## FROM THE GOVERNOR'S DESK

I want to start by thanking all of the club Presidents and all others who came to the Presidents dinner to represent their clubs. Thank you Paw Paw for hosting the event and for the great Taco dinner! We all had great round table conversation giving Presidents the opportunity to share what their clubs do and get input from other attendees.

Huge shout out to Mattawan LEO Vice President Claire Thompson for representing LEO's in our district at the Presidents dinner. LEOs are invited to all of my District events so please encourage as many as possible to attend. Starting as a LEO myself encouraging more LEO/Lion interaction is a huge passion of mine. Did you know that you can apply to get a special "serving together" banner patch? This is a special banner patch for clubs who are collaborating with their local LEO's to creating that lasting relationship! You can find the banner patch application [here](#).

I have issued a participation challenge to all clubs and their presidents! Stay informed, network, and gain new knowledge by attending our district events.

PDG/GST Karol Chopp presented our new District Service Grant and applica-

tion at the Presidents dinner. Get your application in before December 1st to meet our first deadline. April 1st will be the final due date for the 23-24 Lion year.

Finally, please see the save the date flyer for the 2023-2024 District Convention March 22nd-24th. I look forward to great attendance and a ton of fun!!

## District 11B-2 Service Project for **PEDIATRIC CANCER AWARENESS**

I am asking that clubs either make Turban hats or Fleece Caps and bring to Project Night on November 13. These hats will be donated to Bronson's Children's Hospital Oncology floor. We will see who will have the most! (Another option is that you hold an event to raise money to purchase them or donate the money to the district and we will take care of it!)

Here are a few links to find patterns:

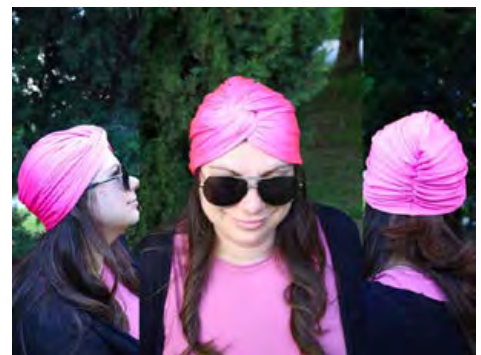

<https://hellosewing.com/diy-fleece-hat-pattern/>

Fleece just makes you want to snuggle into it. Now, as winter sets in, is the time to make DIY reversible fleece hats for kids and adults, using our easy to follow tutorials, as a reversible fleece hat keeps you warm, and is light and soft to the touch. We have supplied some handy tips you'll need to know about sewing fleece successfully, and on distinguishing the right from the wrong side, before you dive into making the reversible fleece hats, that are plain on one side and printed on the other.

<https://hellosewing.com/diy-twisted-turban-hat/>

The twisted turban hat is one of those hats that looks good on everyone – from babies to adults. It can be made in a stretchy or a piece of not so stretchy fabric. I would advise using a material with a bit of give to fit the head snugly. There are two measurements in the chart below, one for the stretchy fabric and one for the non-stretch fabric. This is a perfect project for using up those longish strips of fabric that seem to be leftover. A cuddly fleece or any stretch fabric with a bit of body will do perfectly.

Also, please help share with local hair dressers!

<https://www.wigs4kids.org/>

Maggie's Wigs 4 Kids Wellness Center and Salon is a local grassroots non-profit 501(c)(3) organization that provides wigs and support services at no charge to children and young adults experiencing hair loss due to cancer, alopecia, trichotillomania, burns and other disorders. Our wig recipients, also known as Ambassadors, range in age from 3 to 18, and are located throughout Michigan.

## LMF PROJECT KIDSIGHT

### Lions of Michigan Foundation PROJECT KIDSIGHT

We just have the most Amazing PKS Teams. We have been extremely busy this month.

We started off the month by taking the PKS trailer to the Paw Paw Wine & Harvest Fest. We had some new volunteers helping and were able to screen 41 kids with 2 referrals. The day was perfect as we were only set up to screen from 10 until 2 PM. From that date on, we were super busy each week starting off by being at the South Walnut Elementary School in Bangor. We screened 303 students with 74 referrals, which seemed like a lot! That same day, we went to the Bangor Jr/Sr High School and screened another 430 students with 65 referrals. Again, this was a high number but happy to be able to find students

that possibly need glasses. Many thanks to some of the Bangor Lion Members for coming to help us out!

