## 5M2 VITAL SIGNS REPORT

*Lion Nancy Mathwig  
District Governor*

We recently met in Roseville for our third Council of Governors meeting. For those that are not familiar with the terminology and hierarchy of Lions, the Council of Governors (COG) are the twelve (12) Governors from all the districts that make up our Multiple District, MD5M. It's like a Board of Directors on the local level and the Cabinet on the District level. I was so proud of our district during that meeting. The Multiple Global Membership Team chair recognizes membership milestones for the previous quarter at the beginning of each COG meeting. For second quarter 2017-2018, District 5M2 was recognized for 1) New club chartered – thank you to PID Maynard, PDG Marv, PDG's Bill and Donna (5M8) and Lion Evelyn for their work to make this happen and to the Waconia Lions for sponsoring the new club. 2) Most new women members; 3) Highest new members and 4) Plus Net membership. Thank you to all of the clubs in 5M2 for helping to make the membership growth a reality. To date, we have added 125 members during 2017-2018; however, we have dropped 120. Club secretaries – please make sure you have entered all your new members into MyLCI. You still have time to Ask someone to join Lions and learn about the wonderful service we are providing!

At the March COG meeting, the council voted to add the new Lions Club International service program, "Pediatric/Childhood Cancer" as a Multiple District project. The upcoming District Governors (DGE Diana's group) will now be responsible for appointing a chair for this position on the Multiple level. Stay tuned for additional information as we move into this new service area for Lions.

Although we are heading into the final quarter of our 2017-2018 Lions year, we still have much to accomplish! Your club should be having elections of new officers for the 2018-2019 Lions year so your secretary can input the new officers into the correct tab in MyLCI. LCI would like this information by May 1st. The Vision and Hearing Foundations also have major fund raisers in the next quarter – Voices for Vision in April at the State Theater/Minneapolis and the DeFeet Hearing Walk in June at the Arboretum/Chanhassen.

## BITS AND PIECES

*Lion Diana Kroells  
District Governor Elect*

As I write this article, I am reflecting on the past few weeks and think "wow" - it was amazing and intense all at the same time. The last weekend in February I attended our Area 1 DGE training and learned all about writing goals- not just any goal- S.M.A.R.T. goals. What is a SMART goal- well it is specific- measurable-achievable-realistic- and time-bound. Sounds easy enough right?? I am thinking this would be easy except I am not just writing my goals I am your District's goals and everyone one of you will have to help me in achieve them. Watch for the goals in a future newsletter and decide how you will help the District achieve your goals. It was nice meeting DGE from many other states that joined us for the training.

The first week of March opened new training opportunities for the DGEs in the Multiple District. Before the training began, we were given the "royal treatment" by Can Do Canines, MN Diabetes Foundation, MN Lions Hearing Foundation & MN Vision Foundation and Lions Gift of Sight. Tours, presentations & gifts were all appreciated by the MD5M DGEs. In the training sessions we learned how to navigate the various websites for information, setting up "Go to meetings" and of course giving our speeches. We also chose our committees for next year when we become

Council of Governors and picked out our Council Chair. All of the hard work was rewarded with a "Friendship Banquet" sponsored by the DGs with a Las Vegas theme which was very fun-even Elvis showed up for a while.

I wish I could say after all of that training that I am ready to step into the position of DG on July 1 but I know I still have a lot to learn. More training will be done in Las Vegas prior to the convention.

Zone meetings are underway and I hope that if you are planning on attending your Zone meeting. It is a chance to meet and network with other Lions outside of your club. Zone Lion of the Year will be presented at each of the events.

Officer training will be held in Mankato on Saturday morning, May 5. I hope all club officers plan to attend- there is always something new to learn. Zone chair training will be held on a different date.

I look forward to seeing you in Winnipeg at the Multiple Convention. It sounds like the Canadians are going to show us a great time and have an informative convention planned with wonderful seminars & keynote speakers & our International 1st Vice President Gudrun will be there.

*Where there is a need there is a Lion*

**"We Serve"**

### VITAL SIGNS CONTINUED FROM PAGE 1

The Centennial Service Celebration will be held on Sunday, June 10th at the Anoka County Fairgrounds with fun, information and music all day long. Let's all get out and support these fun projects for such worthwhile causes.

And let's not forget the upcoming Multiple Convention in Winnipeg in April. Our International guest for the weekend will be International 1st Vice President, Lion Gudrun Yngvadottir from Iceland. Lion Gudrun will become our first ever, female President of LCI when she is inducted at the International Convention in Las Vegas in July. And of course, we will all be in Las Vegas, along with our Penguin gear, to show our support for, as well as vote for, our own PID Brian Sheehan, as he is elected International 3rd Vice President.

