

State Lions Programs Benefit Our Youth

We often talk about getting the next generation involved in Lions activities. Now is your chance to do more than talk. Two of our statewide projects are designed to provide learning experiences to our high school students and recent graduates. To be successful, they need the support of all Lions clubs, including yours.

Missouri Lions All State Band. This program brings together young musicians from around the state and melds them into a cohesive unit. Following their band camp, held at Ft. Leonard Wood from June 24-28, the band will perform a series of concerts in Missouri's great northwest, beginning June 29. They then travel to Mount Rushmore and Colorado Springs, where they will also perform. The band makes an encore performance at the Missouri Lions All Star Football Game on July 21. For more information on how you can nominate a musician to the band or support the program, please contact the District 26-M7 Band Committee Chairperson, Lion Ron Jordan, PDG, at 573-635-0893.

• Missouri Lions All Star Football Game. The coaches have picked their players and are preparing for training camp in July. The annual game pits teams of stellar athletes from around the state in an exciting gridiron classic. Proceeds from the game are earmarked for the Missouri Lions Eye Research Foundation. This year, the following players from District 26-M7 were nominated by their high school coaches and selected to participate in the All Star Football Game:

Garret Baker, Owensville High School Austin Kempker, Eldon High School Matthew Pehle, Eldon High School Benjamin Seitz, South Callaway County High School Jack Young, Jefferson City High School

For more information on how you can support the All Star Football Game, please contact the District 26-M7 Athletic Committee Co-chairpersons, Lion Dennis Licklider, 573-896-5277, or Lion Gail Crane, 573-636-7656.

Each year, Missouri youth benefit from our Lions projects. In addition to learning teamwork and leadership skills through these activities, the participants also learn about Lions services in their communities, throughout the state, and around the world. The ultimate compliment to hard working Lions is when one of the participates chooses to join their local Lions club. Our statewide projects allow us to bring together greater resources and make a bigger impact.

From the Guv:

Kudos are due to the Lions of District 26-M7. You continue to provide a high level of service to your communities and our state projects supporting vision programs and our youth! Despite the rough economy, Lions continue to hold their fundraisers, activities that help make possible the many services of the Lions.

Hearty Lions Thanks are extended to the 2012 Missouri Lions State Convention Host Committee for generously sharing their time and talents with the Lions of Missouri. Over 340 Lions came together on April 20-22 to share in the fellowship of Lions and learn how they can grow as Lions. Well done, Lions!!

It was great to see so many of our district's Lions enjoying the State Convention. We should all plan to meet again at the 2013 Missouri Lions State Convention in Kansas City. Remember to bring your fellow Lions, too!

Now that spring has officially sprung, we see many of our Lions clubs break out the barbeque pits for their regular fundraising events. Of course, the pancake flips and other fundraisers are still happening, as well. I encourage you to support your nearby Lions clubs in their efforts; we are all working towards the same goals in serving our communities.

As we work at our service projects and fundraisers, we are reminded that a few more helping hands would be appreciated. Look around your communities. There are people in your community just waiting to join an active and productive organization -- your Lions club. Work up the courage to ask them to join you, tell them of the great deeds you club is performing and how you are helping make your community and the world a better place.

International Director Candidate Update

Lions, your strong support for Lion Donal Knipp, PDG, has been truly heartwarming. As Lion Donal and Lion Betty continue along the campaign trail, their belief in the strength and courage of Lions is multiplied.

Since securing the Missouri Lions' endorsement as their candidate for International Director, Lion Donal has been very active in the Auxvasse Lions Club, District 26-M7 and throughout Missouri. Among his many accomplishments this year include working with the Global Membership Coordinators of District 26-M3 and M4, efforts that resulted in new Lions clubs. A highlight of Lions service undoubtedly was assisting Lions plant trees in the tornado damaged areas around Joplin.

The next leg of the journey is the Lions Clubs International Convention in Busan, Korea. Lion Donal will lead an entourage of Missouri Lions to Korea. The Missouri Lions delegation is dedicated to ensuring a successful campaign for Lion Donal.

District Governors Spouses Project

Feeling the "I Believe" spirit, the spouses of the Missouri Lions district governors decided they should do something extra to help others. Seeing the continuing need for assistance in the Joplin area stricken by a tornado in May, 2011, the spouses embarked on their own project to support recovery from the deadly tornado.

They developed an 18-month calendar (July 2012 - December 2013) celebrating Missouri Lions at work and play. The calendar features two pages for each district and four pages devoted to state projects. The calendar was unveiled at the Missouri Lions State Convention.

You, too, can own a Missouri Lions calendar and support the recovery effort conducted through Lions clubs. Calendars are available for purchase for the cost of \$10 each. If you or your Lions club is interested in purchasing a calendar (or calendars), please contact Lion Lou Ann Hathcock, 573-761-4438 or at balloonsisters@aol.com.

Club Officer Training

It's that time of year again. Lions clubs have held their election and some officers will serve again and some new officers will serve their Lions for the first time. However, they all have one thing in common -- they want to do the best job they can.

To help them along, the District 26-M7 Global Leadership Team has scheduled a series of Club Officer (President, Secretary, and Treasurer) training sessions. It doesn't matter if you have served in the past or this is your first time. The training sessions will offer something for everyone. The veterans can share their experiences and learn some of the new information coming down the road. Those assuming the responsibilities for the first time can learn from the "old-timers" and pick up some tips to make their jobs a little easier.

The following sessions are scheduled:

May 22	6:30 pm	Westphalia Lions Building
June 6	6:30 pm	Owensville Lions Building
June 9	11:00 am	Hurricane Deck Lions Building
June 11	6:30 pm	Fulton Lions Building
June 12	6:30 pm	Wardsville Lions Building
June 14	6:30 pm	Lake Ozark Lions Building

A light meal will be provided at no cost to those attending the training session.

Please let your hosts know that you and your club's fellow officers will attend at least 3 days before the event.

What is the C. Wayne Henderson Award?

Named after Missouri's fourteenth International Director, the C. Wayne Henderson Award recognizes individuals who have made significant contributions in serving our youth. The individuals honored with this prestigious award are selected by Lions clubs. Your Lions club can earn the right to recognize an individual or group for their work or support of youth programs. Your cumulative donations of \$500 to the Lions Opportunities for Youth program, either in a single or multiple payments, will entitle your Lions club to name a recipient of this award.

How are your donated funds used? The funds donated to the Lions Opportunities for Youth program support various state youth projects. You are probably familiar with two of the more visible programs -- the Peace Poster Contest and the annual Youth Foreign Exchange Program. Each year, Lions clubs sponsor local Peace Poster Contests, with the state's winning artist and family being recognized at the Missouri Lions State Convention. The Youth Foreign Exchange Program welcomes young adults from around the world to experience life in Missouri, culminating in a week-long camp.

For further information on these programs, or how you can support them, contact the District 26-M7 Lions Opportunities for Youth Chairperson, Lion Pat Mills, 573-645-0410 or pmills@msma.org
