LIONS & SERVICE: A PERFECT FIT

*Lion Diana Kroells
District Governor*

As I write this article I cannot help but think how fast these past 9 months have gone by. As we enter the final quarter of the 2018-2019 Lions year I know that I have a lot to do yet before my year is over. I have 16 club visits, Journey For Service, 5 Zone Meetings, Feed My Starving Children, Multiple Convention, Cabinet Meeting, & DeFeet Hearing Walk. In addition it these events, we will try to squeeze in as many Pancake Breakfasts as possible.

I reviewed my S.M.A.R.T. Goals that I set prior to becoming DG. I have accomplished many of the goals but have many to go. Thank you to the Lions who attended the Northern Pride Forum and the USA/Canada Forum to help me reach those goals, Thank you to all Zone chairs for attending the training- another goal reached. We are sending more than our quota of Lions to Regional Leadership Institute- thank you Lions- goal reached. My goal of reaching 31% women in our Lions Clubs in our District is so close- right now at 30.17. Come on- we can do it- more women in Lions!!!

With your help I can reach my membership goals. Our District has been getting lots of new members I am happy to report 123 new Lions in 5M2 but unfortunately we have lost more than we have gained so far .We have dropped 156 members- 29 of those are deaths. If every club could add just 1 new member before July 1, I will almost reach my goal we would also have a plus membership in our District by June 30. Secretaries- be sure to enter your new members into LCI promptly. Please do not let 5M2 close the year with the most losses in the Multiple. Let's keep our current members and add some new Lions!! It was great to receive recognition at the Council of Governors meeting in March for our district getting in new club in 2nd quarter. Thank you PID Maynard, PDGs Bill & Donna Landwehr and the Guiding Lions- Kevin Blank and Denny Hewitt.

Thank you and congratulations to the 8 Lions of 5M2 who attended the Regional Lions Leadership Institute at the end of March- Lion Don Wickenhauser

& Lion Jon Henschen (Cologne Lions), Lion Gerald Ziskowsky (Prior Lake Lions), Lion Dennis Hewitt (Nicollet Lions), Lion Dave Sebesta & Lion Bobbie Paulson (Hutchinson Lions) Lion Chuck Toltzman (Winthrop Lions) and 2nd VDGE Lion Glenn Kaufmann (Chanhassen Lions).

I hope to see many of your at the Multiple District Convention in Mahnomen at the end of the month. Be sure to see the information elsewhere in this newsletter for convention registration & motel reservations. PDG Mary Spille will be honored as a Hall of Fame winner at the Saturday Luncheon.

Lions, do not forget to hold your club elections in April. You will need to get the new officer information into LCI by May 1.

WANTED: Lions for the April 15th district wide food packing at Feed My Starving Children in Chanhasen. We need to fill 240 slots and at the time of this writing we only have 84 filled.

SPRING HAS ARRIVED...

*Lion Brian Thies
District Governor Elect*

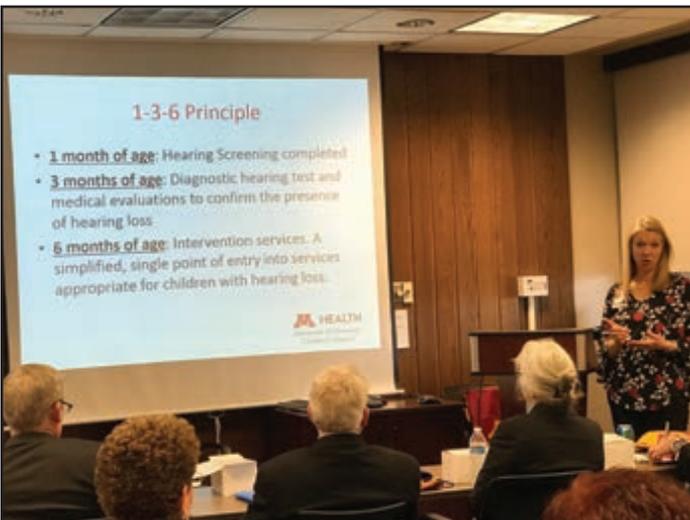

As I write this newsletter, hopefully Spring has finally arrived. HOPEFULLY TO STAY TOO! With the warmer weather comes flooding and other issues. Please continue to keep those dealing with flooding in your prayers. I have seen first hand the devastation in Nebraska and

Iowa and it is heart wrenching. LCIF will be there with devastation grants and the Lions in those areas will be the first on hand and the last to leave. Now would be a great time to skip that dinner out and send those extra funds to LCIF earmarked for disaster relief.

