## LEGACY LOG

*Lion Steve Wasserman  
District Governor*

### CELEBRATE OUR DIVERSITY!

Perhaps the greatest strength of our organization is its diversity. This diversity expresses itself at all levels of the organization from the International, to the District, to

the Zone and to the Club. "We Serve!" means different things to different people. I believe that is a good thing, and worth celebrating.

I was privileged to see our diversity in action on an International scale when Debra served on the Board of Directors. I learned that in some parts of the world, being a Lion is viewed as a sign of great importance in society. I learned of some individuals who have donated millions of dollars to LCIF. I learned about 100% Melvin Jones Clubs, where every member donates at least \$1000 to LCIF every year. They don't do fundraisers, they open their checkbooks to meet needs in their communities. Now, it may be easy for us to criticize them for not doing "real" service projects, but without them, would LCIF have been able to provide over \$1 billion in grants, since its founding in 1968, to meet humanitarian needs throughout the world? Many ways to look at it, but we all serve.

I have also been privileged to witness the great diversity among the Districts of the US and Canada both as a spouse of an International Director and as an attendee at many USA Canada Lions Leadership Forums. I have been to District Conventions that I thought were too short, too long, not enough fun, too much fun, too formal, and not formal enough. Some made me wonder "Why don't they do that like we do?", others made me wonder "Why don't we do it like that at our Midwinter?". At the USA Canada Forum, I have seen some districts where everyone wears the same shirt and others that don't bother. Some District Governor groups always have the same uniform like we do, while other groups pick a different color every year. Some Districts or Multiples own property such as a Lions Camp, others don't own the property, but support the projects. Many ways of doing things, but we all serve.

I never cease to be amazed by the diversity within our own District. Some clubs are only men, some only women, many both. Some meet in the morn-

ing, some at noon, others at night. We have clubs in rapidly growing exurbs and in small towns gradually losing population. Some clubs focus on district projects, some more on community needs. Some have gambling and donate a lot of money, others conduct fundraisers and donate what they can. Some focus on the needs of the elderly, others on our youth. I believe that our diversity is a great strength. We have much to learn from each other, and much to share at inter-club visits, zone meetings, region meetings, and midwinter conventions.

What about the diversity in your club? Even though you may be all male or all female, or all young or all older, or all anything, is there a "Diversity of Ideas"? That's what is most important. Are different opinions and ideas valued and nurtured in your club? Do you mentor new members to become new leaders? Do you sometimes have disagreements among your Board of Directors? I hope so, because it is only with such diversity of opinion that we will even see those "New Mountains to Climb", much less climb them. Not every new idea is a good one, but all good ideas were once new ones. Let's be glad that we don't all think alike, and "Celebrate Our Diversity"!

## MOVING FORWARD...AND LOOKING BACK

*Nancy Mathwig  
District Governor Elect*

Spring is on its way! Right? We have had a very unusual winter and I definitely have spring fever. Spring also means I, as District Governor Elect, have lots of deadlines for Lions that must be completed: Presidents training during Spring Officer

training, Zone chair training, 2017 goals to finalize for the district and enter online for LCI to approve, and finalizing my own goals for next year. Working with PID Debra, our Global Leadership Team chair, has been so beneficial. Her years of experience have helped keep me on track with deadlines and steps needing completion in order to put together training that will benefit you, the clubs, during 2017-2018. In addition to the DGE deadlines, I will be attending all the Zone meetings and will be available for whatever District Governor Steve may need of me during this final quarter of our 2016-2017 year.

Recently I completed the second round of District Governor Elect training along with attending a Council of Governors meeting. Both trainings as well as sitting at the Council of Governors table with DG Steve have assisted me in knowing what will be expected of me next year as your District Governor. I have heard numerous times "oh, you've been through this before with Darwin". Yes, I did travel the District Governor route before but as the spouse. In my case as spouse, I attended all the training required and assisted Darwin with specific items such as scheduling club visits and keeping track of the required expenses but filed the remaining responsibility information that Darwin handled. In addition, as I mentioned in my last article, Lions Club International (LCI) is ever changing and lots has changed in the past 8 years. Now it's my responsibility to absorb the information and I have learned so much during this past month that will benefit me as I move into the 2017-18 year.

