We are now entering the final and most important quarter of the year. It seems we are in a great position to achieve our 2 most important goals. 1. Once again reach **\$1,000,000** and 2. Have **100% participation** by all clubs. I can only make a personal plea to all clubs to help us reach these goals.

It is **NOT** too late for every club to support **"Pennies For Sight"**. It's a free fundraiser and requires very little work and can be fun and rewarding. Lots of canisters are available. Please read later in this Bulletin about the programs to help your club to support **"Pennies For Sight"**. A **"Mile Of Pennies"** is a great goal!!!! Your **\$33 personal commitment** supports **"Pennies For Sight"**.

The **"Dining For Dollar\$"** Challenge is another **FREE Fundraiser**. PLEASE read the instructions and contact PDG Jeanne Farrow about your event.

The **NEW Helen Keller Pins** are selling **VERY** quickly. I encourage **EVERY** club to order these beautiful pins and celebrate the mission that Lions accepted almost 90 years ago. **ERADICATE PREVENTABLE BLINDNESS**. And support MLERF.

Congratulations to the **Acushnet Lions Club (33S)** for joining the \$500,000 donations group. **Congratulations and thanks to ALL CLUBS** who may be **poised to increase their pennies donations, total donations or make a donation to MLERF for the first time. MLERF needs your support! Thank you!**

I hope you enjoy this Bulletin and please read the announcements about club events at the end. These fundraisers are dedicated **100% to MLERF. PLEASE SHARE THIS BULLETIN WITH OTHER MEMBERS OF YOUR CLUB.**

I can't thank you enough for your wonderful support of MLERF and for me personally. I have enjoyed every minute and look forward to a **GREAT** finish.

Yours In Lionism

SUCCESS STORIES

Have you wondered how **Massachusetts Lions Eye Research Fund, Inc's** funds are used by our research partners? Now you can know. This year we have produced “**SUCCESS STORIES**”. The publication contains numerous articles provided by the 6 major eye research institutions. The articles tell many stories about the achievements which were possible **ONLY** because they were originally funded by **MLERF** funds. This is not a complete list but a representative sample of the institution's accomplishments over the years. The “**SUCCESS STORIES**” would not be possible without **YOUR** support of **MLERF**. “**SUCCESS STORIES**” are printed in this year's **MLERF Directory**. They are available on the **MLERFI.ORG** web site. You can request a print copy of the booklet by e-mail to rpinch5663@yahoo.com.

MID-WINTER CONFERENCES MEAN FUN AND RECOGNITION!

AT EACH MID-WINTER CONFERENCE 2 MLERF SERVICE RECOGNITION AWARDS ARE PRESENTED. THE DISTRICT GOVERNOR CAN SELECT 2 LIONS OR CLUBS AND MLERF WILL PROVIDE PLAQUES AND THE MLERF PRESIDENT WITH THE DISTRICT GOVERNOR WILL MAKE THE PRESENTATIONS. HERE ARE A FEW OF THE AWARDS MADE THIS YEAR.

If your club needs a supply of Memorial Envelopes please contact one your District Directors and ask for a supply. The Memorial Envelopes can be placed in local funeral homes and churches. They provide a wonderful way to honor a fellow Lion or loved one and the donations are added to total MLERF donations.

BANK CHALLENGE

We think it is pretty safe to say that all of our clubs have a partner that handles our funds – your **BANK!** Many of our banking partners are supportive of our local fundraising efforts. However, if you have not asked your local bank for a donation for other events or projects we encourage every club to ask for a donation to **MLERF.**

Many of our clubs have members who are bank employees or officers and are willing to help with an appeal for funds. Generally it is not a good idea to seek funds from a bank's "foundation" because they target specific community causes. Foundations generally do not give to other foundations or funds.

If you believe it is appropriate **PLEASE** ask your local bank for a donation to **MLERF.** Talk to the branch manager or the person with whom you may already have had contact. If you need a sample letter of introduction we can provide that. In fact a copy was included in your directory package. If you need our help – please ask. If you need numbers for their tax filings we can provide those because MLERF is a 501 (C) 3 and the bank can also benefit from their donation to MLERF.

SIGHT AWARDS

Has your cub presented a
Sight Award?

Has your club earned the right to
present a **Sight Award?**

WHAT IS A SIGHT AWARD?

The **SIGHT AWARD** is one of the more challenging awards for a club to earn for presentation. It is a prestigious award that can only be earned once a year.

The **SIGHT AWARD** is an award which can be used to recognize an individual or organization that has contributed or displayed outstanding and dedicated service to their club or community with ideals of eye research in mind.