March was an exciting time for Lion Rose and I. We attended our last (finally) District Governor Elect Training. Yea! Included with that training were tours of Can Do Canines, the Hearing Foundation, Lions Gift of Sight and Diabetes Foundation at the University of Minnesota. It is

awe inspiring to see what we can accomplish with our gifts and gifts of other Lions throughout the Multiple. Did you know that they can transplant human eyelets for the treatment of diabetes? That is just one thing we found out. More to come..

1-3-6 Principle

- **1 month of age:** Hearing Screening completed
- **3 months of age:** Diagnostic hearing test and medical evaluations to confirm the presence of hearing loss.
- **6 months of age:** Intervention services. A simplified, single point of entry into services appropriate for children with hearing loss.

We have filled our Council of Governors' Committees and elected DG Rob Rand from 5M5 as Council Chair for next year. To wrap up our training we were guests of DG Diana and Lion Duane and their fellow Council of Governors and Partners for their Friendship Banquet. We were treated with a strolling violinist, everyone dressed in costumes of the Roaring 20's as well as a Caricaturist. It was just AWESOME. Thank you DG Diana and Lion Duane and all the DG's and Partners.

Zone meetings and club elections are underway. Thank you to all who are stepping up to the plate and becoming club leaders. We are going to have a fun year.

Mark your calendars. Officer Training will be May 18th in Mankato. Please plan to attend as there will be a lot of new information on changes coming July 1st. Don't be the one saying, I didn't know that. Attend the training and be prepared.

Thank you to those that stepped up and will be attending RLLI on the 29th of this month. You will have an exciting time developing your abilities and making many new Lions friends along the way.

The Multiple Convention is in Mahnomen April 26-28. You still have time to sign up and be a part of it. This is a good opportunity for those that haven't been to go and see what we will be hosting in 2021.

Thank you for all you do!

GET YOUR LION ON!

1st Vice District Governor Elect*

collaboration

The act of working together with other people or organizations to create or achieve something:

Cambridge Business English Dictionary

As Lions we do this constantly to make our club function. Whether it be by working together to plan a fundraiser, service project or in general to keep the club working in a healthy manner. Lion Don (Monkey) and I were fortunate to be able to COLLABORATE with the Mayer Area Lions to mentor them with their first BINGO. Mayer is a fairly new club in our District, and they didn't have the membership or the experience to take on this endeavor. It was fun to see them grow as a TEAM and work through the problems that they encountered. Was it all smooth

sailing...Of course not- But the end result was worth it. They raised \$375 dollars and 532 lbs. of food through the generous donations of the community for the Watertown Food Shelf. They had an unbelievable turn out, the weather was perfect. It was a Fantastic event for their community.

Mayer Area Lions had to take it a step further with the COLLABORATION. To pull off this event it took Lions from Hamburg, Waconia, Green Isle, Carver and Cologne. The Cologne Leos made \$411.00 for Flood Victims! Even they got in on the action. As Lions, Lioness and Leos it is up to us to COLLABORATE with other organizations or clubs in our Districts. We gain new insights, new friendships and most of all we have FUN! It's okay to rub elbows with other clubs and organizations-I highly encourage it! It's the COLLABORATING that is the fun part.

Please see the article in this newsletter to help you get registered. If you do not know how to register on line- let me know and I will get you registered. It is a great service project and you will even have fun working with fellow Lions from all over the district. It is not limited to Lions though - Invite friends, neighbors, & relatives to join in also.

As I close- let me remind you that you are all so very

important "pieces" to your club and the District. We miss you when you are not able to be with us at the club meetings or events.

*No act of kindness, no matter how small,
is ever wasted.*

Council Chair and Sitting Governors for March 8, 2019 Friendship Banquet

Global Leadership Team
PDG Lion Nancy Mathwig

Come one, Come all to the 2019 Spring Officer Training, Saturday, May 18, 2019 at Bethany College in Mankato. Registration begins at 8:30 a.m. with the general session beginning at 9:00 a.m. SHARP!