During our training we were privileged to meet with and/or tour several of our multiple district project areas such as Can Do Canines, Diabetes, Hearing and Vision Foundations. If you have never had the opportunity to tour or listen to the speakers on any of these projects, consider doing it sooner rather than later. We, as Lions, should be so proud of the work we have done and will do through the Foundations and Can Do Canines. They are all doing amazing things, which is so evident when you see and hear first-hand what they do. Consider scheduling one of the Foundation directors or Can Do Canines chairs as a club speaker and learn about the many new hap-

penings in each area.

Finally, during DGE training we had a preview of things to come for LCI. During the International convention in Chicago, LCI will kick-off their new initiative areas - Diabetes, Environment, Hunger Relief, Pediatric Cancer and of course, Vision. Many of our clubs have already focused on these areas with our activities for the Diabetes Foundation or sending a child to Camp Needlepoint or Camp Sweet Life, ditch clean-up or city beautification projects, and working with Food for Kidz or Kids Against Hunger or your local food shelf. Vision will continue and all of us have been involved in that with our recycling of glasses as well as new opportunities with KidsSight. New for many of us will be Pediatric Cancer, one that has probably affected all of us in some way or form. Stay tuned as LCI releases more on their goals and plans for LCI Forward, a 5 year plan to impact 200 million people per year. Check the LCI website for the latest information on these exciting focus areas!

Last, our club milestone years of service for April -

The following clubs will be celebrating anniversaries during the month of April:

- o Hamburg Lions - 35 years
- o Mankato Key City Lions - 40 years
- o Northfield Leo Club - 15 years

Congratulations to these clubs for their combined 90 years of service to their communities and the world!!!

A quote I received during training -

*"Ask yourself if what you're doing today is getting you closer to where you want to be tomorrow."*

***Where there's a need, there's a Lion!***

*5M2 Leadership, DG Steve and DGE Nancy, hard at work at the recent Council of Governors' Meeting*

**BITS AND PIECES**

*Diana Kroells  
1st Vice District Governor Elect*

Spring is here and with that comes Zone Meetings. I like to not consider these as "meeting" but rather a gathering of friends (Lions) to share ideas and get to know each other a little better. Five of the nine Zones had their meetings in March- I hope that you had an opportunity to attend. It is a great way to meet new friends and to network with other Lions. There is always something new to learn at a Zone meeting.

Because I do not know yet who any of the recipients are as of this writing, congratulations to all those who have received "Zone Person of the Year" awards.

Speaking of learning, have you checked out the [www.LionsUniversity.org](http://www.LionsUniversity.org) website to see the large selection of courses that you can take to expand your knowledge about Lions. When completed you can earn a Bachelor, Master & Doctorate degree. Other great places to visit are [www.lionsclubs.org](http://www.lionsclubs.org), [www.lionsMD5M.org](http://www.lionsMD5M.org) & Lion's Learning Center which are all great places to take some courses & listen to webinars. All of the Foundations and most of the other projects have websites so just search to find one and read all about it. Cabinet Chairs are always willing to come to your club to tell you all about their projects. Allow them to share their information with you.

Let's not forget about the District Mentorship Program. It is an excellent way for a new Lions to learn more about the organization just by attending club

meetings, Zone meeting or any district event. An experienced Lion enters into an agreement with a new Lion to participate in this program. They work together to complete and documents their progress in participating in 6 activities listed in the brochure. It is a fun way for a new Lion to learn about Lions. Contact DG Steve for more information if interested.

If you have been reading my articles this year- you may have guessed that I love to do jig saw puzzles. I just finished another 1000 piece puzzle. I am always a little sad when I put that last piece in and can say it is complete. Putting puzzles together is a very relaxing hobby and it really gives me time to think. I like to compare the puzzles pieces to Lions. As I was doing the puzzle I was thinking how each piece is unique and very important to the completed project. It does not matter if you are an edge piece (a leadership role in Lions) or a middle piece (a club member who chooses to be active member but not an officer) both are equally important. As I was reflecting on each piece I thought about how it fits in only one place in the puzzle and that Lions are not like that at all. A Lion can fit comfortably in their club, helping at fundraising and community projects but also being involved at other levels such as the zone, district or multiple district. So a Lion can fit in more than one space. Whatever you choose to do, just remember that everyone is an important "piece" of Lions International and your club.