After that the PKS Team visited the Colon Elementary School and screened 257 students with 25 referrals. We sure appreciated the volunteers from the Colon Lions Club! Next, we went to the Lawrence Elementary School first thing in the morning and screened 198 students with 30 referrals. After we finished at that school, we went

directly to the Lawrence Jr/Sr High School to screen 160 students with 21 referrals.

It didn't stop there, then on Sept. 20th we visited Indian Lake School in Vicksburg. Very thankful for the volunteers coming from Vicksburg, Edwardsburg, Kal-Haven Trail, and South Haven that helped us out. We screened 270 students there with 8 referrals.

Our next stop was Cassopolis Middle School, which we screened 189 students with 26 referrals and then immediately went to the Sam Adams Elementary School in Cassopolis and screened

## LMF PROJECT KIDSIGHT

323 students with 41 referrals.

So, at this point from our Lion year July 1st, we have screened 3,319 kids with 354 referrals! And we still have Hartford Elementary School to visit on OCTOBER 26th, then their middle school and high school on the 27th and then head back to Vicksburg to screen kiddos at the Sunset Lake school with 475 students. Just going to these three schools could potentially add to our numbers of another 1,719 kids. Of course, we won't screen that exact number as we always know there are absentee students.

While at Sam Adams Elementary School, the Principal Tammi Preston came to tell me that during the Parent/Teacher conference, a parent said that she was so happy that PKS was in their

school as their son could not read. Then PKS sent home a referral packet to let the parents know their son was showing an abnormality and suggested they take him to see an eye doctor. Well, he needed glasses, and she was so thankful as her son is in the 4th grade and he is now reading! I got goose bumps with the principal telling me this. We are making are certainly making a difference!

Respectfully submitted,

From Michigan Project Kidsight Testimonials:

*"We would like to thank you from the bottom of our hearts. Our daughter attended a vision screening with a playgroup in the Spring, and she had a picture taken with your special camera. Your free eye screening was a blessing to our family. Victoria had a posterior lenticonus type juvenile cataract in her left eye.*

*The doctors believe she was born with this defect in the back of her eye which predisposed her to forming this type of cataract. This defect was never found at her well-child checkups, and if it was not for the Lions Club finding the defect when you did, Victoria could have lost her eye.*

*Thanks to all of you, Victoria has 2 beautiful eyes, and her doctors believe that with her glasses, she will have normal vision. She turned 3 in January, and thanks to you, she will be a normal and healthy little girl."*

## Lions Arts & Crafts Show 2023 Bake Sale

On Saturday, November 4<sup>th</sup>, 2023, our Club is hosting a bake sale at the Arts & Crafts Show. The bake sale will sell **baked** goods donated by the members of our Club.

Lions Jackie Bralick and Claudia Staude have volunteered to co-chair the bake sale this year.

To meet the sales goal, each member is asked to **make three (3) bake sale items**. The baked goods should not need refrigeration, can be held at room temperature, and be delivered in disposable containers.

To provide a **wide variety** of products to sell, here are a few suggestions:

- Cookies: peanut butter, oatmeal, snickerdoodle, short bread, butter, no bake, chocolate chip, oatmeal raisin, etc.
- Fudge or brittle
- Pies of all varieties (whole pies sell fast!)
- Bars: lemon, brownies, pumpkin, zucchini, blueberry, apple, 7-layer, granola, s'mores, etc.
- Gift breads (big or small loaves): zucchini, banana, pumpkin, date, nut, etc.
- Specialty muffins: blueberry, cinnamon apple, carrot, etc.
- Turnovers: apple, blueberry, cherry, peach, etc.
- Chocolate covered pretzels, or nuts
- **Special requests for sugar-free or gluten-free desserts**

The bake sale table gets covered with all the desserts mixed together so please put a label on each item so we know what it is. Also, please be sure to note if a product has nuts, sugar-free or gluten-free.

Please deliver your baked goods **"bake sale ready"** (wrapped as individual or batch to display and sell), Please **drop off all baked goods in the lobby of the St. Joseph High School Field House between Noon – 4:00 pm on Friday, Nov 3<sup>rd</sup>**. Or between 8:00 am – 10:00 am on Saturday morning Nov 4<sup>th</sup>.

If you are not able to participate, your **\$15-\$20 cash donation** is always welcome. Just indicate "Bake Sale" on the memo line of your check and give to Lions Jackie, Claudia, or our Club's Treasurer Lion David Offord.

