### **From the desk of the Governor**

Red, yellow, or green.... what color are the lights in your club now? Are you meeting via Zoom or meeting in person practicing social distancing guidelines or are you still in the red-light stage and not meeting at all? Believe me when I say I understand the concerns of everyone with the pandemic we have all been going through and continue to go through. Some clubs are offering both in person and virtual/Zoom meetings for the same meeting to keep their club in compliance with the Governor Whitmer's Executive Orders. That is probably the best way to hold meetings right now, I think. It still gives everyone the opportunity to participate by talking and sharing ideas of how to serve again. It also allows for club members to just stay in touch with others. I have recently heard from some members that just receiving a call from a fellow Lion checking in on them has meant a lot to them. Some club members may not have family to call and check on them or even in the area to stop by but just knowing that their fellow club members care and reach out to them makes them feel great. So, I challenge you to pick up the phone and call a member you may not have talked to in some time and let them know you are thinking about them.

Another way Lions around the world are turning their lights back on and finding ways to continue to carry out our motto of "WE SERVE" is by holding drive-thru fundraisers. Many fundraisers and service projects have been cancelled that we are all used to participating in. I know every one of you are just like me and miss participating in these events, but for now we must carry these things out in a different manner. If your club normally has a food booth as a fundraiser at a local festival, why not give a drive-through food booth a try and still serve your delicious foods that your clubs are known for. Who wouldn't be willing to stop by and help out the greatest service

organization in the world raise funds to be able to give back to their communities by purchasing strawberry shortcake, brats, ox roast sandwiches, ham and bean soup or pancakes and sausages to name a few? Every club can probably say they are known for at least one food item and have heard from their friends how they miss not having that special treat this summer. Be sure to check with your local health department to see what their requirements are first.

Finally let the rest of the district know about your fundraisers and maybe they can stop by and support your club by either purchasing items you are selling or even helping out with the project to show how we can all work together to make things better for everyone.

I am so proud of every Lion in this district and cannot say thank you enough for “Uniting in Kindness and Diversity” and “Sprinkling of Kindness” during this time. I look forward to being able to visit your clubs soon either to attend a meeting live, via Zoom or help at a fundraiser.

Thanks for ALL you do!!!

## 1<sup>st</sup> VDG Karol Chopp

Hello Fellow Lions,

You make me proud! Many clubs are either meeting outside and social distancing or doing zoom meetings and working on how to move forward. We even have clubs who have added members so yes, we can do this -WE SERVE!!

I am looking forward to visiting with your club even if it has to be by Zoom, I want to get a chance to meet with you and to let you know, I am here for you if you need anything or just a sounding board to bounce ideas off from.

Our fearless leader, DG Julie is doing a great job jumping into everything and I can tell you she will do whatever she can to help your clubs get through this crazy time.

Recently, I was able to do a 3 week zoom with Leader Dog. What a great program and I encourage you all to go their website and see all the virtual tours and information and pass it on to your club members. They do such great work there and we need to continue supporting them now more than ever.

On another note, we are still looking for people to step up into leadership positions for our district. Do not over think it, if I can do it-so can you.

Let's make this year a good year and really show the world and our communities what we are made of. Be positive, share your love and kindness and let's get to serving.

Karol Chopp

## Thought to ponder....

Things are changing all around us every day. That seems to be more evident today more than ever. Have you paid attention at all to how you keep up with these changes? Today our newspapers have been forced to cut down our editions, so if you like to read the new by the time you get it, it is old news. TV ...maybe? That is so saturated with political garbage the re news the things that are important to you are not spoke about until all the violence, crime and Democratic, Republican reviews are covered. The radio might still be a source depending on the station, but so many of us get our news now by social media. Our phone, Facebook, Google, or whatever internet browse we choose.... Today we are focusing on our children, regardless of age.... how do we educate them? Homeschool sees to be more than the answer today. But wat about you? Have you stopped educating yourself? Think about it? When is the last time you did something to educate yourself? Now ask yourself as a Lions member have, I done anything to educate myself as Lion. Or do you just go through your day to day routine and feel that is good enough.

