If you cannot buy supplies, clubs may pledge donations in cash/check and the District use those funds toward the purchase of needed supplies. Please bring all supplies to the Mid-Winter Convention before the 3:00 pm start time for the District 33N Service Project. Also please tell CST Meg DeMonico via email meg33n@gmail.com with the heading "MW Service Project" what you or your club intends to donate so we can keep track of items needed.

We look forward to seeing you at the Mid-Winter!!