Even if you have been an officer (or club member) for many years and feel you have all the knowledge you need for your club position, this is the year (2019) that you need to attend training. As with everything around us that changes, sometimes on a daily or weekly basis, Lions Clubs International is also changing to keep us current with the always changing world around us!

This year's training will have a different format. The first 2 hours will be a group session consisting of information important to ALL MEMBERS, not only the officers. Breakout sessions for secretaries, treasurers and presidents/vice presidents will be held after the general session. The following topics will be covered during the general session (additional topics may be added):

- o The new MyLion Application that will be available for ALL LIONS to view, and used by clubs to enter their activities beginning July 1, 2019.
- o Review of the sales tax requirements in MN for non-profit organizations such as Lions Clubs.
- o Brief review of Go to Meeting and how our upcoming district officers may use the application in communicating with Zone Chairs, clubs, etc

The clock is ticking time is running out for volunteering for the April 15 Lions Day at Feed My Starving Children packing site in Chanhasseen. The district goal is 100% club participation, either packing food at the Chanhasseen site and or making a monetary donation to Feed My Starving Children.

Donations can be made anytime to FMSC line at www.fmsc.org. by clicking on Ways to Give, then click on Fundraising for FMSC, then click Step#2 Complimentary Online Fundraising Page. Once on that page, scroll down to Support a Fundraising and type in Lions Day 2019 and make a donation.

Donations in cash or check are accepted at FMSC on April 15. Please put cash or check in an envelope and mark it Lions Day. In the memo on all checks write Lions Day and if a club check, club name.

Hope to see a wonderful show of support from District 5M2 Lions April 15 as we work together to Feed My Starving Children!

All clubs are encouraged to have the Club Service Chairperson (CSC) position filled. There are many benefits of electing a Club Service Chairperson. Electing a CSC will allow the club to explore new ways to implement service projects and discover

new local needs to serve. A district network of CSCs would be a great opportunity to share project ideas and clubs work together to host large scale projects and make a greater impact.

The position of CSC can be filled by the club secretary if he/she is willing. If that is the case, their name is placed in that position at LCI

The club service chair is responsible for reporting club activities, if there is no club service chair; the club secretary is responsible for reporting service activities. If your club has missed reporting some or all of your service activities, no fear, LCI allows you to go back to the beginning of the Lions year (July) and report your service projects. We still have several clubs with no service reports and others several months late. Please do your very best to get service activities reported. Remember DG Diana's goal is to have all clubs do a service project in at least three of the five service areas of Hunger Vision Environment, Diabetes and Pediatric Cancer.

Yes we can do this!! Reports are essential!

Any question or comments please contact PDG Sue Bowman at s.bowman@frontiernet.net or 507-256-4669.

Daxos

Prior Lake Lion's
sponsoring a
Leader Dog in
Memory of Lion
Tim Lindbo

"Daxos"

Recently Leader Dog for the Blind contacted Club Presidents to request Lions Clubs to "sponsor a puppy." In return for a \$500 donation by the club, a Lion or individual they designate could have the honor to "sponsor" a puppy or sponsor in memory of someone. The Prior Lake Lion's have decided to sponsor a Leader Dog puppy in memory of Lion Tim Lindbo. The Prior Lake Lions have chosen to "sponsor" "Daxos". Our Lion's club hopes "Daxos" will graduate and provide a lifetime of service to a visually impaired individual to allow that person more independence and mobility in his or her life. "Daxos" is a German Shepard, described as bold, inquisitive and snuggly. His favorite toy is what ever toy another dog is playing with. He is growing up in Michigan.

Lion Tim joined the Lions in November of 1998 joining the New Market Elko Lions. In September 2008 he transferred to the Prior Lake Lions. Lion Tim served as Club President in 2013-2014 term. He had a deep passion for the Prior Lake Lion's and especially enjoyed the Mid-Winter Conventions. He washed dishes at pancake breakfasts and enjoyed giving back for the many whom helped him with his disabilities.

