Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt rises as to the right or ethics of my position or action toward others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build and not destroy.

International President Dr. Patti Hill

Dr. Patti Hill is an accomplished teacher, administrator, psychologist and small-business owner. But it isn't her impressive resume that she'll mention when you ask what's important to her.

"The purpose of my life on this earth is to help others achieve their potential. If I'm not doing that, I should be!"

Dr. Hill makes it her mission to find the potential in others and to create an environment that helps them thrive. "I always see the good in people," she says.

Every step in Dr. Hill's career was made because she believed in doing her part to ensure others could achieve their dreams. When she was asked to teach special education in secondary school, she agreed and then promptly enrolled in a master's program focusing on teaching the deaf and hard of hearing.

While she was a young teacher, Dr. Hill's uncle Eddie, who was deaf, had shared stories with her about the difficulty of traveling to distant boarding schools to be educated. Even then, he wasn't allowed to use sign language in school. She hoped she could make education better for students like her uncle.

While working as a teacher of deaf students, Dr. Hill was presented with the results of student testing performed by school psychologists. They informed her that although the students did well in visual perception, they scored low in verbal skills. Stunned, Dr. Hill used American Sign Language as she responded, "You didn't even sign to them!"

She knew her students couldn't achieve their full potential if they couldn't even use their primary source of communication. She didn't want the same thing to happen to them that had happened to her uncle Eddie, so she began taking psychology classes to create a better way to assess students.

Classes eventually turned into a doctorate degree, and now she's a licensed psychologist.

Dr. Hill served for a time as principal at a specialty school for children with severe speech and language development challenges in Edmonton, Alberta, Canada. She also started a consultancy business using her knowledge and experience to help government agencies design and implement better programs for children, youth and their families, which she's been running for more than 40 years.

Dr. Patti Hill devoted her life to making the world a better place. Along the way, she found Lions.

Actually, Lions found her.

LEADER DOGS FOR THE BLIND

Founded by three Detroit area Lions Clubs members in 1939, Leader Dogs for the Blind provides dog guides to people who are blind and visually impaired to enhance their mobility, independence, and quality of life. Each year, over 270 students attend our 26-day residential training program to be paired with a dog guide. This is a life-changing event that opens the doors to independence.

In addition to our dog guide program, we offer programs that enhance a person's independence and quality of life in other ways, including orientation and mobility training, Trekker training, and seminars for Orientation and Mobility professionals. Currently, Leader Dogs is the only facility in the Western Hemisphere to teach deaf-blind students to work with a dog guide.

Thanks to generous donations from our supporters, our dog guide services are provided free of charge, including room and board and travel to and from our campus in Rochester Hills, Michigan, for students living in North America.

Leader Dogs is recognized as a "Best in America" Charity by the Independent Charities of America (ICA).

Make checks payable to "Leader Dogs for the Blind."

EVERSIGHT

Eversight Michigan is a charitable, not-for-profit organization dedicated to the preservation and restoration of sight through transplantation, research, education and partnership. Eversight recovers, evaluates and provides human eye tissue for transplantation; supports research into the causes and cures of blinding eye conditions; promotes donation awareness through public and professional education; and provides humanitarian aid to people around the world in need of sight-restoring services.

LIONS OF MICHIGAN ALL STATE BAND (LMASB)

Each year from 1948 to 1977, a high school band was selected to represent the Lions of Michigan in the annual parade at their international convention. In 1978, an all-state band was organized to honor and play for an incoming Lions International President from Michigan. The Lions All-State Band was created and has appeared annually at conventions thereafter.

The All-State Band has since become one of the Michigan Lions' most acclaimed youth activities. The success of the band is attributed to outstanding students, excellent instructors, and dedicated support staff. Former band directors include Jon Francis, Walter Cole, Jim King, Mack Pittard, and Matt Taton. The current director is Jason Russell.

Students from over 300 Michigan high schools and communities have participated in the band since its inception. The band averages 80-100 students.

Performances center around the band's appearance at the Lions Clubs International Convention, held in major cities throughout the world during late June or early July. Additional concerts and appearance are scheduled enroute to the convention site or during the homeward journey. The annual tour generally lasts 7 to 10 days. Major cities where the band has performed include Atlanta, Chicago, Miami, Phoenix, San Francisco, New Orleans, Honolulu, Philadelphia, Tokyo, Sydney, Beijing, Hong Kong, Seoul, and Montreal.

Make checks payable to "Lions of Michigan All-State Band".

BEAR LAKE CAMP

We aspire to provide a premiere outdoor recreational/educational facility providing opportunities for people of special needs to enhance self-worth, attain independence, acquire social skills and realize their full potential as human beings. We are dedicated to working with the greater community and include them as a partner in addressing the needs of society. We intend to provide an atmosphere that is wholesome and encourages awareness and appreciation of our natural environment.

Make checks payable to "Bear Lake Camp".

CAMP LEO

Camp Leo is a summer camp for physically and emotionally challenged children. The Lions Club of St. Joseph and other area clubs have been supporting this facility since 1984 and, with everyone's continued help, we can keep it going for many more summers.

The four-day camp is operated by the Berrien Regional Education Service Agency (RESA).

The highlight for Lions is the annual Carnival Night. This is the time when Lions we go to the camp, eat dinner with the kids, provide them with games and entertainment, and attend their talent show. It is an experience neither the kids nor Lions soon forget.

Make checks payable to "Berrien RESA". Please note "Camp Leo" on the memo line.

PAWS WITH A CAUSE

Paws With A Cause® enhances the independence and quality of life for people with disabilities nationally through custom-trained Assistance Dogs.

PAWS® increases awareness of the rights and roles of Assistance Dog Teams through education and advocacy. To ensure an Assistance Dog can meet the needs of a client, it has to pass a specialized temperament test and comprehensive health screening to enter PAWS' training program. The dog is matched to a client based on the person's lifestyle, temperament and the physical characteristics required to complete the needed tasks.

Make checks payable to "Paws With A Cause".

YOUTH EXCHANGE

Youth Exchange allows students from around the world the opportunity to visit other countries and learn about their cultures for 4 – 8 weeks each summer. An annual camp is held the 3rd week of July at Covenant Hills Camp & Retreat in Otisville, MI. All these students are sponsored by a Lions Club.

Make checks payable to "Youth Exchange".
