 - b. You will be guaranteed to catch something.
2. We had 25 participants this year
3. Each kid catches about 3-4 fish every year that are cleaned, iced, and ready for the ride home.
4. The district provides a meal at the end of the event.
5. The hatchery provides bait and tackle at no charge.
6. Each kid gets a shirt, medal, and a tackle box as a reminder of that day.