This article has made me think myself. I feel I am a good dedicated Lion but really my day to day routine is so full, I skip over "me" time. I know learning something new about Lionism is as simple as going to my computer and typing in [www.lionsclubs.org](http://www.lionsclubs.org) and click on the Lions earning Center and pick a topic. It is really that simple. There are so many topics to choose from. We are not talking 3-month course here, just simple 15-20-minute learning modules. Things that not only pertain to Lionism but your personal life and work life as well. I encourage you all to try it. I have decided now I will do this a minimum of twice a month. Any other Lions out there willing to accept that challenge? Let me know. Email me at [wjmayuiers@gmail.com](mailto:wjmayuiers@gmail.com) or text me at 269-254-1936.

As Lions, let us all wise up!!

## GST

Fellow Lions,

I want to start you out with this quote. "Small acts, when multiplied by millions of people, can transform the world." - Howard Zinn

These are different times to serve in and it's important to remember no act is too small to make a difference. If there is something small your club can do anything is something during these times.

Fall is coming and the elderly now more than ever don't want to go out. Help them by raking their leaves. Mail cards to Senior homes, your own members, or anyone else in the community you know has not made it out due to the pandemic. These little gestures are what the community needs right now.

The state GST has challenged each district to make 1,000 masks for the community. That is a piece of cake for 11B2. If we haven't already done that I know we can. I challenge us to show them who we are and get at least 2,000 masks out. Hospitals still need masks and there is still a need in the community. Many masks have been made and many more are needed. Don't lose that momentum. No mask lasts forever. Kids are starting school and some in person that means children who have been at home without a need for a mask now need multiple masks. School children will need 2-3 masks each to make sure they are washed between each use.

Don't forget to support each other. Stay updated on events and fundraisers that are happening around the district. Go to another clubs Golf Outing if you are a golfer, buy something another club is selling and gift it to someone who needs a pick me up. Lions Serve TOGETHER.

I would love to meet your club and help you brainstorm ideas. Please contact me for a club visit anytime. I'd even love to come out if you have ideas to share with the rest of the district.

Stay safe and healthy,  
Lion GST Amy Thackston

## District Global Membership Team – Lion Rick Young 616-796-4621

Fellow Lions we are in September our third month of 2020-2021 Lion year. September is typically the month that schools begin their school year. We can also take this time to reach out to teachers and faculty and introduce them to the Leo and cub programs that are offered from LCI. This also can be good opportunity to invite teachers and faculty to a club meeting or setup a special meeting to let them know what Lions are, what Lions do, how to become a Lion and how important Lions can be to the civic development through LCI programs. During the last few months, we have had a drop in membership and would like to make a challenge to the Clubs. Would like to see each club keep membership and add at least 1 new member to their club. By doing this we can add an additional 35 new members to our district.

Some clubs have been adding new members despite the pandemic. The key to keeping your membership is communication, keep them thinking about ideas of how to do service and fundraise to keep your club going, keep them involved and updated. There are many ways to keep communication going, Zoom, face time, email and conference calls to name a few. Maybe host a zoom meeting with your town council and let them know how Lions can help their community. There are also free media outlets like Facebook. You can develop a Club page on Facebook, like it and share it to your friends and ask your friends to like and share it. Let's get started and drive forward and look ahead to the future. Together we can work through this time we are in and can grow together to be a stronger district. I'm available for club visits if you would like to have me explain other options in growing your membership.

Yours in Lionism  
GMT Lion Rick Young

## LIONS UNIVERSITY—RACING INTO THE FUTURE

There have been many questions about Lions University Graduation due to the cancellation of the Louisville Forum. The Lions University Team has been working diligently to come up with a plan that would allow participants the opportunity to graduate.

Any participant who has completed a program and has attended the required Forums before Louisville will be listed on a rotating slide show during the Virtual Forum. We are hoping to have a Lions University Room that will run this graduation list during the weekend event.

Participants who needed the Louisville Forum to graduate from any of the programs must make sure they sign up and participate in the 2020 Virtual Leadership Experience. Our team is currently working on a plan that will allow participants to take a test, on the Lion University website, after the close of the Virtual Forum. This test will be comprised of questions developed from the different sessions of the Virtual Forum and will be available after the close of the Forum and only be available for two weeks. There will also be a required number of points generated from attending the session, too. We are still working on this and will provide more information as we finalize the requirements.

All graduates will have their certificates, in .PDF format, emailed to them by the end of October. Due to the cost involved we will not be able to mail certificates and pins but will make them available at the Des Moines Forum. Participants can pick them up there or have someone from their multiple districts pick them up. We look forward to more learning.