Wow! Lots to do in the next quarter! Have a great time working as a TEAM and enjoy the work you do for others!

Have a wonderful April and until next month...

## A NEW JOURNEY

*Lion Brian Thies*

*1st Vice District Governor Elect*

By the time you are reading this, I hope the snow has finally stopped and Spring has sprung. In spite of the snowstorms this past month, Rose and I had time to finally get out and attend some of our area Lions Sponsored Events. Thank you to the Lions that served us at the fish fries and breakfasts. The food

seems to taste better when it is made and served with laughter and friendship.

During the second week of March, we took in the Council of Governors meeting in Roseville and got to see discussion and decisions made that we will move our district forward. The current District Governors Elects elected District Governor Jack Breitreutz as their Council Chair. We were fortunate to have four very qualified candidates (including our very own District Governor Nancy) vying for this position. As a former PID stated all would make wonderful Council Chairs, the DGEs had to find the right person to fit their group of governors. Congratulations DG Jack and Lion Carol as you move forward on this adventure.

I am confident that your local Lions Club elections

went just as well and you too had many qualified candidates. Please watch for information and ATTEND the upcoming officer training. Even if you have been in your position for a long time, you can pick up something new or possibly share your knowledge with a newly elected officer.

If you need a last minute get away, there is still time to register for the MD5M convention in Winnipeg April 13-16. Our Canadian friends assure us we will have a grand time north of the border. We might even learn a few new definitions for words such as heel (a bottle of alcohol with less than two inches remaining). Let's have a good showing from District 5M2.

The call is out that we still need more people to attend the International Lions Convention in Las Vegas. It is necessary to show LCI that PID Brian Sheehan has our complete support and backing in his bid for 3rd International Vice President. Please join Rose and I and celebrate the 101st year of Lionism. If you attend the convention, you will be given a complimentary Sheehan campaign shirt to wear for the parade. I have been assured that we will not melt in the Vegas sun as the parade starts at 7:30 am and is only a half mile in length. Remember what happens in Vegas stays in Vegas so let's make some memories together.

Thanks for all the donations on the "Parade of Green," towards Project New Hope.

25 veterans and their families will be able to attend our retreats.

### UPCOMING RETREATS

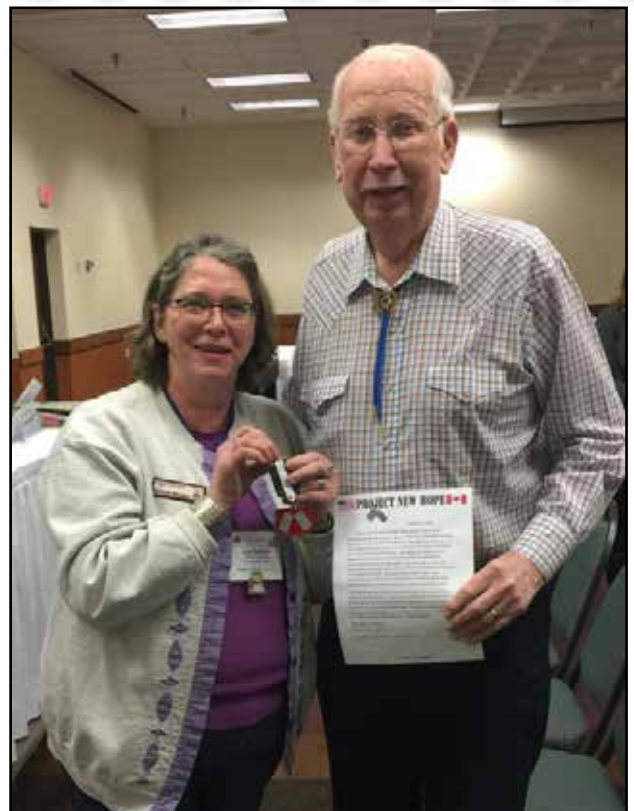

June 1 - 3, 2018 Audubon Center of the North Woods, Sandstone

Oct 6 - 8, 2018, Ironwood Springs, Stewartville

Nov 30 - Dec 2, 2018 Inspiration Point, Clitheral

### CONGRATULATIONS LION JACK WEBSTER !!

He received the "Above & Beyond" award for his organization of the bike ride towards the Project New Hope program.

