

District 33N SPRING BULLETIN Lions Year 2023-2024

Being a Lion is about leading by example, building relationships, and improving the community through kindness. There are more needs and greater demands than ever before, but our mission has never wavered: “We Serve.” we continue to serve in ways that have made us a global leader in humanitarian assistance, and community welfare. As Lions, we have fun making our communities better by doing service projects, collaborating with partner organizations, engaging our youth, and helping the environment. Lions of 33N are serving locally in so many ways. Shine a light on your club by sharing your story through social media, local media and online. If you need help, please reach out to Lion Laurie Cantwell at la_email@yahoo.com and copy district33nlions@yahoo.com. Together we work as a team.

Teamwork generates fresh perspectives and inspires others to join the good work we do—work that would not be possible without your dedication to service, we can learn from one another, help even more people together and strengthen the future of our service. Remember with every act of kindness we change a life – with every Lions Club, we change a community. The more members we have the more we can do. To meet the growing needs in our communities, we need to invite new members to serve with us. To make sure we’re always there and ready to serve, we need to grow. MISSION 1.5 is the drive to reach 1.5 million members worldwide on July 1, 2027, so we can better meet the growing needs, together we can make this happen. Growing our membership makes the Lions stronger. We are here for you. If you would like help with new members or help recruiting, please reach out to GMT Lion JJ Ward at joeward33n@gmail.com. With more members, our associations, districts and clubs will have more resources to fulfill our mission of service, at home and around the world.

District 33N Lions have been an inspiration this year, we thank you for all you do – Service projects, holding fundraisers, and helping those in need; you are present, you are seen. Membership has been increasing, we are on our way to 1.5. But the year is not over yet, we have challenges we must strive to meet. Can we do more? Always, please reach out to me, district officers, zone and/or committee chairs, we are here for you.

DG Liz Pettis and CST Joni Baptiste

From International Director Steve Middlemiss

LeeAnn and I have been fortunate to visit some amazing Lions over the past few months. Our travels have taken us to New York, Minnesota, Tennessee, Kentucky and recently Indiana not to mention Vancouver for the March Board meeting. Our schedule going forward after Easter weekend will be a whirlwind as we will be traveling 8 straight weekends visiting Lions across the country. Every day we thank the Lions of NE for your support as we campaigned for this position. It is an amazing experience.

A couple of things from the recent board meeting. Exciting times are ahead as we will have a new way to receive and supply information to Lions International. The Lions Portal will be launched beginning April 15. It will not be active for everyone that day as they will be launching to US Lions during that week. I have attached a QR code which will allow you access to several videos explaining the Portal. It is very important that each Lion have their own email address to be connected to the new Portal. Please do it soon as MyLion and My LCI will be shut down on April 12 to transfer data to the new Portal.

At the convention in Australia one of the items on the ballot will be to add the District GAT team (GET, GLT, GMT, GST) and LCIF chair to the current list of individuals as a candidate for the office of second vice district governor. All other requirements will remain.

SVDG training will begin this upcoming summer. So those of you who are moving into that position watch for upcoming emails and info regarding the training sessions.

We are looking forward to continuing our travels and to the experiences we will have. We continue to look forward to serving the Lions of NH and the World as we all work toward “Changing the World”.

Yours in Lionism,
ID Steve & Lion LeeAnn

Support LCIF: LCIF Update, April 2024

Dear Lions,

With one-third of our fiscal year remaining, I'm pleased to report that District 33N Lions have reached approximately 55% of our fundraising goal of \$30,000.00 for the year. Our district traditionally donates heavily in the fourth quarter, therefore PDG Marcel and I are confident that we will hit our goal.

You can contribute to our success by donating to LCIF online at LCIF.ORG. Click the "Donate" link and complete the short information page. Please note that unrestricted donations (Empowering Service Fund or Area of Greatest Need) qualify for Melvin Jones Fellowship installments and Club/District Community Impact Grant purposes.

Remember, LCIF is not just my foundation or your foundation—it's OUR foundation. It needs and deserves our continued support.

Looking forward to seeing you soon,
Lion Dave O'Brien

For those who prefer old-school methods, you can mail your checks to:

LCIF
Department 4547
Carol Stream, IL 60122-4547

Your ongoing support is what makes all these impactful endeavors possible. Join us in making the world a better place through kindness, health, and disaster relief.
Thank you for being a part of our incredible mission.

