## **District Governor Wisdom**

District Governor Allen Moore

Lions,

We have quite a year so far. While we rightly focus on the great services our clubs are providing to those in need and making our communities great, it is hard to deny these are trying times for Lions and other community service organizations. We have challenges we must meet so we can ensure our future. We can meet many of these tasks by meeting the Centennial Challenges through focused service and growing our clubs.

Our overall membership has declined this year. But, we still have time to reverse this dangerous trend. I encourage each of our clubs to establish a Membership Growth Plan, involve the Lions members in identifying potential members and host at least one dedicated membership drive. It is important to keep track of the progress and follow up on membership recruiting. Together, we can grow our clubs.

As you know, our district convention is rapidly approaching. As part of our tradition, we are hosting a free hospitality night for all Lions on Friday, March 11 (6 - 10 pm). Our exciting new event is a short parade through Eldon at 9 am on Saturday, March 12 to showcase our Lions clubs. We have an exciting agenda that will generate participation from all those who attend. Of course, we will wrap up our Saturday by electing our new district officers.

**Club presidents** – we are having a special meeting at 8 am, Saturday, March 12 with International Director Richard Liebno. Please plan to attend the meeting!

Let us work together to provide **M**embership, **O**pportunity, **O**rientation, **R**etention and **E**nthusiasm!

## Greetings

1<sup>st</sup> Vice District Governor Don Soph

Greetings Lions of M7! I hope you're staying warm during this Mid Missouri winter.

The approaching late winter brings closer an important event for the Heart of Missouri Lions – the annual District 26-M7 Convention. This year's event is taking place in Eldon on Saturday March 12, at the Eldon Community Center. For those that have attended past district conventions, you've experienced first hand the valuable information disseminated and the plentiful opportunities for networking the district convention holds. Previous attendees know the event always includes insightful, thought provoking seminars that offer Lions wonderful ideas on improving clubs, increasing membership and better and more fully serving our communities. Likewise, past convention goers have enjoyed meeting fellow Lions from around the district and sharing experiences, concerns and solutions to problems all clubs deal with. If you've never attended a convention or are new to Lions in the last year, I strongly encourage you to try out the event. I guarantee you'll leave the convention inspired, with a deeper understanding of Lionism and serving.

This year's Eldon convention is going to feature a new and festive event meant to showcase the proud Lions and clubs of our district. District Governor Allen Moore has organized a Parade of Clubs to take place in Eldon at 9 a.m. on March 12 (line up for the parade begins at 8:30 a.m.). Clubs are strongly encouraged to have a float in the parade. Representation of all M7's clubs will ensure the best display possible of Lions commitment to the communities of Mid Missouri. Your club's float can be ornate and elaborately decorated with the international theme of Dignity. Harmony. Humanity or be simple with a pick up truck displaying your club banner or some of your club's members walking and waving to on lookers. Whatever you choose, please make sure to join us for this year's Parade of Clubs and help kick off the 2016 District Convention.

Also, don't forget to attend the annual district hospitality night being held on Friday March 11 from 6 p.m. to 10 p.m., also at the Eldon Community Center. The hospitality night features a silent and live auction, as well as delicious food and drink and the music of the district's renowned Lion Eyes Band. The event is always a great time and provides opportunities to bond with your fellow 26-M7 Lions in a relaxed and social setting. **It is asked that each club provide an item for the auction and Lions bring a side dish or dessert to be enjoyed by attendees.**

If you have any questions about the convention, please feel to contact me, District Governor Allen Moore or 2nd Vice District Governor Lou Ann Hathcock.

I look forward to seeing all of you on Friday March 11 and Saturday March 12.

## Chamois Lions Hosts Local Business Owners

As part of its programs, the Chamois Lions regularly hosts a local business owner to explain their activities. At the latest meeting, the owners of Nolte Hills Nursery, Boob and Betty Nolte, explained how their business grew from a single green house to 13 greenhouses and their new plans to allow customers to pick their own produce. In growing their business, they are able to employ local high school and college students.

Nolte Hills Nursery is located at 1082 Highway 100 in Morrison.

## My Thoughts

2<sup>nd</sup> Vice District Governor Lou Ann Hathcock

I am very excited about our upcoming District 26-M7 Annual Convention. The Eldon Lions and Rocky Mount Lions are working hard to provide you a great venue. The convention is a great place to meet Lions who all share our belief that as individuals, we can start helping our communities by uniting in our clubs, zones and district. Working together, we can take on even greater challenges and accomplish even more. District Governor Allen has put together an agenda that gives us opportunities to learn and find new ways to help our clubs.