## Centennial Update

By IPDG Steve Wasserman, 5M2 Centennial Coordinator

### Centennial Service Challenge:

We are still at thirteen clubs having reported on completing projects in all five areas of the Centennial Service Challenge: **Victoria Lions, Chanhassen, Cologne, Courtland, Ellendale, Glencoe, Lafayette & Area, Le Sueur, Mankato Sunrise, New Auburn, Northfield Cannon Valley, Norwood Young America West Carver, and Prior Lake.** Seventeen other clubs have now reported on projects in four areas of the challenge. **49 clubs (75%) have reported on projects in at least two areas, qualifying us for our fourth District Patch.** Congratulations Lions!

### Centennial Community Legacy Projects:

As a District, we have now reported on 25 Level 1 Projects, 17 Level 2 Projects and 5 Level 3 Projects. ***There's still time to have yours included!***

### Centennial Celebration:

Plans are progressing for the MD5M Centennial Celebration that will take place on Sunday, June 10, 2018 at the Anoka County Fairgrounds. The Planning Committee is now asking for donations from the clubs. See the two fliers from the committee that are included in this newsletter.

Remember:

***Where There's A Need, There's A Lion!***

## **MD5M Centennial Celebration.**

**Sunday June 10th 2018**

We will have over 20 different Activities

As you know it costs money to get the word out to the MD5M Lions, and the Public.

So the Steering committee is asking each Club to

Donate! \$100.00

To the committee, to defray cost.

**Make check to:**

**MD5M Centennial Committee**

**Mail to**

## ***Ninth Annual Minnesota Lions Diabetes Research Update*** **March 24, 2018**

Hosted by the University of Minnesota Foundation and Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Research Update to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn how these scientists, funded by the Lions Diabetes Research Foundation, are making a direct impact in our community, state, and beyond.

Following the research presentations, guests will have the chance to interact with the scientists one on one, learn more about their research, and ask questions.

### **Saturday, March 24, 2018**

11 a.m. Registration

11:30 a.m. Lunch and program

1 p.m. Meet and greet with scientists

### **McNamara Alumni Center**

University of Minnesota

200 Oak Street SE

Minneapolis, Minnesota

### **Faculty Research Presentations:**

- **David Bernlohr, Ph.D.**, Research on the role of calcium in insulin action that could lead to a new drug for treating type 2 diabetes
- **Brian Fife, Ph.D.**, How blocking the body's immune pathway could stop the immune attack on islet cells
- **Michael Garwood, Ph.D.**, Advances in viewing transplanted islets inside the body pre- and post-transplant
- **Bernhard Hering, M.D.**, Discoveries in pig islet research that could lead to a cure

### **RSVP by Wednesday, March 14:**

RSVP online at [www.rsvp.umn.edu/Lions2018](http://www.rsvp.umn.edu/Lions2018)

Please contact Brittany Christenson at [chri3187@umn.edu](mailto:chri3187@umn.edu) or 612-624-0893 with any questions.

*A confirmation letter, including parking information, will be sent prior to event.*

## **Walmart Wellness Days** **January 20, 2018**

Lions from the New Ulm,ergus Falls and Underwood Clubs were busy registering guests to get blood glucose and other health screenings at their local Walmart locations. For more on these stories, please go to our MN Lions Diabetes Facebook page!

If your club or district has any news and photos to share in the quarterly Diabetes Foundation Newsletter, please email info to Lion Amy Swenson at [amyswens@runestone.net](mailto:amyswens@runestone.net) I'd LOVE to get your service projects recognized!

Lion Deb Weston and Lion Joel Anderson being presented a collection of Lions Diabetes pins from Lions Bill and Marcia Guthrie. Lions Bill and Marcia are Coon Rapids Lions and very active members of LIPTC. The presentation took place at the District 5M7 Mid-Winter Convention on Jan. 20.

## Cub Foods Diabetes Alert Day Events

*Find out if you're at risk for Type 2 diabetes and connect with resources that can help.*

The Minnesota Lions Diabetes Foundation and local Lions Clubs will join Cub Foods to raise awareness about Type 2 diabetes. During Diabetes Alert Days, members of the public can find out if they have prediabetes or diabetes and connect with resources that can help. They will also receive free goodies and chances to win a Fitbit.

One in three Americans are on their way to developing Type 2 diabetes and most don't know it. Others already have it. Diabetes Alert Days are an opportunity for people to find out where they stand with diabetes and take steps to prevent Type 2 diabetes. People who lose a modest 5-7 percent of their weight can cut their chances of getting diabetes in half. For a 200 person, this amounts to only 10-14 pounds. People who already have diabetes can successfully manage their conditions and live long, healthy lives.

Cub Foods pharmacists will provide screenings, free blood glucose tests, free blood pressure tests, and information about their My Diabetes Coach Program, which includes four one-to-one consultations with a pharmacist, a one-time class and a grocery store tour. The program is free and available at participating Cub stores listed below.