Tim passed away at the age of 37 following a long hospital stay on April 15th, 2016. He was the third child of four children. His parents were his biggest supporters. He became visually impaired as a youngster. He always loved the outdoors. Tim's Grandpa Jim encouraged his interest in carpentry and woodworking. In 2002 he purchased land in Hill City and began building a cabin to fulfill his love of the outdoors and carpentry, his father, brother and friend assisted him in completion of his dream. Tim and his dogs Casey and Remer hosted friends and family at the cabin. He loved ice fishing, spring turkey hunting, and his annual fishing trip to the Lake of the Woods, fishing on Leech Lake, fall pheasant and duck hunts with Capable Partners. He loved hunting deer on his land. His love of the outdoors endured though a positive attitude, sense of humor and determination to live life to the fullest. One story has him driving a car from Lydia to take friends home after an evening of libations at the local bar since he was the soberest one of his friends. True or not, quite a feat for Tim, since back roads are laden with curves, and approximately 10 miles to his home. Also, some documentation of Lion Tim building a gun case out of old wood heavily embedded with oil. He was not allowed to complete the cutting task at the facility he was building his gun case due to the offensive odor of the wood. Of course, once completed he was unable to store the gun case inside his cabin, again due to the odor embedded in the wood. Lion Tim attended many Lion's meetings thanks to PDG Gordy who went out of his way to give him rides to the events. His parents often assisted in this endeavor also.

Lion Tim attended the School of the Blind in Faribault, graduating in 1997. He continued his education at Hennepin Technical College and Dakota County Technical College graduating with a degree in Retail Management. He attended Blind Inc. in Minneapolis, to gain confidence, improve his positive attitude toward blindness to build a future in today's changing world. He gave back to Blind Inc by mowing the lawns at the location. He worked at Lowes for a period.

Lion Tim had at least two service dogs to increase his mobility and provide him the opportunity to live independently. Tim did live life to the fullest and loved his parents and siblings. He looked forward to time spent with nieces and nephews. He especially loved his "Lion's" family and has been truly missed at Mid-Winter Conventions. Please consider sponsoring a Leader Dog in honor of someone or just to support Leader Dog. Any questions please contact Loretta Klenke at lmklenke@msn.com or Emmy Koch at emmykoch@hotmail.com. A BIG Thank You to all the Lion's Club's who supported the "Parade of Green" specifically Leader Dog for the Blind. Without the Lion's, Leader Dog would not exist.

Leader Dog's Summer Experience Camp "Making Teens Unstoppable!"

Application Deadline March 31, 2019!

Do you know a visually impaired teenager whom could benefit by a summer experience to gain confidence and increased mobility to assist with possible changes with their life occurring with high school graduation? Summer Experience Camp is a week of outdoor fun, friendship and skill building. The program combines activities like rock wall climbing and tandem biking with leadership building exercises and things exclusively Leader Dog—GPS training and spending time with Leader Dogs in training. The combination helps increase independent travel skills, interpersonal skills and leadership skills.

The free program is for boys and girls ages 16 and 17 who are legally blind. Leader Dog covers all costs including airfare to Michigan—and everyone receives a free HumanWare Victor Reader Trek GPS device. The 2019 camp dates are June 22—June 29. Applications are due by March 31, 2019. You can view a Fox Sports clip about camp, read camper stories and download an application at LeaderDog.org. Below a camp success story from the Leader Dog Newsletter.

Two days after her 16th birthday, Ashley Eisenmenger came to Leader Dog for the first time for Summer Experience Camp. What followed was a week of new experiences that changed her life. "I rode my first tandem bicycle there," she says. "I attribute my love of cycling to that, which led to me competing in triathlons."

The opportunities that Ashley received while at Leader Dog that summer helped her to realize that just because she is visually impaired, she does not have to limit herself or her expectations. Her time at camp represented such an important change that she soon found herself coming back to Leader Dog as a volunteer camp counselor. "It's one of the highlights of my summer," she says. "Some of the kids are super confident in what they can do and some of them, it's the first time they've been around other kids their age who have visual impairments."

Now in college, Ashley is majoring in communications and considering graduate school for sports psychology or looking for a job in her field once she graduates, preferably in the nonprofit sector. She has spent more time behind the scenes at a nonprofit than most others her age since Ashley is a member of Leader Dog's Voice of the Client Committee. "It's cool to be on the ground level of all that's going on here and get an insider perspective," she says. "It's reaffirmed the genuine care the Leader Dog staff have for the clients and the dogs."

When she isn't studying or volunteering at Leader Dog, Ashley trains as a competitive triathlete and endurance runner, qualifying for the Boston Marathon in 2017.

