LET THERE BE PEACE

The Mission Statement of Lions Clubs International is "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs." While we often focus on serving in our community and meeting humanitarian needs, perhaps December is a month that we should focus on the last half of our mission statement.

Our country has just held a very contentious election. Divisive statements have been made by both major party candidates, and demonstrations for and against each candidate got ugly and out of control. We hear of terrorist attacks and shootings almost daily. Various segments of our population have come to fear and blame other segments of our population. Our nation looks upon other nations and other religions with increased suspicion. It seems that peace and understanding are taking a back seat to hostility and mistrust in this dangerous world in which we live. How can we possibly encourage peace and promote international understanding in times like these?

I think we can best encourage peace and understanding by doing what we do as Lions. In "Touchstone Story #34" from the LCI Website, I learned that the first club in Manila, Philippines was established in 1949. Only three years later, that club sponsored the first club in Tokyo, Japan. All of this occurred after years of war and occupation of the Philippines by Japan in World War II. The two nations had been bitter enemies, but the spirit of Lionism was able to overcome that, and "build a bridge of friendship".

"Touchstone Story #41" tells how a Lions Youth Exchange Camp in Norway responded to the 2011 terrorist attack there that killed 69 youth camp attendees, supervisors and staff. The Lions of Norway seized the opportunity to help youth camp participants understand the tragedy and spread peace by encouraging camp participants to "Imagine Peace". Their goal is to help people understand, as an Imagine Peace camp participant said, that "we are different, maybe, but actually – we are all the same."

If the Lions of the Philippines can sponsor a club in Japan, and youth in Norway can imagine peace after a terrorist attack, certainly we Lions of 5M2 can encourage peace and understanding among the diverse populations we encounter in our cities and towns. Our Council Chair, Lion Todd Neuman, has challenged the District Governors of MD5M to conduct a project within our districts to encourage peace and understanding. I extend that challenge to you. Are there groups within your community who distrust, fear or blame other groups? Are segments of the population isolated and misunderstood? What could your club do to bring people together? How might your club encourage peace and promote understanding? I encourage you to think about the answers to those questions, and to summon the spirit of Lionism to "build bridges of friendship" and help people realize that "we are different, maybe, but actually – we are all the same."

MOVING FORWARD...AND LOOKING BACK

*Nancy Mathwig
1st Vice District Governor*

What a change a week makes in Minnesota! As I write this article we are having our first taste of winter weather, including snow, with some areas of the district receiving more than others. I was sure glad the Northern Pride Leadership Forum in Mahnomen

was the previous weekend. District 5M-2 was well represented at this first forum. The sessions were informative and as always, the networking was fantastic! The plan is to have another forum in two years. If you haven't been to a forum (either this one or the USA/Canada Leadership Forum), put the Northern Pride forum on your radar for 2018.

I was able to take in 5 of the offered sessions. The first was on Orientation. Lion Bob Jachorek has such an enthusiastic way of presenting the facts about Lions. He gave me several new and unique ideas to use when speaking to prospective, new and seasoned members. Orientation is not just for new members! Those of us who have been around awhile can benefit from it also. I have definitely learned that "things change", even in Lions. District Governor Steve and I had decided at the beginning of his year that we would like to see all clubs have a formal orientation program during either the 2016-2017 or 2017-2018 year. If you club has not yet schedule a program, contact PID Debra Wasserman or PDG Joan Blank.

Additional sessions I attended enlightened me on the traits of good leaders and how to find those leaders as well as how our clubs may need to change (that oh so difficult word for many of us!) in order to successfully work as a team with our younger members. So much food for thought thorough the day!

District 5M-2 continues to be busy completing Centennial Service projects for Engaging Our Youth. To date, 37 clubs have completed at least one project in this category. Engaging Our Youth includes our October/November projects for the Write Off and Peace Poster/Essay contests also. Several clubs have noted they are packing bags each week with nutritious breakfast and lunch items for elementary students who are eligible for free or reduced lunches. The bags are handed out on Fridays and ensure at least 2 nutritious breakfast and lunch meals over the weekend. What a wonderful way to serve both our youth and relieve the hunger!