 Join us in supporting LCIF, an organization directing 100% of donations towards impactful grants and programs. Visit <https://www.lionsclubs.org/en/donate> to donate now to the "**Empowering Service Fund**" and be a crucial part of LCIF's compassionate service efforts. Your support is pivotal, and together, we can make a significant difference in the lives of those who need it most.

MELVIN JONES AWARDS:

As we near the end of the Lions year, many clubs think about recognizing club or community members with a Melvin Jones Fellowship (MJF). The Fellowship was created to recognize humanitarian services by individuals. Because of the broad scope of services which can be defined as humanitarian in nature, the recognition is not limited to Lions Club members.

Since this is a busy time of year for LCIF to issue requested recognition(s), I suggest that any requests your club may have be made soon. This is especially true of an initial recognition under the program since it involves the preparation of a plaque for the recipient. Progressive recognitions do not involve a plaque and therefore are somewhat quicker to be fulfilled by the staff at LCIF.

If your club wishes to request recognition and would like assistance with the procedure, please contact either PDG Marcel Plouffe or me for additional info or assistance. Thank you for all that you do for Lions Clubs and your community.
PCC Dave O'Brien

CHANGING THE WORLD – UNLEASH YOUR POTENTIAL

MA Lions District 33N EyeMobile

District 33N Lions Clubs we've got some exciting news for our community! If you're passionate about preserving vision and ensuring the early detection of hearing loss, *your club* can make a meaningful impact.

One fantastic way to achieve this is by sponsoring an EyeMobile Screening Event for our seniors. The best part? You don't need town-sponsored events or additional vendors. It's all about coming together as a community to promote better health.

During these screenings, we'll cover a range of important health aspects, including systemic hypertension, low vision, under-corrected refractive error, ocular hypertension, eye disease, and hearing loss. These screenings can take place in familiar locations like our senior center, library, or even in a religious establishment, making it convenient for everyone.

What's truly inspiring is that other clubs have already seen great success with this initiative. They've been able to enroll 15 to 20 clients over just a three to four-hour session. It's as simple as spreading the word and having some of our caring club members assist with equipment setup and testing.

If you're interested in scheduling one of these screenings or want more details, please reach out to **Dr. Michael Sandburg, our District 33N EyeMobile President**. Our team will be more than happy to help coordinate and guide you through the process.

Let's make a real difference in our community's health and well-being. Together, we can ensure that everyone has the opportunity to preserve their vision and detect hearing loss early on. Thank you for your support and dedication to our community's health.

Stay tuned for updates coming to our newly designed website:
https://e-district.org/sites/ma_lions_district_33n_eyemobile/

DISTRICT 33N

63rd Annual Mid-Winter Conference District Governor Banquet

*Joni Baptiste, District 33N CST,
was presented with a
Progressive Melvin Jones Fellow!*

Laurie Cantwell, Haverhill Lions Club,
and Loretta Ryan, Tewksbury Lions Club,
both received a Lions International
Certificate of Appreciation from
Dr. Patti Hill, International President.

Haverhill Lions Club and Townsend Lions Club
received plaques from
Massachusetts Lions Eye Research Fund's
John Reimer
for their contributions to MLERF.

Amesbury Lions, Methuen Lions and
Wakefield Lions Clubs received recognition
of their outstanding commitment to
Lions Clubs International Foundation (LCIF)
Campaign 100 Empowering Service.

📸 From heartwarming speeches to unforgettable moments, our community came together to celebrate leadership, service, and friendship. A special thank you to the entire Mid-Winter Committee spearheaded by Lion Marcel Plouffe and our Tewksbury Lions Host Club for putting together an outstanding conference.

🏌️🏆 Calling all golf enthusiasts and supporters of a noble cause! Join our Amesbury Lions Club's Annual Golf Tournament on May 10th! 🌟 They're thrilled to announce that this year, they'll be honoring Jo and Gene Hamel, the founders of Caiden's Crusaders Inc, with the prestigious "2024 Humanitarian of the Year" award. Their dedication to supporting children fighting cancer is truly inspiring, and a portion of the proceeds from this tournament will be donated to Caiden's Crusaders to further their mission.

This promises to be a fantastic day filled with golf, camaraderie, and the opportunity to make a difference in the lives of children battling cancer. For registration or participation information, please refer to their flyer. If you have any questions, reach out to Christina Johnson, Amesbury Lions Club President, at 978.609.7478 or christinajohnson68@gmail.com.