Ashley's experiences at Leader Dog and her guidance of other teens at Summer Experience Camp have contributed to her confidence, and she sees similar changes in the campers coming here for the first time. "It's a really cool thing to see the kids realize that there don't have to be limits." Her message to other young people with visual impairments is to not let difficulty turn into impossibility. "I run triathlons tied to another person, and that's not how that's normally done," she says. "The best advice I could offer is to understand that while the ways you do things might be different, don't be afraid to try."

Any questions please contact Loretta Klenke at lmklenke@msn.com or Emmy Koch at emmykoch@hotmail.com. A BIG Thank You to all the Lion's Clubs who supported the "Parade of Green" specifically Leader Dog for the Blind. Without the Lion's, Leader Dog would not exist.

dance from 5M2. This is the Lions Hearing Foundations largest Fund Raiser.

Thank you for the Parade of Green Funds. These funds are used to help "Little Ears Hear Better". Also for equipment for the Hearing Center, the Lions Children's Hearing Center and for research. \$90,000 was just pledged to remodel the Lions Children's Hearing Clinic to accommodate a new testing and consulting room. The increased use of the clinic has made this necessary.

Viewing Forward

MN Lions Vision Foundation

April is National Donate Life Month. Before being "eye-lightened", I wondered if there was a real need to be an eye donor. I think there are still many persons out there who really have never thought about the value of donation - no matter what a donor's age or health issues.

Many thousands of eyes are used each year for research and education. At our University of Minnesota Department of Ophthalmology and Neuro Sciences, research scientists and educators use donations to research macular degeneration, diabetic retinopathy, glaucoma, and more. They work to develop medications, surgical techniques, and equipment. They practice and perfect eye surgeries. All of these things help patients to return to more active and productive lives. The services provided by Lions Gift of Sight are so many and varied. Our financial contributions, no matter the amount, are critical. So, we serve in two ways, donors and dollars.

Just a reminder. Becoming a donor is easy. The donor and family are treated with respect and

dignity. Donation must occur within hours of death so planning ahead is critical. Checking "donor" on your driver's license is the common method of stating your wishes. And, Lions Gift of Sight has donor cards available (so important now if you wish to use our preferred eye bank). Making our loved ones aware of our wishes should be done, too. Eye donations are procured in hospitals, hospice settings, and funeral homes.

You know I love Helen Keller quotes. Here's one, "The most beautiful things in the world cannot be seen or even touched. They must be felt in the heart." Many hearts are touched by donation - the donor, his loved ones, an individual recipient, his loved ones, and even the benefactors of modern day research. We Serve!

Lion Christy and I are anxious to visit your clubs sharing the passion of Lions' original mission. We plan to attend zone meetings - a good time to catch one of us and schedule a date. As directors, we continue to View Forward. Our legacy is great and our goals will continue to be met. We are your directors ready to serve. Give us a shout - maryspille@gmail.com or christy1135@gmail.com. Together, "WE SERVE" continues.

MESSAGE FROM GUDRUN YNGVADOTTIR, OUR INTERNATIONAL PRESIDENT

You know that increasing, retaining and engaging your members is the key to a healthy club and impactful service. With the right resources, your club can celebrate new members and current members while engaging in meaningful service in your community. That's why we're offering you a special opportunity to receive a service grant when you add new members in April.

Here's how the service grants work:

- **Add new members in April** – Clubs will have an opportunity to receive a special grant for new Lions who are reported during April 2019.

- **Apply for a grant** – Clubs can apply for a Service Grant for New Members, which awards a total of US\$35 for each new member in two equal installments on December 31, 2019 and June 30, 2020 club statements if new members stay active.
- **Engage new members** – Funds should be used to plan activities that engage new members in service so they have a great onboarding experience in your club.

These service grants will allow you to invest directly in your new members so you can make their first year a memorable one. Don't miss this incredible opportunity to grow your club's impact by inviting new members in April and inspiring a lifetime of service.

JOURNEY FOR SERVICE

Dear Club Presidents,

The 2019 Journey For Service is fast approaching. I will be chauffeuring District Governor Diana throughout 5M2 in anticipation in meeting with your clubs representative.

This has been a long time service project of 5M2 and has collected hundreds of thousands of dollars for worthy programs over the years. Our clubs have been very supportive in the past with 100% participation. Please continue to be generous.

The Journey for this year is April 3,4,and 5th. Below and on the following page is the list of clubs with the time and location of the visit. This is what I used last year. What I would like is that you verify your club time and location and reply to me by email or phone.

Thank You,

Mike Vos