*Gary Steele*, Past Council Chair, MD31

## Each month in the Beacon, we will highlight the projects that District 11-B2 clubs support.

Remember  
Camp Leo  
on Projects  
Night.

Camp Leo began as a club project of the St. Joseph Lions Club. Several years ago the district adopted this camp as a district project.

Camp Leo is a 4 day/3 night residential summer camp for children 10-18 years old with disabilities from Berrien, Cass, and Van Buren counties presented by the Lions and Lioness Clubs of Southwestern Michigan in partnership with Berrien RESA. On the final night of the camp, the Lions of our district put on a carnival for these kids and in return, the kids put on a talent show for the Lions. The love that flows between the campers and the Lions is thick in the air on that night.

The majority of the funding for this camp comes from Lions and the kids and parents know that without our support, these kids would never have a real "camp" experience. Their physical, mental, social and emotional needs are number one during these three days. It is also an opportunity for the parents of these young people to have a chance to be "off duty" for a little bit. Parenting these kids is a 24 hour per day, 7 days per week, 365 days per year, yearly for the rest of their lives job. This time when they know that their kids are being well taken care of and having the time of their lives is precious to them.

Watch your calendars for the chance to be a part of Camp Leo Carnival Night. You don't want to miss it!!

## Each month in the Beacon, we will highlight the projects that District 11-B2 clubs support.

Remember the American Diabetes Association and JDRF on Projects Night.

One of Lions Clubs International's global causes is Diabetes. Diabetes is a leading cause of blindness. "Diabetes is a common cause of vision loss due to diabetic retinopathy, glaucoma, and cataracts. In fact, diabetics are 40% more likely to have glaucoma, and 60% more likely to have cataracts, per the American Diabetes Association. If left unchecked, vision loss due to diabetes is irreversible. The National Eye Institute (NEI), however, states that early detection and treatment can reduce one's risk of blindness by 95%."

Our district has selected the American Diabetes Association as one of our projects. Lions are focused on being Knights of the Blind so it seemed like a natural agency to work with. The American Diabetes Association focuses on education, research and advocacy. Their website offers information on nutrition, exercise and many other aspects of Diabetes control. Type I Diabetes is when your body doesn't produce the insulin needed to control your blood sugar and is not preventable. Type II Diabetes is preventable in most cases. Nutrition and exercise are the most controllable factors.

In addition to the American Diabetes Association is Juvenile Diabetes Research Foundation. Their focus is on Type I Diabetes which is the type that children most often have. They are the world's largest nonprofit funder of Type I Diabetes research. They also focus on education, advocacy and research.

These two organizations are working diligently to stop Diabetes in its tracks. Your donations to these groups will help move them closer to the eradication of these diseases.

## Buchanan- Galien Lions

Saturday August 29<sup>th</sup> was another outstanding day for the Buchanan-Galien Lions. The club hosted our First Annual Kickball Tournament and Third Annual Corn and Sausage Roast.

Both events were held at the McCoy Creek Park Lions Pavilion and softball fields and the weather was perfect.

A great turn out and the combined teamwork of the Lions, their spouses, family and friends helped to make both events successful.

As always, the local communities support was outstanding and at the end of the day there were a lot of smiling faces.

In Kickball, The "Y's Last Minute" team beat the "Lion's Misfits" in two out of three 30-minute showdowns.

Both teams said they had a blast and are already looking forward to next year's event with more teams.

Here are some pictures of both events including our newest "Future" Lion Olivia Irene Fisher- (2 weeks old)

and of course our "Reserved" dinner table seating experts- Lions Mark Nixon and President Mark Skene.

**Thank you to our many supply donors, the community, Lions, kickball players/referees and volunteers for your ongoing support!**

**"We Serve" is our Lions motto- we are in our 87<sup>th</sup> year of supporting the Buchanan-Galien communities- and still going strong.**

## Covert Township Lions Club

Covert Township Lions recognize the importance of our first responders to the community. We presented certificates of appreciation and lunch. There was also a fly over in their honor put on by Star of the Lake Lodge #158 and Dutcher Lodge #199 Masonic Lodges.

## Edwardsburg Lions

### *A Tribute to Lion John Braniff*

Lion John joined the Edwardsburg Lions Club when he was only 22 years old in January of 1956. His faithfulness, dedication, and proudness of being a Lion has made Lion John our oldest member in the club. Lion John was President in 1961-1962 and again in 1992-1993. Lion John has been president, vice president, secretary, treasurer, tail twister and Lion tamer over the years! He said, "You name it, I did it!"

