

Walter Cuffe Memorial Golf Tournament

**Sunday, September 8, 2024
Reedy Meadow Golf Course, Lynnfield**

**Fundraiser to Support
Massachusetts Lions Eye Research Fund**

Tee off for a purpose and join us for a day of golf and a delicious luncheon at our picnic-style dining. This event not only offers a great day on the green but also supports a crucial cause - eradicating preventable blindness and finding cures for eye diseases.

This 9-hole, par-34 tournament at Ready Meadows offers a perfect blend of challenge and accessibility for players of all skill levels. With its flat terrain, generous fairways, and well-manicured greens, the 2,560-yard course provides an ideal setting for friendly competition.

For just \$75 per golfer or \$280 per foursome, enjoy:

- 9 holes with cart*
- Steak or lobster lunch and beverages
- Gift bag

Together, we can have fun while making a meaningful impact towards a future where preventable blindness is a thing of the past. 100% of proceeds go directly to MLERF.
