

# District 33-N Bulletin

District 33-N Lions,

Welcome to our first District 33-N bulletin of this year. It has been prepared and presented by our District Editor, Laurie Cantwell. Please join me in thanking her for the hard work and for volunteering to do this task for our District.

We are planning to prepare a new bulletin every two months or sooner if needed, throughout our Lions year. So please be sure to send your club news and upcoming events to Bulletin Editor Laurie, as soon as you know about it.

Keeping our Lions informed of our club's activities is one of my main objectives this year. This bulletin is one of the tools we'll be using to accomplish this objective. I am so proud to be able to serve with the great Lions of our District and I want to thank all of you for your continued service to your communities, our District and beyond.

I am so proud to be your District Governor this year and I am looking forward to working with each and every one of you.

Yours in Lionism,  
District Governor 33-N  
Tony Pecci

May this New Year of Lionism be the Glittering Light to brighten the dream-lined pathway of our future.

May it be filled with Love, Happiness, Good Health, Laughter, and many memories for us all.

Katie Sirois  
Cabinet Secretary/Treasurer (CST)

# District 33-N Commentary

**August 2022  
Bulletin**

Imagine. A seven-letter word, with endless possibilities. Over the next few months, I challenge you to dare to imagine what Lions look like a year from now, five years from now, twenty-five years from now. Where do you see yourself as a Lion? Your club? How can your district help you with that vision?

Over the past couple of years, we've heard a lot about "getting back to the way things were". I understand and respect that. These past few years have been hard on some clubs as well as some Lions. I think it's important to honor that, to mourn that and to respect that. Equally important, is to recognize the opportunity to imagine a different, better future for Lions. PDG Marcel Plouffe led our Lions district through the very worst of the Covid pandemic with grace, caring and a willingness to pivot, to think outside the box. Many clubs and Lions did the same. Our GST, Laura Ward and our region chairs came up with innovative ways to continue to serve, such as a soup drive that resulted in thousands of cans (or packets) of soup filling the shelves at several local food pantries. Laura Ward along with Katie Sirois and JJ Ward provided our district with transformational leadership that allowed our clubs to thrive in service and provided even those clubs who were struggling with an opportunity to make a difference in their community. As a Lion in District 33N, I'd like to see us build off this. To imagine new ways of doing both the service and the business that makes up Lionism. One of the comments I've made a lot during the past few months is that while everyone wants change, no one really wants to do the change. I get that. Change is incredibly hard. What if it fails? What if things get worse? But...what if it doesn't?

I've listened and continue to listen to your feedback around how the district can better work FOR you and your club. You can reach out to me any time, by phone, e-mail, or text. I will gladly meet you over coffee (or ice cream) to hear about what YOU imagine Lions of the future will look like. Keep an eye out for upcoming "meetups" and brainstorming sessions.

I also look forward to a fantastic year with DG Tony. I truly believe that he will Ignite our Lions Passion and that all of us together will move our District forward in a new, positive and caring direction.

Yours in Lionism,  
Marie Wagner  
1st VDG

# District 33-N Commentary

**August 2022  
Bulletin**

Hello District 33N Lions!

When you return from an International Convention, you are all fired up and ready to go. This year's International President is Brian Sheehan, from Bird Island, Minnesota. Go ahead and ask it? Where is Bird Island, Minnesota? It was a bit of a joke at the convention. His theme this year is "Together We Can." I think that is a great theme! I know when I have people working alongside me, I can accomplish most anything. Lions is like that.

This year, with the help of all Lions in our District, we are going to work to help our own clubs, and hopefully, other clubs that may need our help too. Check out this newsletter. See if an activity or fundraiser another club is doing sounds like something you'd like to be involved in, then give them a call to see if they could use your help. We are all Lions; we're all working for the same goal.

Going back to the International Convention, next year it is in our own backyard. LCIcon2023 Boston (July 7-11, 2023) will be the biggest party you've ever experienced! Those who know me well, know that I'm of the mind that every single Lion should experience a convention in their Lions career. It is an amazing event. It will be a lot of work, too. Please volunteer to help. Just go to [lcicon2023boston.com](https://lcicon2023boston.com) to volunteer. There are so many ways to help.

Stay active, enjoy your Lions year, try to make it to a District Advisory; we'd love to see you. Remember: Together We Can!

Yours in Lionism,  
Sharon Pecci  
2nd VDG

# District 33-N Commentary

August 2022  
Bulletin

Congratulations Lions, Campaign 100 has exceeded its \$300 million goal. Although final totals are not yet quite established, it appears that the amount raised is in excess of \$324 million.

For our part in District 33-N, contributions were more than \$37,000 which is more than 50% above last year and, we believe, the largest ever single-year contribution to LCIF. We thank you for your efforts at both the club and individual levels.

Despite the success of Campaign 100, we cannot sit back and gloat. Disasters occur somewhere each year; clinics need to be built; wells need to be drilled; medical and eye care missions must continue; eye mobiles need to be funded and so forth. Not to mention the LCIF donations to Mass Lions Eye Research fund to match MLERF Presidential grants each year.

Those donations to MLERF over the years total well more than \$1 million.

LCIF is **OUR** foundation and it is how we serve the world. Its great works must continue which means we must continue our financial support.

If every Lions Club member in 33-N were to personally donate \$10.00 to LCIF, we would raise close to \$11,000 over and above club donations. This would increase the significant mark on our services to mankind by helping those most in need when they are in need.

