## DG John Hand - "Opening New Doors"

Last week I had the chance to visit the Magic Valley twice for Declo and Valley charter parties. Thank you to both clubs for a really great time—and for the lessons!

It is easy to talk about the 30 clubs in our District 39W...each club is unique, each has its own personality, and serves its own community's needs. The great lesson from Declo, Valley and their enthusiast Rupert and Twin Falls is how developing relationships between Lions clubs can make a real difference.

My new math?  $1 + 1 = 3$ . In other words, two clubs working together frequently achieve better results: More perspective, more ideas, more energy.

One item on the 2024-25 District action plan is to develop ways to help clubs work together. What I experienced in Declo and Eden this week underscored how many incredible people compromise our nearly 900 Lions in 39W. Watching attendees from across the four clubs was inspirational—and informative and real fun. Again, thank you!!

Look soon for new tools and programs to help your club not have to “reinvent the wheel”. We are working with next year's District Governor, Peggy Hess, and others to leverage the work of other Lions and put it to work in your club.

Thank you, John.

WOW!!! What a training in St. Charles, Illinois. The Q Center, near Chicago, is an awesome place to hold a large event. 800+ DGE's or 1<sup>st</sup> Vice DG's from 90 countries, it was so much fun trying visit with them and they gave us a passport to talk to at least one person from each country. Our partners were from Italy and sharing ideas with them was very interesting.

**If an organization doesn't grow, it dies.** That is why the press is on for members. 1.5 is still a Goal, but A.P. Singh says that is just a number, a goal. We need to grow. We all lead to serve and serve to lead. When we join Lions International, we promise to serve. The more of us there are, the more service we can give. We need to tell our stories so people know who we are and what we do. We must remember that, what is seen sells and helps us get more members. We need to collaborate with other clubs to get more done. Service is our soul and members are the body. We must keep our body strong to do the service we strive to do. Let's keep growing and serving.

With all of the natural disasters in the last few years, the push is for support to LCIF. Lions build a bridge between despair and hope. Hope transcends borders. When we donate locally or personally our community, club or individual become part of the world. LCIF paid for 9.7 million cataract surgeries and \$116 million for disaster relief. If the grant is an emergency, you get \$15,000.00 to start and then another \$15,000.00 for recovery. Many members say they only want to support LCIF if it is kept locally. We are part of a worldwide team that helps those in need. This is a way to show our love for other Lions and the world.

Some of the ideas exchanged were: Community clean up one street at a time; course on finances; Cases of Kindness – glass cases filled for the homeless or a first aid kit; Mobility carts used worldwide (Mobility Worldwide); Christmas for youth in a lock up facility; make a playground all inclusive; Sleep in Heavenly Peace; January is hunger month; October is Mental Health month; Environment on Earth Day; Service Tourism – as you travel, find the Lions clubs and see if they are doing a project you can help with while you are in the area; Auction off a Cowboy; sell kids cowboy hats and bandanas; Award students for community service; and many more.

Our leader for 2025-2026  
A.P. Sing, An awesome gentleman with great ideas.

## MD 39 CONVENTION NEWS !!

Hi, 39W Lions!

Both the Multiple District 39 (MD 39) Convention registration form and the first, convention “sneak peek” have been emailed to all MD club Presidents and secretaries to share with their club members. You will also find them in this newsletter for your convenience.

Our convention committee began meeting in September to make plans. We hope you will enjoy some of the changes/new ideas made. There will be more convention details going out in the MD 39 newsletter later this month as well an informative email sent to club Presidents and secretaries to share on April 1. If you do not receive these please, let either myself (CC Betty) or our MD secretary, Jennifer Weeks, know.

A huge “THANK YOU” goes to the Lions on the convention committee! Another special “THANK YOU” goes to our sponsors. You will find a complete, sponsorship list in the convention program at Sun Valley.