Keep up the good work 5M-2! And secretaries, keep checking the Centennial Service area at the bottom when you record your activity.

Last month I talked about some of the training I received during my two days in Detroit Lakes in October, specifically putting together a Cabinet for next year, 2017-2018. I want to again encourage you, if you have given any thought to stepping outside your club and learning more about Lions, to contact me. With DG Steve's blessing, I have begun spreading the word at Zone meetings and in person and answering questions for those of you who have expressed some interest.

Again, to close, our history fact for December. The following clubs will be celebrating anniversaries during the month of December:

- Albert Lea Lions 76 years
- Albert Lea Cloverleaf Lions 43 years
- Lonsdale Lions 37 years
- NYA West Carver Lions 23 years

Congratulations to these four clubs - 179 years of service to their communities and the world!!!

Where there's a need, there's a Lion!

WHO ARE THESE DIGNITARIES?

5M 1st Vice District Governors (including 5M2 1st VDG Nancy Mathwig) at the US/Canada Forum with Dr. Naresh Aggarwal, of Batala, Punjab, India, the first vice president of Lions Clubs International.

BITS AND PIECES

*Diana Kroells
2nd Vice District Governor*

As I am sitting here in my computer room the "super moon" is shining gloriously in the window. I am amazed at the idea that during my lifetime the moon has never been this bright or so close to earth. I am also reminded of some other "firsts" that happened in November.

From what I am hearing, November 2016 may go down as the warmest November on record. First time that I have geraniums & pansies blooming like crazy this late in the year. It was a record turnout for a presidential election. It was also the first time in 108 years that the Cubs won the World Series. I think they just wanted to show Lions that Chicago will be a great place to be in 2017!!

Another "first" for November was the Northern Pride Lions Leadership Forum where nearly 300 Lions from Minnesota & Canada and some from Wisconsin joined together for a day filled with an opportunity to choose 6 seminars to help further our knowledge about Lions & leadership opportunities. The hardest part was choosing which 6 out of the possible 36 to attend. Fun topic such as "Young Punks & Old Geezers", "Singing & Laughing Your Way to a Better Club" "Fun with Tail twisting" & "Who's on First & What Does it Matter" along with sessions on "Recruiting New and Younger Members", "Chairing Committees", & "Signature Projects", just to name a few, gave everyone an opportunity to learn. All of that plus fellowship with MD5M Lions made for a great weekend. The next Forum is planned for 2018.

I hope this was not a first for some of you but for me it was- the first time I had trouble filing my 990N on line with the State of MN. They made some changes but once I figured out that I had to re-register and fumble my way through some unfamiliar screens I was elated when I received a "confirmation number" and I knew I had made it to the end. Hope all clubs secretaries or treasurers remembered to file.

I had a chance to attend 3 Zone meeting during November and I have to say I am always so impressed listening to the clubs talk about the various fund raising efforts and projects that they have done so far this year and as the holidays are approaching Lions just keep giving their time and energy helping others. Many clubs are selling Christmas trees, visiting the shut-ins & bringing gift baskets, donating to local food shelves, Christmas caroling, hosting Santa Day activities for the children, donating toys and assisting with wrapping, & serving community dinners. Lions are always looking for ways to serve others because it is what we do.

I would like to take this opportunity to wish all my fellow Lions family a very Blessed Christmas season with hopes that you all enjoy time spent with family & friends and I hope you will reach out to serve someone less fortunate than you during the holidays. Even the smallest act of kindness can mean so much. Merry Christmas to all.