## PID BRIAN SHEEHAN RUNS FOR 3<sup>RD</sup> VICE PRESIDENT

Past International Director Brian Sheehan has announced his intention to run for the office of 3rd Vice President of Lions Clubs International. He will be seeking this office at the International Convention in Las Vegas in 2018.

PID Sheehan has the endorsement from his club, the Bird Island Lions, and would like to ask for the support of MD5M Lions, Lionesses, and Leos at the MD5M convention in April 2017. Our multiple district is one of the largest in the world and it is time that we give Lions Clubs International one of our own to lead this organization. It will take a lot of support, and we can help PID Sheehan, who has the heart and mind, to do a worthy job as our International President.

Brian E. Sheehan, from Bird Island, Minnesota, USA, served as a director of Lions Clubs International in 2011-13 and appointed as a Board Appointee in 2014-2015.

As a member of the Bird Island Lions Club since 1991, he has held many offices within the association, including club president, zone chair, Webmaster tech advisor, leadership chair, membership chair, retention chair, district convention chair, vice district governor, district governor, council chair, long range planning chair, membership chair, retention chair, women's initiative chair and multiple district convention chair. He also served as GMT liaison and as a presenter at numerous Lions events, including the USA/Canada Forum. On the International level he has served as Board Appointee to the USA/Canada Lions Leadership forum, Board Appointee to the Executive Committee and contributed to the Long Range Planning Committee of Lions Clubs International. He was Chairperson of the Finances and Headquarter Operations Committee and has served on the Constitution and By-Laws Committee. Brian was a trustee on LCIF while he was an appointee. Lion Brian has been a Group Leader at DGE training in Toronto, Fukuoka and the upcoming DGE School in Chicago. He has been a facilitator of the Advanced Lions Leadership Institute, Emerging Lions Leadership Institute and Regional Lions Leadership Institute. Currently he serves as GLT Area "D" Coordinator as well as the Sponsorship Chairperson for the USA/Canada Lions Leadership Forum.

In recognition of his service to the association, he has received numerous awards including Club Lion of the Year, the District 5M4 Diabetes Awareness Award, the MD5M Web Site Appreciation Award, the MD5M Al Jensen Leadership Award, the Founders Membership Growth Award, Cap Baker Award, numerous International President's Certificates of Appreciation, an International President's Leadership Award and five International President's Medals. He is a Progressive Melvin Jones Fellow, Second Century Ambassador, Melvin Jones Vanguard and has received the Ambassador of Good Will award which is the highest award given out by Lions Clubs International.

## SILENT AUCTION AT MD5M CONVENTION, BEMIDJI, MN

The silent auction committee from TEAM SHEEHAN is requesting your help to raise money for PID Lion Brian Sheehan in his campaign for 3rd International Vice President of LCI.

On April 21-23, 2017, during the MD5M Convention in Bemidji, the campaign committee will be holding a silent auction for the Lion Brian Campaign Fund. We need items for this fund raiser. Please consider donating an item by yourself or your club. Some ideas for a donation are a) theme baskets (movie night, chocolate lovers, flower gardener's treasure, etc.). b) handmade items such as walking sticks, quilts, etc. c) travel packages such as a weekend get-away donated by a resort, etc.

It would be helpful if you would contact Bert, Pamela, or Dave with the names of the donors and a description and approximate value of each donated item. This would help the committee prepare for the

silent auction before the convention.

Camp Confidence has been selected by the Multiple Convention committee to be the recipient of the raffles for the 2017 Multiple Convention, being held in Bemidji Minnesota on April 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup>.

We have put together a Raffle Ticket which will sell for \$10.00. The 1<sup>st</sup> prize will be \$750.00, 2<sup>nd</sup> prize \$500.00 and 3<sup>rd</sup> prize \$250.00. We will also have a silent auction, Red ticket raffle and Live auction.

We need some help in putting together the greatest raffle room ever. I am asking that your club put together a prize for the raffles. It should have a value of over \$50.00. We also will take donations of money to help write off the money we are giving away on the raffle ticket.

Give me a call when you have your prize package ready and I will make arrangements to get it to Bemidji.

Your personal name or Club name will be attached to the donation for recognition.

#### Eighth Annual Minnesota Lions Diabetes Research Update April 8, 2017

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Research Update to hear from University of Minnesota scientists, who are conducting leading edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Lions Diabetes Research Foundation, are making a direct impact in our community, state, and beyond.

