs will be encouraged to promote the retention of members through fun, fellowship and SERVICE to their club and community. A recruitment goal of ninety-one new members has been set for the Lions year. This amounts to approximately two new members per club.

Extension—The Global Action Team seeks to have NO club close during the Lions year and will take an “All hands-on deck” approach to assist clubs in need. The Global Action Team concurs with Lions International in seeking to establish one new club within the District during the Lions year.

Service—This is what Lions do in all our communities and what needs to be recognized locally and internationally. Therefore, by the end of the Lions year 80% of district clubs will report their service projects to Lions International.

Lions Foundation—By the end of Lions year 100% of district clubs will have made a monetary donation to Lions Clubs International Foundation.80% of Clubs will have identified the LCIF coordinator by years end.

## ***District 25-G Eyeglass Recycling Program***

District clubs are actively collecting, processing inspecting, cleaning, repairing, reading prescriptions, packaging and ultimately shipping eyeglasses to Mexico. In late September of each year, a team of over 20 Lions partner with a Lions club in Mexico to hold a five-day mission with over 14,000 pairs of glasses, improving the vision of people who lack their own resources to obtain vision care.

Members of all district clubs are invited to participate in several areas of involvement in this program. You can also schedule a program for your members. Contact PDG Marty Juel for details: [marty@martyjuel.com](mailto:marty@martyjuel.com).

Need an eyeglass collection box? Our polypropylene buckets are nearly indestructible and attractive for either countertop or floor displays. Available for \$8.<sup>50</sup> each. For information, contact [info@ElkhartLions.org](mailto:info@ElkhartLions.org).
