

15,000 Pairs of Glasses

Thanks for your Support!

Journey of a Pair of Donated Glasses

1. Donated eyeglasses are collected by the local Lion's Clubs.
2. Volunteers sort and determine the prescription of each pair using a lensometer.
3. All glasses are cleaned, labeled and packaged according to the prescription.
4. Prepared glasses are stored in a warehouse until requested for a mission.
5. Each person that comes to the clinic is tested by using a Snellen chart and an auto eye refractor.
6. Each recipient is fitted with a pair of glasses according to their prescription.

BACKGROUND

Vision Honduras is a Non-Profit Charitable organization founded in 2008. Its mission is to bring vision to those who live in the poor, mountainous regions of Honduras. The goal is to reach school children as well as adults. The glasses have been provided courtesy of the Wisconsin Lions Club Foundation, Inc. To date, over 15,000 eyeglasses have been distributed, making a real impact in people's lives! (501c3)