The Minneapolis Health Department, Healthy Northland, YMCA, and the University of MN Extensions Services will also be partnering with this event to provide resources and provide healthy and delicious food samples!

### TWIN CITIES LOCATIONS

Saturday, March 17, 11 a.m.-3 p.m.  
Woodbury Cub Foods, 8432 Tamarack Village

Sunday, March 18, 11 a.m.-3 p.m.  
Midway Cub Foods, 1440 University Ave. W, St. Paul

Friday, March 23, 4 p.m. -8 p.m.  
Nicollet Ave. Cub Foods, 5937 Nicollet Ave., Mpls

Sunday, March 25, 11 a.m.-3 p.m.  
White Bear Lake Cub Foods, 1920 Burke Ave., White Bear Lake

Saturday, April 7, 11 a.m.-3 p.m.  
Broadway Cub Foods, 701 Broadway, Mpls.

### TWIN CITIES LOCATIONS cont'd

Saturday, April 7, 11 a.m.-3 p.m.  
Coon Rapids Cub Foods, 12900 Riverdale Drive

Sunday, April 8, 11 a.m.-3 p.m.  
Broadway Cub Foods, 701 Broadway, Mpls.

### DULUTH LOCATION

Sunday, March 25, 11 a.m.-3 p.m.  
Duluth Cub Foods, 615 W Central Entrance, Duluth

# MD5M Council of Governors

The Council of Governors meeting was held in Roseville on March 10, 2018. Political Liaison opened the session at 7:30 a.m. PID Lion Brian Sheehan stated that the Executive Officers from Lions Clubs International have endorsed PID Patty Hill from Edmonton, Alberta, Canada for Lions Clubs International 3<sup>rd</sup> Vice-President in Milan Italy in 2019. If you have registered to go to Las Vegas NV for the 101<sup>st</sup> International Lions Convention, PID Lion Brian & Lori have parade shirts for you that you may obtain before going to the convention. At convention you will receive hats/visors and rally towels for the parade. We currently have 240 registered. Our goal is 500 Lions from MD5M to attend. Brian's campaign is in need of auction items for the MD5M Convention in Winnipeg. Our parade band will be the Dassel-Cokato Band. It is costing them \$700 per youth with 90 members attending.

PCC Todd Neumann, MD5M GMT Chair, presented a report on Membership for the 2<sup>nd</sup> quarter- Highest Retention-5M13; Highest Net Membership Growth-5M2; Highest New Women Members- 5M2 +23; 2<sup>nd</sup> Quarter Membership Retention-5M1; Highest Membership Growth-5M1; New Club- 5M2. Districts finishing in a Plus Membership are 5M 7, 6, 4, 2, 1. MD5M needs to STOP THE DROP and retain members. Our Multiple is still the 2<sup>nd</sup> largest in the US.

Meeting was called to order by CC Dennis Heinen. Minutes were read and approved. It was requested that no eye glass recycling be sent to the Multiple Convention in Winnipeg as transporting them through customs is hard. Please turn in your eye glass collections at the Centennial Celebration in Anoka in June. It was requested that each District contribute \$250 to the Leo Conference to help defray the cost for those who would like to go to NY to attend the International Leo Conference.

It was requested by PDG Dave Moen, Minnesota Lions Vision Foundation (MLVF), to have permission to submit a LCIF grant request for the Vision Medical School because the classes have doubled in size and they need more space. They are already in 4-5 locations at the U of M. We now have the surgery area built but no equipment to go into that area so this would also be part of the grant.

The Centennial Celebration for Lions Clubs International by MD5M will be held on Sunday, June 10 from 8 a.m. to 10 p.m. at the Anoka County Fair Grounds, 3200 St Francis Blvd, Anoka MN. Events being held are: Record Setting Pancake Breakfast 8 a.m.-12 p.m.; Red Wagon Parade 1 p.m. Every club is asked to bring red wagons (like the radio flyer size need to be red) decorated in the 5 areas of service: Hearing, Vision, Environment, Diabetes, and Pediatric Cancer. To be in the parade it costs \$20.00 per wagon pulled by a club member. Clubs can participate in all 5 areas for the cost of \$100.00. \$5,000 in donations is needed to provide the food to pack food for Feed the Hungry. There will be KidSight screenings, food wagons, Bands, Special Olympics, Leos, tables for displays, puppet show, and maybe even a car show. Mark your calendars and spread the word to all your Lions members.

PDG Jim Mulroy went on a mission's trip to Nicaragua & El Salvador with the Wisconsin Lions to distribute recycled eye glasses. It costs \$1500.00 to take the trip but the experience is something every Lions should have. If we can get enough interest then WI & MD5M could partner on this experience.