A Lion, Lioness, or Leo club may qualify for the Sight Award when there is a minimum increase of **\$1,000** in their eye research donation from the previous year. A three-year average may also be used at the discretion of the Executive Board. Applications with complete requirements are available from any officer or director of the Corporation.

As we near the end of this year we encourage clubs to know how their donations this year compare to last year especially if you are nearing an additional \$1000 in donations. A club may want to add enough to their donations to reach the \$1000 increase.

JOURNEY FOR SIGHT

The “**Journey To Sight**” program began after the 1982 Lions Clubs International Convention. It was an idea created by Lions Clubs International designed to enable Lions Clubs and Districts to raise funds for sight related activities and increase Club and District visibility and reputation in their communities.

Massachusetts Lions Eye Research Fund, Inc. adopted “Journey To Sight” shortly after the 1982 International Convention and changed the name to **Journey For Sight**. The first **Journey For Sight** Weekend was held in May of 1983. The initial idea was for all clubs to hold a **Journey For Sight** Project on the same weekend in May each year. The goal was to generate additional funds for MLERF over and above a Lions Club’s usual annual donations. The goal was that the funds generated by the current 5 existing Districts through the **Journey For Sight** fundraisers would be the equivalent of a sixth (6th) District.

Today, **Journey For Sight** projects occur all year long throughout the five Lions Districts. (Y-A-N-K-S).

Clubs earn a Banner Patch for their first **Journey For Sight** Project and each subsequent year the club can earn a Journey For Sight Rocker.

\$5.00 from each Helen Keller Pin purchased by Massachusetts Lions Clubs will be credited to that club as a JOURNEY FOR SIGHT donation.

TRUST AND ENDOWMENT FUND

As a Lion, you are probably already familiar with other MLERFI programs such as *Pennies for Sight* and *Journey for Sight*. What you may not know is that the MLERFI Trust and Endowment Fund was created in order to establish a source of stable, continuous income. This income is used to guarantee the perpetuation of grants to the local research institutions that MLERFI supports. Gifts from you, other Lions, and the public, are the foundation of MLERFI's continued success. Your gift to the Trust and Endowment Fund provides much-needed financial aid to ensure that grant funds will be available to all eligible research institutions. In addition, Trust and Endowment Fund gifts bridge the gap between what MLERFI receives in direct donations and what it actually costs to support all the research projects, keeping grant denials to a minimum.

Presidential Grants are also made possible from funds which are allowed to be withdrawn from the Trust & Endowment Fund.

In the **EyeCatcher** there was a letter inviting Lions to make even a very small donation to the **Trust and Endowment Fund**. We hope you will help to sustain this important fund with whatever donation you feel comfortable making.

LIONS HAVE ANSWERED THE CHALLENGE SINCE 1925

Since 1925, when Helen Keller asked us to be her “*Knights Of The Blind*” we have embraced the mission of “**eradicating preventable blindness**” and have stayed true to that mission. Lions have achieved enormous success worldwide through **Lions Clubs International Foundation (LCIF)**. In a recent message **LCIF Chairperson Barry Palmer** pointed out the following:

“Every day, you provide disaster relief, empower our young people and serve our communities. **You also remain committed to saving sight.** Whether you are conducting vision screenings, distributing eyeglasses or medicine, you are giving the gift of sight.

Together with LCIF and partners like The Carter Center, Lions have helped to restore sight to 7.7 million people through cataract surgeries; prevented serious vision loss for more than 30 million; provided over 271 million treatments for river blindness; built or expanded 660 eye care hospitals and clinics; and trained 681,000 eye care specialists and eye health workers. Congratulations, Lions!

Thank you for commitment to saving and restoring sight.” Barry Palmer, Chairman

The Lions of Massachusetts went even further when in the early 1950’s they **adopted Mass Lions Eye Research Fund (MLERF)** as the only statewide project of the Massachusetts Lions. Since the first grant of \$5000 was instrumental in solving the mystery of “**baby blindness**” and has saved the sight of nearly **150,000** newborn babies, MLERF has remained committed to the original mission. The Lions of Massachusetts have provided over **\$31,000,000** in critically important funds for eye research. (See Success Stories to learn about the achievements.)

Massachusetts Lions Eye Research Fund needs the support of **EVERY Lions, Lioness and Leos Club**. We ask that if your club has not supported MLERF in past years that you do so this year. **Any amount of support is important and *it is the mission of the Lions of Massachusetts.***

Thank you for your support!
