

## 5M2 Lions

I know its hard to think about golfing, let alone being outside on grass, with Mother Nature holding onto winter as she has. Despite Mother Nature's spite we do have several clubs planning on golf tournaments. Since getting approval from 5M2 Board, a trophy has been up for grabs to all the clubs in 5M2. For a quick reminder here is how your club earns points:

1. 50 points for each member attending a 5M2 Club tournament.
2. If more than one 5M2 Lion Club participates in a 5M2 Club tournament there will be a tourney inside the tourney and a chance for more points.
  - a. Top Finishing 5M2 Club team will be awarded 50 points
  - b. Second best 5M2 Club team will be awarded 40 points
  - c. Third best 5M2 Club team will be awarded 35 points
  - d. Fourth best 5M2 Club will be awarded 25 points
3. If less than four 5M2 Clubs play then the only those spots will be awarded points. No points will be awarded if there is only one 5M2 Club in the tournament.
4. A qualifying 5M2 Club for the tourney inside tourney must have at least three members from a particular Club.
5. Any 5M2 Lions Club that hosting a tournament will be awarded 300 points and does not get additional points for members playing in their tournament.
6. Participation in Jungle Days will result in all points listed above being doubled.

5M2 Clubs that will be hosting a golf tournament are listed below with dates too. As I write this, I still have a few clubs that have not notified me of date and time of their tourney. Check the website for updates as I get them and the newsletters for their fliers.

- Hamburg Lions – 5/19 – Glencoe Country Club – 8 am shotgun start
- Victoria Lions – 8/27 – Deer Run – Noon shotgun start
- Chanhassen Lions – 7/16 – Island View – Noon shotgun start