*"You have not lived today
until you have done something for someone who
can never repay you." —John Bunyan*

Centennial Update

By DG Steve Wasserman, 5M2 Centennial Coordinator

Centennial Service Challenge:

As you can see above, we are now well past the overall goal of serving 100 Million people through the Centennial Service Challenge. You can also see that we have now surpassed the 25 Million goal in “Engaging Our Youth”, “Protecting the Environment” and “Relieving the Hunger”.

This year in District 5M2, 45 Clubs have reported on projects in at least one of the Centennial Service Challenge areas, serving a total of 36,400 people. 28 Clubs (43%) have reported projects in at least two areas of the challenge.

The **Chaska Lions**, **Victoria Lions**, and **Courtland Lions** have reported on projects in all four areas of the Centennial Service Challenge and have qualified for their “Four Diamond” Centennial Service Challenge Banner Patch for the 2016-2017 year. Ten other clubs have reported on projects in three areas. **Who will be next to earn their Four Diamond Patch????**

“Where There’s a Need, There’s a Lion!”

Centennial Community Legacy Projects

By DG Steve Wasserman, 5M2 Centennial Coordinator

Our International President Bob Corlew's goal is to have 20,000 clubs do Centennial Community Legacy Projects. Our District goal is to have 50% of clubs in the district report on Centennial Legacy Projects. So far, we have eight clubs who have reported Centennial Legacy Projects, and I have heard about quite a few more in the planning stages.

Level 1 Projects:

- The **Amboy Lions** spent 9 hours picking up debris in major road ditches.
- The **Ellendale Lions** held a picnic in the park on national Night Out.
- The **Glencoe Lions** purchased new handicap friendly picnic tables to be placed at the local community pool.
- The **Lake Crystal Lions** walked three miles of roadside picking up trash.
- The **Montgomery Lions** Donated money to fund the building of a shed at the horse shoe court at the city park in Montgomery for storage of all their equipment and tools.
- The **Norwood Young America West Carver Lions** purchased a bench to be installed in the Wilkomen park.
- The **Shakopee Lions** provided fishing equipment to youth participants in the OHEC Fishing Event.

Level 2 Projects:

- The **Hamburg Lions** raised funds so we could have the community hall painted. We presented to the city a certificate of cooperation appreciation, and a plaque put up in the hall.
- The **Norwood Young America West Carver Lions** purchased a Vision Screener for the assisted living/elderly care complex in town.
- The **Shakopee Lions** committed a significant amount of money towards the planned "Fun For All Park" improvements at Lions Park.

Now is the time to be planning your Legacy Project. Remember, it needs to be a **"Visible gift to your community that commemorates our Centennial and creates a lasting legacy of your service contribution"**. It is a great opportunity for some positive public relations, especially if you hold a dedication ceremony and invite the public. It also provides visibility for the presence of your club in the community when a Lions sign or plaque is included in the project. For more information and ideas, see the brochure and FAQ included in this newsletter, or look on the Lions International website.

Build Your Lion Legacy!

Connect with your community by planning a **Centennial Community Legacy Project** during our Centennial Celebration. Legacy Projects are visible gifts to your community that commemorate our Centennial and create a lasting legacy of your service contributions.

Plan Your Legacy Project

All Lions clubs around the world are encouraged to complete a Legacy Project by June 30, 2018. With three levels of participation, there's an opportunity for every club to get involved.

Promote Your Legacy Project

Your Legacy Project is an opportunity to showcase your project and club to the community. These tips can help you maximize this great PR opportunity:

- **Dedication Ceremony** – Host a dedication or ribbon-cutting ceremony and invite your community and media to attend.
- **Social Media** – Share your project on social media and ask your community to share photos at the site of your Legacy Project. Use the hashtag #Lions100 on all your Centennial posts.
- **Local Media** – Send out a press release or ask a reporter to help tell your story.

Report Your Legacy Project

Be sure to report your Legacy Project using the MyLCI Service Activity Report, under the *Community and Culture* activity type. Clubs can earn a special banner patch, and select projects will be featured on the LCI website, social media and LION Magazine.

