# Key Areas to be covered

- *Districts, Clubs and Lions aspiring to service empowerment in support of LCIF*
- The potential for reaching to the next level of giving

# Pinnacle

Webster Dictionary:

- a high mountain top
- the best or most important part of something : the point of greatest success or achievement

- *LCIF as the Pinnacle of Service Empowerment*

# Lions Club International Foundation – the Pinnacle of Service Empowerment

- Lions Club International Foundation (LCIF) was envisaged by our founder with a Mission to:
- “Empower Lions clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.”

# Lions Club International Foundation - The Pinnacle of Service Empowerment

- Obligations to LCI is to contribute time, labour and means towards support for the vulnerable within local communities by Clubs
- LCIF was launched in 1968 to empower Lions with the opportunity to have a global impact on service.
- Contribution to LCIF goes beyond your obligation as a member of LCI towards support the vulnerable in communities around the world
- The accumulation of small contributions creates a large pool of funds to offer Grants to a wider community of need
- Such contribution is the demonstration of a response to a higher calling to SERVE