Can Do Canines is holding their annual Wooferoo on Saturday Sept 29 at the Can Do Canines complex. They are looking for teams from every District to participate.

KidSight in MD5M has held 342 events, with 14,016 children, with 1,599 children referred.

Canada Eye Bank has collected 34,060 pairs of eye glasses in 3 areas of MD5M Canada. Dog Guides of Canada has graduated 96 dog teams and are holding a walk on May 27<sup>th</sup> at the Dog Guide location.

MN Lions Hearing Foundation walk is hosting their 7<sup>th</sup> Annual Defeat Walk at the Arboretum on Saturday June 2. The MN Lions Vision Foundation has collected 10.6 million pair of eye glasses since 1993. Voices for Vision on April 21 is a Fundraiser. Life Source has developed their own eye bank and has dropped working with Lions. Minnesota now has 2 eye bank systems in MN. Three hospitals in MN have gone with Life Source and also dropped Lions.

The official count for those attending the Chicago International Convention last year was 30,115. The Peach Bowl in Georgia was started by Lions and is still sponsored by Lions. This will continue in the future.

2018 MD5M website has the information for the convention being held in Winnipeg MB on April 13-15. So far there are 452 registered. April 1 is the cutoff date for registrations for meals at convention. We will be voting on destinations for future MD5M Conventions in Winnipeg. May 1-3, 2020 in Rochester; April 30-May 2, 2021 in Mankato; 2022 in St. Cloud with International President Brian Sheehan as guest.

USA/Canada Forum will be held in Columbus Ohio in September. See the MD5M website.

*~Submitted by Lion Cheri Appel, MD5M PR Chair*

Do you know a student (age 16-22) who's always wanted to travel?

Participating in the Lions International Youth Exchange program may be right for them.

They can apply now to go to hundreds of countries or many of the states in the USA, where ever there are Lions Clubs.

Exchange stays are 4 to 6 weeks with a large number including a week at a camp.

As a participant the student will:

- Live with a host family.
- Meet people their age from around the world at camp.
- Learn about the bonds we all share-and the differences we respect in each other no matter where we live.

Dead lines are fast approaching!!!

Look to the right for a short bio of some of the youth coming to Minnesota this summer in need of host families.

Lions Clubs International web site at lionsclubs.org can also answer many questions.

Also, A HUGE Thank You to all clubs who donated \$\$\$ on the parade of green. Your support is much appreciated.

### Lions International Youth Exchange—

### Lions International Youth Exchange--Don't miss this awesome opportunity!

Host Families Are Needed!

Would You Say **YES** This Year?

Share the hosting experience with another family if it fits your schedule better.

**Camp Spicer is a 501(c3) organization.**

We will be happy to send you a host family application AND full youth applications!

Share a little of the world with your family, town, and Lions Club.

Lions and non-Lions may host. No youth in your home...TAKE 2!

**CONTACT: LION JIM WALTERS - 952-239-2559; golfwithjim@gmail.com**

## “SELLING YOUR LIONS CLUB!”

“How can I get things into the local newspaper? They just don't print anything that I submit.”

This can be a problem. I would suggest you designate one person to represent your Lions Club for submitting information to the newspaper. You can even give this member an official title of “XXX Lions Club Public Relations Chair”. It does sound impressive, doesn't it? That Lion needs to head on down to your local newspaper and introduce themselves and find out who they are to submit articles to for your club. Find out what the newspaper will accept to print. Some daily newspapers have Community Happenings printed on one day a week. Be sure to get your contacts email address so when you send in your information in, you know someone is receiving it.

If you are from a very large metropolis, you will have more of a problem getting items into print since they are looking for national news to sell their newspapers. Does the area that your club is in have a local community newspaper or newsletter? I would use them first.

What are you submitting to the newspaper that they are ignoring you? Is it your own club awards to members? Newspapers will only print things that are news worthy and the public doesn't care about internal club awards although we love them (send those to your District Newsletter Editor). Submissions should be for things like Peace Poster presentations, donations to schools, other organizations, etc. Be choosy on what you submit for if the newspaper receives something from you every week, they may choose not to print it.