Start Planning Your Legacy Project Today!

Choose from the project ideas below or create your own to address specific needs in your community.

1 level

Raise Your Community Visibility

- Post new Lions signs
- Donate a park bench
- Dedicate a statue

- Fund resources for the visually impaired
- Donate a vehicle to a community organization

3 level

Make a Community Impact

- Build a clinic
- Expand a library or school
- Develop a training center
- Equip an area hospital

All Legacy Projects should be identified with a sign or plaque indicating the project was donated by your Lions club.

The first bi-annual Northern Pride Forum, held in Mahnomon Nov. 11 & 12

was a rousing success. Nearly 200 Lions including at least 23 from 5M2 chose from a menu of 36 seminars, heard motivating remarks from PID Brian Sheehan and PID Robert Littlefield, renewed friendships, met Lions from all 12 Districts, and of course enjoyed good food and laughter. There was a casual mixer Friday evening where people mingled and nibbled. Saturday began with seminar choices at 9:00 and ended after dinner at about 7:30. This schedule allowed people to participate only on Saturday or at least drive home Saturday evening, if they chose. Here are a few of the topics presented during the 6 seminar slots.

NORTHERN PRIDE

No topic was repeated so choosing your session was a challenge, but a great one.

- Creative Recognition
- New Ways to Strengthen Your Club
- Fun with Tail Twisting
- After New Member Orientation, Then What?
- The Fun Way to Build a team.

I would strongly encourage any Lion interested in learning more about Lionism to attend the next Northern Pride Forum in 2018. See you there!

Viewing Forward

MN Lions Vision Foundation

In late October, some of us had the annual opportunity of attending Thanksgiving for Vision, a morning of information by Department of Ophthalmology staff and a luncheon with speakers telling their donor and recipient stories. Truly MLVF is thankful for our wonderful partnership with the University. Now we enter the Christmas season, a season of peace and hope for the future.

In this reference, I want to borrow a couple quotes from October's program. If we ever doubt the value of our Lions dollars, these quotes of corneal recipients definitely prove the importance of our giving:

- "It's a life-altering event. I see better than I ever have in my life. Period."
- "It's a humbling experience to know that so many people - the surgical team, the eye bank staff, Lions Club members - have

done so much for me to be able to see everyday. Most remarkable of all, of course, is the donor."

- "When the bandage was removed and I could see, it was a moment that can only be described as speechless joy - and of hope! In a sense, my life has been given back to me."

For over 50 years, Minnesota Lions have been a partner critical to the great reputation of the University's Department of Ophthalmology and we want to continue our legacy. MLVF has a wonderful site, www.mnlionsvisionfoundation.org, which you will want to visit. Lots of good info. You may even want to invite your Facebook friends to "like" our site.

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - dianakroells@embarqmail.com or mkspille@embarqmail.com.

“ UPDATE ON TRAIN” ALL ABOARD FOR THE 2017 LCI INTERNATIONAL CONVENTION

As you know we were trying to work something out with Amtrak as to having a train car for Lions to go to Chicago for the 2017 Convention.

As of this update we have filled the dedicated Lions Car on the train. However if anyone is still interested in riding the train you can go out on line to the Amtrak web at: www.amtrak.com/tickets-reservations and sign up. The train number we are taking is 8/28 leaving at 8:00AM on Thursday June, 29, 2017 and

we will be returning from Chicago on train 7, leaving at 2:15PM on Wednesday July 5, 2017. For some of you this may be a good opportunity for you to get on the train at a location more convenient to your home location. Unfortunately those that signed up to ride in the Lions Car must come to the St. Paul Amtrak Station to get onto the train as Amtrak was not willing to pick up a large group other than at one stop.

We hope that those of you that may have been thinking about the train will do so fairly soon as we think the train may fill up fairly quick as for other Lions to the West and North of us may see this as a viable and reasonable way to get to Chicago for our Lions Centennial Celebration.