During a reception, following the research presentations, guests will have the chance to interact with the scientists, learn more about their research, and ask questions.

In celebration of 100 years of humanitarian service, Lions Clubs International is working with the United States Mint to produce a limited-edition, exquisitely crafted silver dollar coin. Purchase your coin today from [Lions Club Supplies](#) or the [United States Mint](#).

**Purchase Today!**

[Club Supplies](#)

[U.S. Mint](#)

The coin features Lions founder Melvin Jones and the Lions Clubs logo on the front and a family of lions with a globe behind them on the reverse.

This commemorative coin is crafted to be rich in the symbolic history of Lions first century of service. Each coin is packaged in its own presentation case and is accompanied by a certificate of authenticity.

#### One Beautifully Engraved Coin—Many Noble Purposes

For a limited time only, you can order this historic Lions Centennial keepsake and support the life-changing work of Lions Clubs International Foundation (LCIF). For each coin sold, US\$10 is authorized to be paid to LCIF. This represents a US\$4 million opportunity to improve the lives of people in need through LCIF initiatives around the world.

These collectable coins make great gifts for family and friends and are the perfect way to show appreciation to your club members for outstanding service.

## Viewing Forward

MN Lions Vision Foundation

April is National Donate Life Month. Before being "eye-lightened", I wondered if there was a real need to be an eye donor. Who would need my aged and well-used (and maybe diseased) eyes? Well, here are some thoughts.

Many thousands of eyes are used each year for research and education. At the University, research scientists and educators use donations to research macular degeneration, diabetic retinopathy, glaucoma, and more. They work to develop medications, surgical techniques, and equipment. They practice and perfect eye surgeries. All of these things help patients to return to more active and productive lives. The services provided by the Lions Eye Bank and the University Research

Department are so many and varied. As a donor, each one of us provides that one last opportunity to live our motto "We Serve" - how great is this!

For information about eye donation, you might visit [www.MnLionsEyeBank.org](http://www.MnLionsEyeBank.org).

For over 50 years, Minnesota Lions have been a partner critical to the great reputation of the University's Department of Ophthalmology and we want to continue our legacy. MLVF has a wonderful site, [www.mnlionsvisionfoundation.org](http://www.mnlionsvisionfoundation.org), which you will want to visit. Lots of good info. You may even want to invite your Facebook friends to "like" our site.

Together, "WE SERVE" continues. Remember that Lions Diana and Mary are your Vision Foundation reps willing to visit your clubs - [dianakrolls@gmail.com](mailto:dianakrolls@gmail.com) or [maryspille@gmail.com](mailto:maryspille@gmail.com) (note new addresses).

### IT'S TIME! DO IT NOW!

It's time to assign just one Lions Club member to the job of checking your Lions signs posted in your town. I think we have put this job off long enough and in June, Lions Clubs International celebrates 100 years of service so

it's time to upgrade and make your club look good.

Think about it - if your club sign is worn, faded, cracked and old looking, how does that make your Lions Club look? I have traveled throughout our MD5M area and I have seen a lot of tired looking signs out there. "We upgraded" you say. Maybe, just maybe there is that one sign that you missed or forgot about and that is the one that stands out like a sore thumb.

It is so easy to make the sign look fresh and new. Just go to [LCI.org](http://LCI.org), Club Supplies & Distribution, Lions Store, Highway Signs Accessories, Sign Replacement Decals OR Highway Signs. For the Decals the cost is \$23.95-\$43.95 (depending on the size you are looking for). For a new sign the cost is \$54.05-\$181.35 (once again, depends on the size and kind you are looking for).

So now that you know how easy it is to get the replacement, let's get out there, find your club signs and order the size you need. It's as easy as 1-2-3-ROAR!

## Liberty Day

Liberty Day is used to raise awareness among students across the nation about the Declaration of Independence and the Constitution of the United States of America.

Liberty Day Program is a Lions-affiliated program in the United States with the objective of providing non-partisan information to students about our rights and responsibilities as defined by the Constitution of the United States. In District 5M2, Liberty Day is a part of our Youth Activities. Several clubs have promoted the Liberty Day program via assemblies with their school districts. Often clubs unite with other community organizations to prepare a program including flag presentation, speakers, music, and so forth.

Programs are tailored to the needs and grade levels of each community. Printed Constitutions/Amendments are given to all students. These booklets are available from the district chairpersons.