It is always good to purchase advertising when the need

merits it such as a Pancake Breakfast, Diabetes Walk, etc. Those ads can become costly but they are what keep the newspaper in business. A way that your club can get articles into the newspaper and not have to pay for it, is by submitting items as “Press Releases”. Send in that email with the subject line: PRESS RELEASE- “XXX Lion Club. Your first sentence in your email should address the person who is receiving the email such as- “Susan, Please publish the attached press release in your newspaper the week of XXX before our event happens. Thank you so much, Lion John Doe, XXX Lions Club, area code, phone number. Then add your press release which could read:

“Wine & Canvas for Diabetes”

The XXX Lions Club will be hosting a “Wine & Canvas for Diabetes” night on Wednesday, November XX, 2017 at 7 p.m. at the XXX Lions Hall in XXX. You will have the opportunity to paint one of two pictures and enjoy a free glass of wine while you paint. All supplies will be furnished. Be sure to bring your favorite wine glass with! The cost of this event is \$40.00. Please call Lion XXX at XXX to sign up for this event. There will also be a display on Diabetes with a short presentation. You need not paint to participate in the Diabetes display & presentation. Come join the fun and help cure Diabetes!

No matter what you send to your newspaper, make sure it is news worthy. Think outside the box- “If I was not a Lion, would I want to read this in the newspaper?”

~Lion Cheri Appel, MD5M Public Relations Chair

## Viewing Forward

### MN Lions Vision Foundation

History lessons of past columns are over. We have studied and know that 5M Lions are a life blood line to the U of M Department of Ophthalmology. We have been offered the opportunity to serve even more. We have taken a leap of faith. Our Council of Governors has endorsed proposal by our Lions Vision Foundation to be the largest donor to LIONS EYE INSTITUTE. We commit! We Serve!

Now the LEI campaign has begun. And this is why. As our population ages, there is growing national demand for vision care. Over 40,000 patients come to the University each year, many from around the world. The Department of Ophthalmology and Visual Neuroscience is a part of this. Serving patients is only a portion of their charge. As a teaching university, the department educates the next generation of physicians. They can only do this by advancing research and finding cures for sight preservation. All of this takes teamwork, great working environment, and funds.

Strength and success are stellar at the Department. The

MAC Center is a leader in developing strategies to slow advanced macular degeneration. Stem cell research for all sorts of cures advances forward continually. “Bionic eye” implants are done here. Research for the management of glaucoma is also a top priority.

It is so great to be associated with our University. Of course, they are asking for money. But that is because we are committed and have shown so. Topic of financial plan for next month – to be continued. Repeating over and over that our goal is to contribute to vision care. We want to continue our legacy. MLVF has a wonderful site, [www.mnlionsvisionfoundation.org](http://www.mnlionsvisionfoundation.org), to visit. Lots of good info. You may even want to invite your Facebook friends to “like” our site.

Parade of Green update. Including donations that came in shortly after Midwinter, our total now stands over \$20,000. You are very much appreciated. THANK YOU!

As spring arrives and new officers are elected, you may be planning your cabinet visits for next year. Please, please give us a shout. Together, “WE SERVE” continues. Remember that Lions Diana and Mary are your Vision Foundation directors – [dianakroells@gmail.com](mailto:dianakroells@gmail.com) or [maryspille@gmail.com](mailto:maryspille@gmail.com).

## NEWSLETTER

### 2018 Mid-Winter Convention Report

By Lions Charlette & Lowell Abbas

The 2018 Mid-Winter Convention is over and Lion Lowell, Lion Lucy, and I are pleased with the way the Convention ran so smoothly. The volunteers from Zone 4 were amazing; they went above and beyond in being sure things were done in a timely fashion.

The material that was used to cover the L.I.O.N.S. letters were repurposed. Lions Elaine Malheim and Mary Nelson from Winthrop created 125 eye glass cases (and purchased enough material to make 75 more for a total of 200 cases) for the Vision Honduras. Lion Orville Trenton of Stewart gave Mary and Elaine information regarding the eye glass cases. The strips of material were just the right size to make the cases.

The sale of the wine bottles covered the cost of the lights and the printing. Thanks to all who purchased a memento.

Lion Lowell and I want to thank not only those from Zone 4 who volunteered their time and talents, but also Lions Sarah Gruenhagen and Darlene Mondor from Zone 5, and DGE Diana Kroells for helping with the Parade of Green banner and filling the gift bags. We know they will do a fantastic job for the 2019 Mid-Winter Convention. We are sure they have already started! We wish them the very best and are always available to answer any questions they may have.

And finally, we want to thank DG Nancy for giving us this opportunity to serve the Lions in this capacity. Challenges like this keep the mind continually working.