If anyone has any questions please feel free to contact me.

Best Regards,
Lion Lynn Farley

By Mike Lunde, 5M1 Youth Exchange Co-Chair

SUBJECT: YOUTH EXCHANGE IMPORTANCE: HIGH

This is the time of year that Youth Exchange is looking for host families for July of 2017. Please consider hosting a foreign exchange student. I had planned on including a number of testimonials from host families about their experiences hosting. But after receiving the testimonial seen below from Sara Dohnalik I did not see the need for additional families to contribute. Sara pretty much sums it up for all of us who have hosted over the years.

“I have been struggling to come up with the words. It is so difficult to explain as it seems absolutely weird that after only spending 3 weeks with someone, they can become an important part of our family. This was the case with Maxime (as it was with Cindel and Meris). Maxime fit in with our family as if he had always been there. He quickly became our French son. And by the time he left, we had already committed that we would see him soon. This year gave us that opportunity. It was amazing. We picked up right where we left off. Further, we got to see his life and

expose Henry to a different culture (but with similar values) and spend time with his family and him. I can say that we went there to visit our French son but left with have a family in France. We are already talking about the next time we get to see them. As for Cindel and Meris, we have the same bond. We talk at least 2-3 times per month and are determining how we can see them again soon. If it wasn't for this opportunity that the Lions presented, we would have never made these connections and created these bonds.”

LITPC YOUTH SCHOLARSHIPS

I am happy to say that this past June, one of the 2 Youth Scholarship winners was from Minnesota!! She received a \$2,500 scholarship!! This was the 5th year that scholarships were given from the LITPC.

The most important aspect of the Youth Scholarship is to help a young person pursue his/her education and follow their dreams!!

The LITPC (Lions International Trading Pin Club) takes great pride in fulfilling the motto of Lions Clubs International "WE SERVE". During the SightFirst II Campaign, the Pin Traders contributed US \$144,000 to LCIF.

The Youth Scholarship Program is another example of the Pin Trader's slogan, "Lions First". The 5M Pin Traders Club along with 13 other Pin Trader Clubs from across the USA support the LITPC Scholarship Program.

Selection of a scholarship recipient is based on academic achievement, an essay stating the student's goals, a statement of reason(s) for applying and an overview of work, community and school service,

and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2017.

ALL graduating seniors who are the children/grandchildren of Lions, Lioness, or members of Leos Clubs are encouraged to participate in the Scholarship program. This does include students from Canada.

To apply for a LITPC Youth Scholarship:

1. Go to the LITPC Website address - www.litpc.org
2. Click on right column LITPC Scholarship information
3. Click on Scholarship Application Form
4. Complete Application Form
5. Submit completed Application Form along with all required information to the person listed below.

SPECIAL OLYMPICS POLAR PLUNGE 2017

Did you know there are hundreds of intellectually disabled athletes in the state of MN who hope to have the opportunity to "strive to do their best" by competing in sporting events held throughout the year? The training these athletes receive for Special Olympics not only teaches them about the sport of their choice, but also helps to develop lifelong fitness and recreational skills, helps promote positive peer relationships, leads to opportunity to practice academic skills and most importantly, builds confidence through success.

HOW CAN YOU HELP YOU ASK? Where there is a need, there is a Lion!! Lions have long helped with Special Olympics through financial donations and volunteering at events. One way to help financially is to participate in the POLAR PLUNGE taking place in February. Yes, I thought I was crazy last year to take the plunge, but found the

entire experience to be fun, well worth it and the 5M2 Lions bonded over the whole experience. I am "in" for 2017!

Last year the goal was for a team of 10 from 5M2 which happened! This year we are hoping for a team of 25. I have been asking DG Steve if he would like to join us, but I haven't received an official "yes" yet. Still working on that. We have not finalized the date, but our choices are February 4th in St. Peter or February 18th in Prior Lake. The date will be confirmed in December.