Lion John is a "Golden Treasure" to our Club with so much history and knowledge over the years. He never missed a meeting while he was in Michigan. (Snowbird in FL) He attended and worked hard at events, fundraisers and promoting our great Lions Club. Lion John made many friends within our community and has fond memories of it all.

Today, Lion Dave and Tanda visited with Lion John & Marge and their family at his assistant home that he is currently at in South Bend. On behalf of the Edwardsburg Lions, Jerry, Dave & I wanted to recognize Lion John for all his achievements and accomplishments he has done within our club. Today, Lion John was presented with the Helen Keller Fellowship Award. "Lion John was in his Lion's attire" as we made plans with wife Marj for our visit. It was just a beautiful day outside at the patio to award Lion John with this award which he has not received before. (John has many award's, but we were sure he did not have the Helen Keller award because it is a newer award.)

The pictures tell it all for you to see how pleased John was with the visit from fellow Lions and the award that was none like he already has. Lion John reminisced over many Lion events and could clearly remember them as if they were done recently. I for one will remember in my heart our visit with Lion John.

## Edwardsburg Lions

Dave and I had our masks on as Lion John hugged me three times while I was there. I am truly blessed for his friendship as he has touched my heart and I know many of yours as well. Lion John is a kindhearted man, known for his many

jokes that we always enjoy! 😊😊😊

### The 2020 Lakeshore Lions Scholarship Winner

The Lakeshore Lions Club has been awarding scholarships to graduating seniors residing in the Stevensville area for over 40 years. The 2020 scholarship winner is Chiara Thrum a Lakeshore High School graduate who will be attending the University of Notre Dame to study Geoengineering.

## Mattawan Lions Club

We have been meeting virtually and recently had our second social distancing meeting outside.

We have been brainstorming ways to do things differently for the future with our fundraisers and are planning a take-out dinner in the future and possibly virtual trivia.

At our August 12 meeting, 1<sup>st</sup> VDG Karol made the famous Chili and Donuts from the recipe that was given to her from the virtual leader dog meetings. Here are some picture of that as well as a picture of Lion Nancy Garman receiving her Gold Centennial Membership pin for sponsoring a member who has stayed in the club for 4 years or more.

The Mattawan Lions Club has also been working and supporting our Mattawan Area Pantry and we have a foundation that allows us to do many extra things for them. Our community garden is one of them. Here is batch of produce that was donated on Aug 15. Half bushel of tomatoes and beans.

## Paw Paw Lions

Even though our clubhouse has been closed, the Paw Paw Lions are OPEN for the business of serving others. We have even managed to have several membership meetings outside of our clubhouse in the parking lot. During this time, we are looking at the leadership structure of our club and attempting to make it align more closely with the Lions Club Standard Structure ([file:///C:/Users/Owner/Downloads/DA-MCS\\_en.pdf](file:///C:/Users/Owner/Downloads/DA-MCS_en.pdf)) as well as our club's own needs. For example, even though not listed in LCI's flow chart, we really need a Building Committee. "Project 2020 AND BEYOND" hopes to improve our club's overall service by better utilizing our individual members' time, talents and passions in a variety of leadership opportunities. Combined with our new on-line fundraising page via The Square <https://paw-paw-lions-club-donate.square.site/>, we see many positive changes taking place that will ensure our continued service to our community at all times—even during a pandemic.

With the clubhouse being closed, we are utilizing the opportunity to do some thorough upkeep of our club's prized possession like ridding the parking lot of weeds, tending to our garden, and thoroughly stripping, cleaning, and waxing our floor! We will be ready when we get the go-ahead to re-open!

## Pill Bottle Donations

Portage Lions Club in collaborative efforts of Lions Clubs in District 11-B2 and Matthew 25: Ministries accepts donations of empty plastic pill bottles for inclusion in shipments of medical supplies and for shredding and recycling. Acceptable collection items include:

- Sort bottles by color and type.
- Remove labels, leaving no glue or residue.

## **Sturgis Lions Club**

During the COVID-19 pandemic the Sturgis Lions Club delivered several Easter baskets to the Domestic Assault Center and to Keystone Place for the children housed there at the time. In addition a container of toiletries and other supplies was given to each family group.

