** Indicates organizations having a 501(c)3 status

To alleviate any potential problems with donations to a project with 501©(3) status from Gambling Accounts, please have checks written EXACTLY as shown above. If not completed in this manner, an audit by Minnesota Gambling Control at the club level may show discrepancies, needing additional time consuming explanations.

Project New Hope Lions Foundation of Minnesota** is not an official Parade of Green entity, although 5M2 supports it as an organization worthy of our donations.
