** Indicates organizations having a 501(c)3 status

To alleviate any potential problems with donations to a project with 501(c)3 status from Gambling Accounts, please have checks written EXACTLY as shown above. If not completed in this manner, an audit by Minnesota Gambling Control at the club level may show discrepancies, needing additional time consuming explanations.

Special Olympics Minnesota - Area 9** and True Friends** are not official Parade of Green entities, although 5M2 supports them as organizations worthy of our donations.