**Please give this notice to the baker in your family today so they have time to plan and prepare for another great bake sale.**

**Thank you!!!**

Acceptable items include: Good, clear, scratch free, functioning lenses and frames; glasses for men, women and children; single vision, bi/trifocals or progressive lenses; readers (cheaters); demo frames and sunglasses (both prescription and non-prescription). We are accepting PAIRS of lenses without frames.

We can now accept scratched and broken glasses as well. All scratched, broken or otherwise not usable for vision will be sent to California for them to recycle. If the clubs want to box them separately, ok but if not I will have them sorted. We try and keep as much out of landfill as possible.

We are now also collecting lense cloths, hard eyeglass cases and soft cases in good shape also. But please keep them separate from the glasses.

Please use different boxes for glasses, pairs of lenses and frames. The boxes **MUST** be clearly marked as they will not all be going to Grand Rapids. Mark each box or bag with your Club Name, the type of glasses in each and the count inside.

Count them as follows: very important to count the number of your eyeglasses / frames / lenses.

2 matched lenses = 1 pair of glasses. 1 frame (unbroken) = 1 pair of glasses and each whole pair of glasses of course = 1 pair of glasses

### BUCHANAN-GALIEN

The Buchanan-Galien Lions Club held their annual Member Guest Steak Fry at Lion Tom Gordons on Thursday September 7th. Good fellowship, steak, sweet corn, and all the fixings were enjoyed at the beautiful St. Joe Riverfront setting. Lion Mark Skene welcomed the Lions, guests and future members and filled them in on planned upcoming Lions events. Special Thanks to the Gordon's for hosting and to all of those making food and planning the event.

The Buchanan-Galien Lions held their 6th Annual Kayak Poker Run on Sunday September

10th on the St Joe River. It was a picture perfect day, everyone who participated had a great time, and there was even an eagle sighting along the way. The run went from the Buchanan boat launch to

the Lake Chapin Camp Betz facility and Buchanan Meadows assisted with transportation between the sites.

The 47 kayaks/participants were monitored by the Buchanan Township and Berrien County Water Rescue units and a couple of Lions boats. Several BHS football players and Boy Scout Troop 541 provided manpower assistance in loading and transporting kayaks at the end of the route.

A cookout, raffle and prizes for the top poker hands were waiting at Camp Betz for all participants and helpers.

Thanks to all who helped make this another successful Lions event!

## 11B-2 CLUB NEWS

### LAKESHORE

In loving memory, Bob Cooley sits on a bench lovingly dedicated to his late wife, Nancy Cooley (1939-2022). Nancy's journey with the Lakeshore Lions Club began in 2004, and her enthusiasm led Bob to join as well. Within the club, Nancy actively participated in numerous events and generously sharing her time and spirit.

Together, Nancy and Bob became the gracious hosts of the club's summer picnic and Christmas Party, transforming their home into a festive wonderland adorned with Christmas villages and twinkling lights. Nancy's generous heart extended beyond the club, as she organized an annual Toys for Tots collection, spreading joy to the less fortunate.

Her dedication to serving her community didn't stop there; Nancy also selflessly volunteered at Lakeland Hospitals, where she eventually rose to

the prestigious role of President of Volunteers. Her kindness and unwavering commitment touched the lives of many.

Nancy's legacy lives on through the love and memories she shared with all who knew her. You can find Nancy's bench nestled between the Lincoln Township Library and the Community Center on Roosevelt Road, a lasting tribute to a remarkable woman.

The Lakeshore Lions participated in the 2023 Stevensville Community Fun Day. We thank everyone who came out to join the fun and all the volunteers and sponsors who made the event possible.

### MATTAWAN

The Mattawan Lions Club's September Program Night featured a talk by two sisters who are members of the Lions of Michigan All-State Band, Geneva and Anja Tabor. Geneva plays alto sax and Anja specializes on the Tuba (the club enjoyed a performance by Anja on her tuba that won her a trip to the state solo and ensemble finals).

In 1978, the Lions of Michigan All-State Band was formed as a musical ensemble to accompany the incoming Lions International President, Ralph A. Lynam, who happened to be from St. John's, Michigan. Since its inception, the band has attended and performed at the annual Lions Clubs International convention each year by marching in the Lions International Parade, with more than 10,000 delegates in attendance.

Geneva spoke of her trip to Boston to perform this past Summer with the band, which was a great experience. Both musicians are now trying to raise money in order to accompany the band on their scheduled trip next year to Australia.