It has indeed been a **“DOGGONE GOOD START OF ANOTHER CENTURY OF LIONISM!”**

## UPCOMING ZONE MEETINGS

Zone 2 - Hosted by the Chanhassen Lions  
Date: Thursday, March 29, 2018; 5:30 p.m.  
Location: American Legion  
290 Lake Dr. E., Chanhassen

Location: Waterville Event Center  
120 Main Street, Waterville

Zone 9 - Hosted by the Alden Lions  
Date: Monday, April 9, 2018; 6:00 p.m.  
Location: Alden American Legion, Alden, MN

# 5M2 MID-WINTER CONVENTION...OH THE FUN WE HAD...

...A DOG GONE GOOD TIME!

## HEARING FOUNDATION NEWS

It's time to start planning your personal and club involvement in the 7th Annual D-Feet

Hearing Loss Walk at the U of M Landscape Arboretum on June 2, 2018. The day starts at 9:30 am. All club secretaries should have received a letter asking for a club donation and walkers information (t-shirt size and name). You can preregister to make your check in go faster. Your registration gives you free admission to the Arboretum, light lunch (hot dogs, root beer float and more), free t shirt. Children 12 and under are free. Many children's activities, (Teddy Bear Band, Mascots, games, crafts, prizes). Form a club team and compete with other club teams for the walk. A big plus is meeting Lions from all of Minnesota.

A bit of information about the Landscape Arboretum. The Arboretum is celebrating 60 years this year. 60 years is the Diamond Celebration and the Arboretum theme is diamond colored blooms and accents, (blue silvery white, lavender, violet & pink). The special exhibit this year is "Origami in the Garden". You may stroll by 25 displays of metal origami sculptures. Origami means "folding paper" in Japanese. These are all out doors, but there is more origami exhibits

inside the main building.

For your \$25 donation you get all the above plus helping to fund the areas the Hearing Foundation supports and also helps a child to hear thru hearing check and aids.

We want to invite Lions, families and friends from 5M2 to come and enjoy the day. The Arboretum is so close to you and it is a good opportunity to explore the Arb as well as support the D-Feet Walk. Your \$25 donation gets you free entry to the Arboretum, (children 12 and under are free), event tee shirt, free lunch & root beer floats, Teddy Bear Band, children's games with prizes. Fun for all ages. Plus you get to enjoy the Arboretum grounds and all the flowers, etc. Arboretum will be 60 years old this year so there will be special displays.

This is the Hearing Foundation's biggest fund raiser. Your donation will fund all the areas that the Hearing Foundation supports.

Remember, 5M2 has had the most attendees at this event. So let's keep this honor going and come and enjoy.

You can contact PDG Marvin Grimm or Lion Jeff Williams for a club visit.

## Event Details:

- **Date: June 2, 2018**
- **Time: 9:30 a.m.**
- **Place: Landscape Arboretum  
Chaska, MN**

**MARK  
YOUR  
CALENDARS!**  
**June 2, 2018**

## FEATURING:

**TEDDY BEAR  
BAND**

**Kids 12  
& Under  
Free!**

With your \$25.00 registration/donation you receive:

- ♦ Free entrance to Landscape Arboretum for the day
- ♦ Free event t-shirt
- ♦ Free Lunch (including root-beer floats)
- ♦ Dance to the Teddy Bear Band
- ♦ Lots of children's activities, games & prizes
- ♦ Fun for families of all ages
- ♦ A chance to change a child's life through your \$25.00 registration/donation

**Bring the whole family for a day of fun for all ages!!!!**

Visit us for more info at: [www.5mhf.org](http://www.5mhf.org)

## LIONS' CLUBS NEWS AND ACTIVITIES

### LAFAYETTE LIONS PRESENT DREAM CATCHER AWARD

Lafayette Lions President Joe Maidl made a surprise announcements at the club's pancake and waffle breakfast Sunday, March 11. When the line was short, Maidl summoned all the Lions present to gather around club member Bob Wise. Maidl then presented a Lions Dream Catcher award to Wise, recognizing his work in the fight against diabetes. The Dream Catcher is a sign of hope that a cure for diabetes will be found.

Wise and his family members – wife Jill and children Michael, Randi and Matt – have been actively involved in fundraising efforts for diabetes research. Michael, the only Wise child who does not have diabetes, inspired the family to form a team, The Joe Walkers – named after Jill's brother Joe who passed away at age 39 from complications of diabetes – to walk in the annual ADA diabetes walk in Mankato. From there, the family worked to start a walk in New Ulm. With the help of the Lafayette and New Ulm Lions Clubs, a New Ulm walk has been held the last three years. Proceeds of that walk are donated to the Minnesota Lions Diabetes Foundation, to be used by University of Minnesota doctors in their work to find a cure for diabetes.