By means of texting, e-mails, and phone calls, a slate of officers for the coming year was nominated and elected. Similarly. our Scholarship Committee worked doggedly to narrow our field of twenty-four applicants to three outstanding winners. A total of \$2500 was awarded to Paige Pattison, Rachel Toner, and Madison Pueschel. Coincidentally. all three winners were members of our Leo Club!

As a consequence of current restrictions, we have been unable to schedule meetings at our usual location, We did meet, however, on August 19 at a neighborhood park, where we reviewed committee assignments and discussed possible ways to serve in the coming months.

## Vicksburg Lions Club

It's been a tough 2020 for our Vicksburg Lions Club. Lion Don Ramer joined the club in 1968. In 2015 his health deteriorated and he requested to end his term in Lionism. We as a club accepted his departure, however voted to honor him with a lifetime membership given his long-standing record and significant contributions over the years. However Don would not accept the honor since he knew there's a monetary commitment to make this happen. He simply wanted the monies to be used for other purposes. This is a testament to his giving ways and the type of man he was.

Don passed away on August 13th, he was 92. He will be missed by all. I request you pass along this information to our District membership and possibly note in the next Beacon please (unsure since he was no longer a Lion). There is no service or visitation based on his family's request.

Asking for your help...

Let everyone know if you have a club member needing support with a Get Well Wish, Condolence or Congratulations.

*Please email me [jumayuiers@gmail.com](mailto:jumayuiers@gmail.com) with members name, address, phone, hospital, reason, whatever you'd like to provide and I will publish in the B2 Beacon for the District to support them with well wishes, prayers, condolences or whatever.*

## Prayer

*How to do nothing  
and still think you're helping*

Please keep these Lions in your prayers as they are not feeling quite up to par lately. If you'd like to drop them a note I've included their addresses.

I recently wondered where some of the photos and stories were coming from that were published in the Lions Pride from our district so I reached out to the State Office only to be told that if they don't have enough submissions they have to go searching on FB and websites for things to fill the pages with. I have heard numerous times "why doesn't our club ever appear in the Lions Pride". Well the answer is quite simple. **Just ask your PR person to send me the information for the B2 Beacon so I can submit to the Lions Pride.**

### **So.....Club Presidents**

PLEASE have your PR person email me so I have their contact information and we can keep in touch to share your club happenings, both past month and future. This is especially important with upcoming events so we can include on the next few months calendar and hopefully encourage Lions from other clubs to attend your events also. Attending other clubs events also provides your clubs with new ideas.

The more eyes that see your events the better attendance you will have!!!

Flyers for future events need to be to me the sooner the better. It's always good to post at least a month in advance **but no later than the 15<sup>th</sup> of the month for next months publication.**

## B2 Beacon Editor

Be sure to email me everyone in your club that would like to receive the electronic B2 Beacon and I will be happy to add them to the list. If your email changes be sure to let me know also.

We want to know what your club has been up to so please send articles in Word (.doc or .docx are best) and photos as .jpgs separately whenever possible.

Deadline is the 28<sup>th</sup> of the month to receive information for publishing in the next month's newsletter. If you know you will have something to submit on an event happening between the 28<sup>th</sup> and end of the month, please let me know by the 28<sup>th</sup> and I will hold off finalizing until I receive your information. I would like to have the final edition published by the end of the first week of every month.

All flyers for events that you'd like included in the B2 Beacon must be sent to me at minimum 45 days prior to event and especially important if event is happening in first 10 days of the month. There will no longer be separate emails with flyers and event information being sent out.

**NOTE: Submissions for Lions Pride Magazine are also now to be submitted to Julie Mayuiers who will then submit articles to Lions Pride Magazine. Please do not send anything directly to the magazine.**

When your club has an event to post on the calendar, just send the flyer to [jumayuiers@gmail.com](mailto:jumayuiers@gmail.com). Julie will use the information for the calendar and put up the link to the flyer....it is that simple. **The catch is that the flyer can only be accepted as a .pdf, no other format will work.**

**Recycle your Lions Pride and Lions Magazine by cutting out your mailing label or covering it with a white label with your club's contact information. Then place them in your local library, doctor's offices, etc. and try and recruit new members this way. Also place a label on a copy of the B2 Beacon and leave in the same locations to encourage others to see what Lions are all about and how WE SERVE!!!**