Here are a few, friendly, convention “sneak peek” hints:

- Plan to book your hotel room as soon as possible to receive the special Lions rate.
- Friday night features music, Hors d’ Oeuvres, Paint ‘n Sip/other activities- casual attire to fit the theme for that evening (Friday’s theme: “Yeehaw, it’s Harvest Time!”) Think overalls, jeans, casual/comfortable shirts. Please, do NOT feel you need to purchase anything special to wear. Your presence is the important thing!

Leos are invited to attend and will need to send in the registration form. Leos will intermingle with Lions during some of the convention. At other times, they will have separate, Leo-related breakout sessions. Any Lion Club that sponsors a Leo Club(s) should make certain any Leo Club advisor has a copy of the registration form & information.

\*The Burley Lions Club has made a generous donation to sponsor the registration (including meals) for 23 Leos. Thank you! \*

- Please, read the “sneak peek” MD convention page to find out about the club raffle basket change.

Reminder: Clubs participating in the MD Patriotism Essay Contest are encouraged to please, check the contest guideline dates.

Thank you, for all the amazing service you do!

My Warm Regards,

Lion CC Betty

A preview of one of the centerpieces that will be up for silent auction.

PID Ron Keller and Lion Kitty Keller

Ron Keller from Millersport, Ohio, USA, was elected to serve a two-year term as a director of Lions Clubs International at the association's 104th International Convention, June 24 through June 28, 2022. He served on the Lions Membership Development committee for two years, and was Chairperson for one year.

Director Keller has more than 35 years experience as a government administrator and event coordinator. He is currently retired. He last served as Cultural Arts and Events Manager for the City of Columbus where he managed city staff, drafted city legislation, oversaw purchasing of equipment and supplies for events, and served as a liaison to civic and community leaders in Columbus' urban neighborhoods. One of his most notable projects was redesigning a public subsidy mechanism to make it easier for minority nonprofits to apply and receive city services within their neighborhoods.

## 39W DIABETES CHAIRMAN

I'd like to thank our district governor, Lion John Hand, for the opportunity to be your Diabetes chairman. Diabetes awareness is a passion of mine, because I have fought this "silent killer" for more than 25 years, with a considerable amount of success.

I am a member of the Meridian Lions Club, and have spoken to several clubs over the last two years. I would like to visit with all clubs in District 39W, sharing my story and talking about why diabetes is a priority issue with Lions International. The priority is well placed, given the Lions long commitment to vision care and with diabetes being a leading cause for blindness.

Please consider putting me on your meeting schedule. I would enjoy meeting you in person, and I think I have a message that you would appreciate hearing. The best way to reach me is by texting (208 830-7832) or by email ([ctmalloy@outlook.com](mailto:ctmalloy@outlook.com)). I'd look forward to hearing from you.

# 5 BENEFITS OF BEING A LION

1. To have fun.
2. To be a part of something big, yet unique.
3. To have opportunities for personal growth
4. To be a part of a global and international organization
5. Because doing good feels good

## BOISE BENCH LIONS

What's occurring with the Boise Bench Lions in February???

Eleven Bench Lions helped bagging 3,400 lbs. of frozen pinto beans into 1,700 2lb. bags at the Idaho Foodbank. The club has been volunteering every month at the foodbank for ten years.

The club works with the Interfaith Sanctuary, providing dozens of cookies for dessert and volunteering to help prepare dinner every Wednesday. Chef Frank who prepares the meals with help from Bench Lions is also a member of the club. EyeGlass recycling, some of our newest members have been active in learning how to pack and ship the eyeglasses that the district does a fine job of collecting.

We had some great speakers last month including; Sara White is an ADA County Victim Witness Coordinator, Dr Terry Rich is an Ornithologist. He spoke about birds, birding, and bird conservation, Shawna is the education and marketing manager for the Boise city airport and Dr Corey DuPont of DuPont Wellness Mobile Physical Therapy comes to you for your appointment.