If you would like to join in the fun and festivities to help sponsor Minnesota's Special Olympians, please send me an email and I will send you more information. I promise it will be a memorable experience! Thanks!

LIONS KIDSIGHT UPDATE

It was great to tell everyone about 5M2's newest project Kid-Sight. It created a lot of interest from the clubs that needed to connect with their communities with a very worthwhile project.

I know I had stated the timeline was to be in the fall, but The Multiple District has hit a snag. We will be applying for a LCIF matching grant for \$100,000.00 in January.

This is contingent on our \$100,000.00 grant from the Lions Vision Foundation which is needed as the matching part of the LCIF grant. Part of the LCIF criteria is that the project can't be started before funds are sent. Which means we can't order our screeners just yet.

So, my fellow Lions, we are in a "limbo" state right now until January.

What I would like to do is have any club or clubs (co - sponsorships) that are interested in this project to contact me and we will get some of the ground work

done.

Our intention is to still have the Region chairs be the "holders" of the screeners and each club will have their own project chair.

We will train your project chair to operate the screener (it is pretty simple) for them to set up your own home town project.

We feel it is very important that your club take the lead in this project because it is for your community and your club should benefit greatly.

What I would like to do is have any club or clubs (co - sponsorships) that are interested in this project to contact me and we will get some of the ground work done to make this a timely process when the grants are available.

“ENVIRONMENTAL FEATURE” WILL APPEAR IN THE NEWSLETTER TO HELP CLUBS EXPAND IDEAS FOR POSSIBLE ENVIRONMENTALLY FOCUSED VOLUNTEER OPTIONS/AREAS OF FOCUS.

SNOW REMOVAL

With winter weather on its way for Minnesota one area of environmental involvement focuses on how we react to the environment and the option to volunteer to help remove snow for public areas.

1. **CONTACT YOUR CITY;** each local town/city is likely to have listed details related to need and expectation for shoveling on local websites, at local government offices, and on phone answering services
2. **CONTACT LOCAL ORGANIZATIONS WHO UTILIZE VOLUNTEERS ;** local chapters of Habitat for Humanity are always looking for volunteers to clean snow at their built properties (<http://hfh-mn-sso.huterra.com/affiliates>)
3. **REACH OUT TO LOCAL BUSINESSES/ CHURCHES/ SCHOOLS/ ETC:** clubs can also reach out to local churches, nursing homes, senior centers, etc to offer a helping hand when the weather hits

ADOPT-A-HYDRANT PROGRAM

Many cities offer the option to “Adopt a Hydrant” in their community. By committing to clearing off a specific fire hydrant within 24 hours of a snow fall volunteers are saving local fire fighters time in emergency situations. Specific towns have individual details regarding sign up, available hydrants, expectations (commonly expected a hydrant be cleared within 24 hours of a snow fall, clearing being 6ft around hydrant, being completed after roads are plowed and before snow ices over), with the additional benefit of some towns allowing volunteers to ‘name’ their hydrant!

MID-WINTER CONVENTION UPDATE

Our registration fee will begin to increase on December 15th. To get the biggest break please consider to register early.

Early bird registration is \$10.00 postmarked by December 15, 2016

Not so early registration Fee \$15.00 postmarked by January 31, 2016

After that date (January 31, 2017) registration fee is \$20.00

We want to be good hotel guests. By registering early, it gives the convention planning committee a better insight of attendance to communicate our numbers for meals during the event. This makes it easier on the hotel staff for planning numbers for meals.

We are also trying to sell out the hotel so that the "Tuxedo Band" can play later on Friday evening, please reserve your room at the City Center Hotel at 507-345-1234. Talk to your fellow Lions and make plans to attend the convention during this 100th year of celebration.
Brought to you by Zone 3 Productions

The committee has been busy planning a great and exciting convention.

On Saturday instead of wearing Lions gear, consider wearing clothing from your favorite band, concert you may have attended or your local high school band. It will be fun to see the variety of musicians and also the common favorites among the Lions of 5 M 2 supports.