*Lafayette Lions "abandoned" their work positions at the pancake and waffle breakfast for a few minutes Sunday morning to recognize club member Bob Wise who received a Lions Dream Catcher Award.*

*Lafayette Lions President Joe Maidl, right, presented a Lions Dream Catcher award to Bob Wise. Wise was recognized for his work in the fight against diabetes.*

### LAFAYETTE LIONS FOCUS ON VISION RESOURCE FAIR

The Lafayette Area Lions and Fields of Grace Churches at Lafayette will co-sponsor a Focus on Vision Impairment and Blindness Info & Resource Fair, Wednesday, April 25. The 1:00 to 4:00 p.m. gathering at First Lutheran Church in Lafayette will include a panel discussion as well as displays of available resources for those experiencing vision issues.

Charlene Guggisberg, a staff member at Minnesota State Services for the Blind, will be the main presenter. She is a Lafayette native and daughter of Lafayette Lion Wally Guggisberg.

Additional Services for the Blind staffers will be on hand to share resources about daily living skills, assistive equipment, mobility options, and support services.

People who have vision impairment issues – as well as those who work with or employ them – will find information of use at this free event.

Topics will include – but aren't limited to – low vision causes, options, and assistive devices; vision changes as a person ages; protecting eyes at work and home; finding the right magnification devices; choosing the right lighting for better sight; information for employers who want to make accommodations for those with vision problems; and services available through the Lions.

Coffee and refreshments will be served.

For more information, contact Bonnie Dinsmore at 507-276-8120 or email Lion Heidi Hagstrom at [heidijohagstrom@gmail.com](mailto:heidijohagstrom@gmail.com).

## CAN DO CANINE SPEAKER AT LAFAYETTE LIONS

Kelli Heimerl of Chaska told a powerful story when she and her service dog, Justeen, visited the Lafayette Area Lions Club Tuesday, March 13. Members and visitors alike were moved by Heimerl's story of living with Parkinson's Disease—but having her life made easier by the dog she received through the Lions' supported Can Do Canine program.

Since Kelli can't bend down to pick up dropped items, Justeen has been trained to pick up things as small as a dime, then give them to her. Justeen can also drag Kelli's laundry basket to where she needs it and do many other tasks. For Kelli, having Justeen has been a lifesaver.

Since 1989, Can Do Canines of New Hope, Minnesota has placed more than 660 dogs to enhance the quality of life for people with disabilities. Mutually beneficial partnerships with specially trained dogs are created after the dogs are trained. Can Do Canines provides assistance dogs, free of charge, to people with disabilities. The fully trained dogs—often adopted from local animal shelters and trained by prisoners in five prisons in Minnesota and Wisconsin—are provided to clients with mobility challenges, hearing loss or

deafness, seizure disorders, diabetes complicated by hypoglycemia unawareness, and children with autism.

Lion Andrea Oldenburg of Belle Plaine, representing Can Do Canines, shared two short videos on the program. One explained the numbers—in terms of time, people, etc., required to train the dogs—the other how a dog can retrieve a pouch of juice for a person needing it—from two blocks away, upstairs, down a hall, and through a door. The dogs are truly well trained.

Visitors from Winthrop, Fairfax, and Brownton joined the Lafayette Lions for the program.

In connection with the presentation, Oldenburg presented four "Top Dog Awards" to Lafayette Lions who have gone above and beyond in providing service to the club and community. Recipients were Scott Portner, Neal Hoffmann, Sally Webster, and Ruth Klossner. All are very involved leaders—Portner heads the club's breakfasts, Hoffmann heads the club's project committee, Webster is club treasurer, and Klossner is club secretary.

The Lafayette Lions and guests gathered around Kelli Heimerl, her dog Justeen, and Andrea Oldenburg following the presentation at the March 13 meeting.

Four Lafayette Lions received Can Do Canine Top Dog Awards for their work in the club and community. They are, from left: Ruth Klossner, Carol Hoffmann (for husband Neal), Sally Webster, and Scott Portner.

(Left) Service dog Justeen listened intently as Kelli Heimerl told how Justeen has been a lifesaver. Justeen can pick up objects as small as a dime and can also pull heavy items that Kelli needs to move.

(Right) Members and visitors listened as Kelli Heimerl, left, and Andrea Oldenburg, right, talked about the Can Do Canine program, how dogs are trained, and how Lions clubs support the program.

## CHANHASSEN LIONS

(Left) Lion Glenn Kaufmann receiving a Melvin Jones Fellowship award from Lion Dave Hess. Lion Glenn is the current Zone 2 Chair.

(Below) Check presentation to Can do Canines from Pres Mark Page (left) and past Pres Kevin O'Neill.

## JORDANESS LIONS

The Jordanness Lions held their annual Fish Fry and served nearly 300.