I especially extend an invitation to **all club presidents** to meet with our international guest – International Director (ID) Richard Liebno – in a special meeting for club presidents at 8:00 a.m. on Saturday, March 12. ID Liebno is serving in his first year of a two-year term and you have a chance to share some of your accomplishments and concerns.

During the convention, we will hear from two candidates for international director. The candidates will ask for our district's endorsement to share with Lions Clubs International and at the Missouri Lions State Convention in April. I ask that you listen intently to their short talks and cast your vote to endorse one of the candidates.

I thank the club officers who responded to my plea last month for better membership reporting. Many of you responded admirably. As you will recall, on December 30, 2015, we had eight clubs delinquent in their monthly reporting by more than three months. I am pleased to report that the January reporting has only three clubs delinquent by more than three months. We still need to get in the habit of validating our membership reporting each month; we have a number of clubs that did not complete their membership reports in January. Remember, even though you may not have any changes to report, you still need to report that fact.

A couple of weeks ago, I attended the Multiple District Global Leadership Phase II training for 2<sup>nd</sup> Vice District Governors. This is part of a two-year program to ensure your district officers are prepared to lead our district. Phase II training centered on TEAMWORK and the importance of getting everyone involved. This is the same principle that we need to follow in each of our clubs. All Lions are

important to the success of our clubs. All Lions have ideas on what should be done and how to best get it done. Our leaders, both at the club and district, have a responsibility to listen to our Lions and ensure they stay involved.

I look forward to seeing many of our Lions at the District Convention on March 11 and 12, 2016.

## JC Evening Lions Club – Chili Cook-off

In what has become a January tradition, the Jefferson City Evening Lions held its Chili Cook-off at its January 21<sup>st</sup> meeting. The spirited contest between club members featured a distinguished panel of guest judges. Ten chilies were entered in the bid to defeat the reigning (and undefeated) champion Lion President Gary Kempker.

The judges provided their best judgments based on their blind tasting. The close scores reflected the high quality of the chilies. The results showed that a new champion had earned the title of “Chili King” – Lion Bob Kraus. The previous champion finished a close second.

The event was started to encourage Lions to stay involved in club meetings and activities following what is usually a prolonged break over the holidays. This worked so well that the club also initiated a rib contest last August with the winning teams designated to represent the Evening Lions at its booth at the Buck-a-Bone event supporting the Special Learning Center on April 29, 2016.

Jefferson City Host Lion John Wheeler dishes out the ham & beans; sauerkraut, too.

Lion Dee Pfeiffer receives a Melvin Jones Fellowship from the Mokane Lions Club. Pinning the Melvin Jones Fellow pin on her vest is Jesse Hathcock, District LCIF Coordinator.

Jefferson City Host Lions serve their guests at their 60<sup>th</sup> Annual Ham & Bean and Chili fundraiser.

## Looking for Volunteers – 2017 Missouri Lions State Convention Host Committee

The Lions of District 26-M7 are the hosts for the 2017 Missouri Lions State Convention, being held May 4 – 7, 2017. The Host Committee Chairperson, IPCC Jeff Hilke is asking for the district Lions to step forward to volunteer their knowledge and skills. The convention will mark Missouri Lions' celebration of 100 years of Lions Service.

A planning meeting is set for 6:30 p.m., February 22, 2017 at the Hyde Park Conference Center in Jefferson City. If you are interested in helping plan or work at the state convention, please attend this meeting.

## Club Officer Elections

Now is the time to prepare for electing the club officers for the 2016-2017 Lions year. The new year begins July 1, 2016.

So, what do we need to prepare? Study the provisions of your club's constitution and by-laws. If your club has not adopted its own, use the Lions Clubs International Atandard Club Constitution and By-Laws (<http://www.lionsclubs.org/resources/EN/pdfs/la2.pdf>). This will guide you in conducting the nominations and election.

Ensure all your club members are notified of the dates and places for the nominating meeting and election meeting. At the nominating meeting, the club nominating committee will present the names of the candidates for each office; additional nominations may be made from the floor. No nominations from the floor are made at the election meeting.

Following the election, the club secretary must report the new club officers to Lions Clubs International. Completing the Club Officer Report in MyLCI is the normal reporting method. This report should be submitted within 15 days of the election, but no later than May 15, 2016.

### Wanted: Club Officers Interested in Serving Other Lions