Friday evening, reminders to get all your obituaries and photos to Eunice Rucks for the memorial service. We will first have a new opening ceremony prior to service of remembrance. Do not bring your club banners, we are unable to hang them. Bring your self and enjoy. After the service, the "Tuxedo Band" performs. Please come in your favorite genre or as dressed as a famous musician. There will be a contest, prizes for the winners. Let show our visiting dignitaries how 5M2 celebrates.

DG Steve has been busy with planning speakers that will enlighten and inspire us.

Saturday noon, we will celebrate our youth. Come all and see the future of Lion's in our youth. Peace poster winner, Peace poster essay winner, and Write off winners will be presented. We now have five Leo Clubs in our district. The Leo's will be active in the noon luncheon. We are also honored in 5M2 to have a "Leo of the year" distinction named by Lion's International. Please come and celebrate this great distinction for our district and the local Leo.

Zone three is awaiting to welcome you to the 5M2 Midwinter February 10, 11 and 12 in Mankato. Let's set new records for attendance in our Centennial year. Thank You.

WHERE: Shooting Star Convention Center in Mahnomen, MN

We are looking for Lions from your district to attend the 2017 MD5M Regional Lions Leadership Institute! Lions that are selected as participants in the Institute must be in good standing in a Lions Club and may not be a 1st Vice District Governor, District Governor, Past District Governor, International Director, or Past International Director.

The \$150 fee for the Leadership Institute includes the cost of materials, facility, staff, and three (3) meals. Room costs and additional meals are not included. However, a \$100 rebate from MD5M, through a grant from LCI, will be given to each participant that completes the program. Participants **MUST** be available to attend ALL sessions beginning on Thursday evening and ending Sunday afternoon.

Each district has the opportunity to send six (6) participants; however, if other districts do not meet their allotment, your district may send additional Lions. The Institute will have a maximum of 72 participants.

Applications are available from your District Governor or on the MD5M Website and are due (without fees) by December 1, 2016. Your District Governor will then make the final participant selection.

Institute graduates from your district will tell you that the Regional Lions Leadership Institute is beneficial for you in every facet of your life and not just in your role as a Lion.

If you have questions concerning the Institute, please feel free to contact: Lion Earl Orvik - ejorvik1@gmail.com

We look forward to giving YOU this UNBELIEVABLE OPPORTUNITY!!

LIONS' CLUBS NEWS AND ACTIVITIES

FOUNDER OF GIBBON AND LAFAYETTE LIONS CLUBS PASSES

Earl Wise, the founder of both the Gibbon and Lafayette Lions Clubs, passed away Thursday, October 27 at the age of 86 years.

Earl became a Lion on November 1, 1959 when he started the Gibbon Lions Club while working at the State Bank of Gibbon. After becoming president of Citizens Bank in Lafayette, Wise founded the Lafayette-Bernadotte Lions Club on March 27, 1979.

Wise served the Lafayette Club as first vice president 1979-1980, as president 1980-1981, and as treasurer 1984-1986 and again in 1991-1996. Earl received the Melvin Jones Fellowship from the Lafayette Lions in 1997.

Lions from both the Gibbon and Lafayette clubs attended Earl's funeral and were seated together at the front of the church.

JORDANESS LIONS

Each year in October, the Jordaness Lions offer a "Lions 101" for new and prospective club members. This fun event includes a social hour, entertainment, and an informational program. At the event, new and prospective members learn about the history of the Lions organization, about current Lions programs, and about local club fundraisers and service projects.

(Left) Lions Donna Will and Julie Beckius use a visual aid to accompany their presentation.

(Below) Members of the Jordaness Lions sing "Jordaness Girls," to the tune of Neil Sedaka's 1961 hit, "Calendar Girl."

In an effort to support literacy in Jordan, the Jordaness Lions partner with The Dictionary Project each year. This year, the club handed out 160 dictionaries to 3rd graders in three Jordan schools.