Again, thank you for all you do for your Lions Club, your communities, and our charitable pursuits. Your efforts truly reflect our motto of "We Serve".

PDG Marcel Plouffe

## District 33-N Lions: Winter Blessing Bags for the Homeless

### Share the Love! Donate Blessing Bag Items

Imagine going through your daily life without the basics: toothbrush, toothpaste, clean water, deodorant or even socks? For many of our local area homeless this is everyday life. This is where YOU can make a difference and SERVE from the HEART.

Please bring all items to the District Mid-Winter Convention to be assembled on Saturday as a group Service project. The goal is to complete 100 bags for delivery to our local area homeless in need.

Questions? Contact GST Laura Ward, [LauraWard526@gmail.com](mailto:LauraWard526@gmail.com)

### Travel size items work best!

#### If not listed, does not mean an item is not needed:

Toothbrushes, Toothpaste, Shampoo, Conditioner, Body Wash, Deodorant, Tampons, Sanitary Pads, Combs, Brushes, Handwarmers, Mittens, Hats, Scarfs, Socks, Underwear, T-Shirts, Wet Wipes, Kleenex, Fast Food Gift Cards, Cereal Bars, Granola Bars, Bottled Water, Juice, Beef Jerky, Dried Fruit, Nuts, Tuna Pouches, Candy, Peanut Butter, Protein Bars, Rain Ponchos, Chapstick/Lip Balm

# District 33-N Challenge

**August 2022

## District 33-N Lions: Peanut Butter & Jelly Challenge November 1 through December 31

### **TO BENEFIT OUR LOCAL SHELTERS AND PANTRIES:**

Peanut butter is rich in heart healthy fats and is a good shelf stable source of protein to have available to our shelters and pantries. Peanut butter and Jelly are not just for kids, but families and seniors also rely on this pantry staple.

Please help us in this food collection competition to kick out hunger in our local communities by benefits going to our local shelters, pantries, and food banks. We will be collecting non-perishable items and for each item collected you get a point.

### What kinds of peanut butter and jelly?

Single servings, small or medium jars and squeezable. Sugar free, almond putter, all natural, crunchy.

### **HOW TO HELP?**

Bring your collected items to your meetings and have someone in your club and keep track of items collected. All totals must be turned into the Region Chair no later than January 1, 2023 and the winner will be announced at Mid-Winter Convention!

The club that collects the most peanut butter and jelly by December 31st will win the Peanut Butter Trophy!

## Multiple District Event, District 33-N Lions & Lexington Lions Club

What happens to used Eyeglasses that Lions Collect?

Our District 33N Eyeglass Recycle Co-Chair, Lion John Lucente, of the Lexington Lions Club, updated us on our most recent eyeglass collection. Together, Districts 33A, 33N, and 33S loaded 12,715 pairs of eyeglasses bound for the Basilica de Higüey in the Dominican Republic. These eyeglasses will be placed in a container en route to the Dominican Republic later in the week.

Lion John Lucente passed on a message: "Thank you to all who helped make this possible."

## Let's make time for World Diabetes Day

Lions and Leos are raising awareness for diabetes, a disease that affects 463 million people worldwide, by completing a variety of short, convenient online activities during October-November. We're out to log 100,000 total minutes by World Diabetes Day, November 14, and time is on our side!

## Diabetes Day

We serve to reduce the prevalence of diabetes and improve quality of life for those diagnosed.

### A Disease of Epic Proportion

**31 million.**

That's the number of people in this part of the world with diabetes<sup>1</sup>. But that's just the beginning. Consider these sobering insights into the disease the World Health Organization says is the eighth leading cause of death in the United States<sup>2</sup>:

**~16%** of adults in Puerto Rico have diabetes  
Related deaths rose ~25% in the last 10 years<sup>4</sup>

Diabetes is **one** of the Caribbean's major public health challenges<sup>4</sup>

**\$327B** is the cost of diagnosed diabetes in the United States<sup>5</sup>

#### THAT'S HERE. GLOBALLY, DIABETES LOOKED LIKE THIS IN 2019:

**~463 million**

20-79-year-olds had diabetes  
Cases expected by 2045: 700 million

**50%**

of diabetes cases were undiagnosed

**10%**

of all health expenditure on adults was due to diabetes

**374 million**

people were at increased risk of type 2 diabetes

**4.2 million deaths**

were caused by diabetes

**Type 1 diabetes has no known cause nor cure;** combatting

type 2 diabetes — often caused by poor diet and lack of exercise — requires education and behavior modification programs. Left untreated, diabetes can lead to blindness, nerve damage, kidney failure, stroke, heart attack, and more<sup>7</sup>.

# District 33-N Summary

**August 2022  
Bulletin**

We hope you've enjoyed our first 2022–2023 District 33–N Bulletin.

Per our District Governor, Tony Pecci, “Keeping our Lions informed of our club’s activities is one of my main objectives this year. This bulletin is one of the tools we’ll be using to accomplish this objective.”

In keeping with our District Governor’s objective, our Bulletin is a work–in–progress. It is only as good as the items you provide to include.

If you have any questions, suggestions, or items of interest for our next bulletin—including event photos and descriptions—please email me as soon as you have them.

And, don’t forget to record all your events and activities in [MyLion](#), on your Monthly Activity Report, individual and club social media sites, and websites!

Best, YIL
