The Victoria Lions Club was chartered in 1966 and has a rich history of service to our community and humanitarian service. Today, about 95 members work together to serve our community in a multitude of ways.

Funds raised by the Victoria Lions have been used to purchase parkland in Victoria, build sporting fields and park shelters, and have supported youth recreation programs for many years.

The Lions have also supported individuals in need, food shelf programs, the Red Cross, eyeglass collections, Habitat for Humanity, disaster relief programs, various programs for the blind, Wounded Warriors and much more.

The Victoria Lions could not do all of the community enhancements and serve the humanitarian needs of the less fortunate if we didn't have the support of businesses and individuals in our area. We appreciate very much the support we have received over these many years for all of our fund raising efforts, and we hope that we have earned your trust and confidence in using these funds wisely and compassionately.

Your participation and contributions do make a difference in the lives of those we serve.

*To the Lions,
"We Serve"
is not only a motto, but a philosophy and our reason for being.*
