

# Texas Lions Camp

## Summer 2017 Volunteer Opportunity Registration

Begins October 1, 2016 - October 15, 2016

It is time again to register your group for a picnic, watermelon party, coke float party, ice cream party, luggage crew, or awards night sponsorship. Don't miss this opportunity to involve and excite your group members while serving the awesome kids of Texas. Texas Lions Camp will begin registration for these special opportunities starting on October 1, 2016.

Registration is easy!

1. Go to [www.lionscamp.com](http://www.lionscamp.com) and look for PICNIC registration on the home page.
2. Click REGISTER FOR 2017.
3. Fill out the club and contact person information.
4. Fill in the 3 top choices for a service opportunity for your group. If choosing to serve a meal, a proposed menu will be asked of you.
5. SUBMIT.
6. You will receive a confirmation email or a follow-up "YOU'RE NOT FINISHED" email so that a complete registration is made. Those not complete will not be assigned.
7. Early Registration runs from Oct 1 - Oct 15. Groups may sign up after early registration by contacting the camp and seeing what opportunities are still available.

Once early registration closes on Oct. 15, a lottery of all of those registered will determine what group receives each of the service opportunities. You will be contacted after Oct. 15 with the assignment you have received out of your choices, or if you did not receive an assignment to determine what of the opportunities left you would like to do.

This is just one way to be physically involved with the activities of TLC. If you have any questions or would like to schedule a program for your club, contact:

Lion Frank E. Heslin, Jr