LAFAYETTE LIONS PRESENT DICTIONARIES TO LCS STUDENTS

The Lafayette Area Lions made a special presentation at Lafayette Charter School Wednesday, November 9. Five members of the club were on hand to present Webster's Dictionary for Students to 15 students. Most are third graders, with others being older students are new to the school who had not received dictionaries previously.

The presentation was made in conjunction with The Dictionary Project, a national program that traces its roots to 1992. Over 26.5 million children have received dictionaries because people and organizations have seen the need in their communities.

Fifteen Lafayette Charter School students received their own personal dictionaries through the sponsorship of the Lafayette Area Lions Club November 9. They are, front from left: Takoda Mathison, Caiden Rose, Rachel Lund, Dominick Marengo, Kami Sillivent, and Stevee Pena. Students in the second row: Kole Hotzel, Chandler Jones, Blake Clairmont, Kaidin Sillivent, Sian Hotzel, and Ciara Hotzel. Not Pictured: Will Lang, Samuel Natysin, and Grace Struck. Lions on hand to make the presentation were Ruth Klossner, Arden DeBoer, Marilyn DeBoer, Elmari Kamm, and Mark Dick.

FARIBAULT LIONS

The Faribault Lions Club has a full box (24) of blue dictionaries and 19 red dictionaries left after this fall's distribution. As these will not be current for next year's distribution, we would like to see them be used this year. If your club does the dictionary project and could use these books, or if your club does not do the project but would like to try it out, please contact Debra Wasserman (liondebra@charter.net). The cost of the dictionaries is \$2.50 per book.

COURTLAND LIONS HOLD HALLOWEEN PARTY AND PANCAKE, EGG, SAUSAGE BRUNCH

The Courtland Lions held its annual Halloween Party for Children on Saturday, October 29. 126 children enjoyed themselves for an afternoon.

Mr. Scarecrow (Lion Lowell Abbas) greeted each of the children and gave them a bag to collect their game prizes. Three volunteers and Lion friends, Janice Harmening, Jean Kahnke, and Sharon Johnson worked in the kitchen to be sure each person received a cookie, juice, and popcorn. The children had a number of games they could play for prizes. Pounding tees into pumpkins was a big hit! An Immanuel Lutheran 8th Grader waits to see what a child will pick for a tattoo. The Courtland Fire Department brought two of their trucks for both children and parents to explore. A photo area gave parents a chance to take a picture of their little witches and goblins. Finally, Lion Wally Sagmoen and Lion Duke Fiemeyer gave each child another bag of goodies that included a toothbrush and toothpaste (provided by New Ulm Dental) and a bottle of water.

Lion Mary Nicklay and Lion Sharon Retka, along with the Immanuel Lutheran 7th and 8th graders and their Principal Dan Erdman, did a wonderful job once again in creating a fun-filled Halloween Party!

The Courtland Lions held its fall Pancake, Egg, Sausage Brunch on Sunday, November 6. We had a good turnout, as the weather was perfect! Thanks to all who joined us. As you know, part of the proceeds will go to the New Ulm Food Shelf and part towards purchasing more flags for our main street.

WATERTOWN LIONS

The Watertown Lions Club donated 130 dictionaries to 3rd graders at the Watertown-Mayer Elementary School, Christ Community Lutheran School in Watertown, and Zion Lutheran School in Mayer. The former Mayer-Watertown DandyLions started this service project in 2008 and the Watertown Lions Club took it over this year. Thanks.

WATERTOWN LEOS

The Watertown Leos hosted their first Halloween Dance and Food Drive on October 23rd. We were able to donate 194 food items and \$122.29 in monetary donations to the Watertown Friends for Life Food Shelf in Watertown. We had Chopper World's Nuttiest DJ as the entertainer for the dance and the Leos also had Halloween

themed games with prizes for kids to play. It was a great event.