## **ARBOR DAY FRIDAY APRIL 28**

The first American Arbor Day originated in Nebraska City, NE by J. Sterling Morton, a recent pioneer to the Nebraska Territory and editor of one of Nebraska's newspapers. As a lover of nature, Morton used his platform at the newspaper to share agricultural information with his readers and ignited a concern over trees with the local public. Aside from missing trees that these pioneers loved, trees were necessary for windbreaks to keep soil in place, as fuel, and for building materials. As Morton's status in society grew he used his influence to propose a tree-planting holiday called "Arbor Day". On April 10, 1872 an estimated million trees were planted in Nebraska. Other states soon adopted Arbor Day and became a nationwide tradition in 1882. The celebration then became globalized when introduced to Japan in 1883. Traditionally Arbor Day occurs the last Friday in the month of April.

## **HOW TO GET INVOLVED**

When you, or your club, becomes a member of the Arbor Day Foundation (memberships starting as low as only \$10), you can get 10 free trees to plant in your local community OR can have 10 trees planted in national forests on your behalf! When selecting to have trees sent to you/your club to plant the Arbor Day Foundation looks into what type of tree is naturally occurring in your area and will give you approximately 10 species to select from. Giving levels for donation and tree gifting with the Arbor Day Foundation are \$10 (receive 10 free trees and a 6 month membership) or \$15 (10 free trees and a 1 year membership).

Also look to [ArborDay.org](http://ArborDay.org) for more ideas and details!

### CHILDREN BENEFIT FROM FREE VISION SCREENING

By Denise Bonsack,  
Publisher GFW Paper

The Vision Statement for Lions International says "To be the global leader in community and humanitarian service."

We are fortunate to have wonderful Lions Clubs in our area that do great work for our communities.

Recently, the Gibbon Lions participated in a brand new way to serve.

The group partnered with GFW ECFE to provide free vision screenings for young children. Four children were screened by Lions club members at GFW Elementary School on Monday, March 6.

The local Lions district, which encompasses more than 60 clubs in this part of the state, purchased three screening devices that will be used by all of the clubs in the district.

The screening itself takes just seconds, but it can detect vision issues that could create lifelong problems for children if they aren't treated early. Just some of the problems that this screening can detect include near-sightedness, far-sightedness, astigmatism, Stra-

bismus (Lazy Eye) and even cataracts.

All the child needs to do is look at the device while the screener holds it - much like a camera. With the old method, it was difficult to tell if young children understood the directions. With this device, there is less opportunity for faulty results.

More than 12 million school-age children in the United States have some form of vision problem, yet only one in three have received eye care services before age six.

Early screening leads to early detection, which helps ensure that children get the follow-up care they need. The Lions want to make sure that correctable vision problems don't stand in the way of children learning and seeing the world clearly.

Gibbon Lions club members Dick Isakson and Sue Buerkle assisted in the screening at GFW Elementary, with the help of New Auburn Lions member Laura Maki.

The screening event is part of a nationwide initiative called Lions KidSight USA, a coalition that brings together Lions programs that screen children from six months to six years of age. As part of this program, Lions screen more than 500,000 children per year.

## LIONS' CLUBS NEWS AND ACTIVITIES

### JORDANESS LIONS

Members of the Jordaness Lions club joined hundreds of walkers on March 4th for the Walk to Cure Juvenile Arthritis. The walk, which took place at the Mall of America, raised funds to fight Juvenile Arthritis, which is one of the nation's leading causes of disability. Among the walkers was Jordan High School student, Jack Friedges. Jack was diagnosed in 2014 with Juvenile Idiopathic Arthritis (JIA), and was selected as the 2017 Young Adult Honoree for Juvenile Arthritis. Jack set a goal to raise \$5,000 for the cause, and the Jordaness Lions were happy and honored to help Jack reach his goal.

### LAFAYETTE AREA LIONS

The Lafayette Area Lions welcomed two new members at their meeting Tuesday, March 14. They are Mark Haler, second from left, and Dale Bjorklund, second from right. Since this is Lions International's 100th year, each new member received a special Certificate of Centennial Membership and pin. Their sponsors, Lion Elmari Kamm, far left, and Lion Andrew Maidl, right, received Centennial Sponsorship Certificates. The additions bring Lafayette's membership to 43.
