

Grassroots Musings

A hardy welcome to all 5M13 Lions, a year of celebrations, Lions 100th year of service and Canada's 150th.

As District Governor I am looking forward to an exciting year of change and new ideas, not only from the leadership, but all Lions in 5M13. Our first change is the annual convention which will be held this fall, November 4-6, 2016 in Brandon. The District Executive will also be meeting every month (phone or internet) with zone and committee members that need to bring forward pressing needs or information. This will increase the communication with the grassroot Lions, uniting us with common thread of service to our communities.

In that vein of thought of uniting, I throw down the gauntlet and challenge every club to do two things - increase your visitations with other clubs and either increase your club contributions or start contributing to LCIF. We could very easily be a 100% LCIF contributing district. Please work with your Zone Chair and let them help you find information or coordinate a guest speaker for one of your club meetings.

One of our district goals is start a couple of new clubs in this

100th year of Lions Clubs International, so we have some 'Mountains to Climb'. We do need everyone in the district to look forward and decide what their club is going to do, not only for this year but also in the long term. Set some goals but make them attainable and realistic so that you can look back and say, 'yes we got that done', and celebrate your success, which is as important as completing the goal. You find personal and club membership satisfaction at the end of your year.

I encourage all Lions to bring forward your suggestions for new projects and let the rest of us know by passing on the news to the Manitoba Lion and your own local paper.

This year two clubs will reach milestone anniversaries of 60 years, Hamiota in November and Wawanesa in April. Is your club celebrating an anniversary or completing a special project? Please let me know so we can help celebrate your achievement. If it is important to you it is important to the rest of us!

*The District Convention is
going to be a blast, don't miss it!*

See you soon & make a great day!

District Governor Gord Kingdon and Lion Wanda

International President, leading us over the next mountain

It is truly an honor to serve as your new international president during our 100th year of service. As a young boy in Tennessee, I grew up instilled with the bonds of community — a rich tradition of neighbour helping neighbour, and friends and strangers coming together for the good of our community.

Years later, I'm honored to bring that commitment to community service to the office of international president. As we move toward our

Centennial convention in Chicago, I encourage you to celebrate this special moment in our history and to continue to answer the call to serve those who need us most.

No matter where you are, there's an opportunity for your club to reach out to the poor and underserved, and to help bring hope to humanity.

I hope you'll visit my Theme Page at lionsclub.org to learn more about our vision for the upcoming year. I look forward to working with you, and Lions around the world, to climb new mountains and reach new heights of service.

32nd Annual 5M13 Lions Convention November 4-6, 2016

BRANDON, MANITOBA
At Canad Inns Destination Centre
Hosted by Minnedosa Lions Club

**Minnedosa Lions
Club invite you to
join them for what
promises to be a fun
weekend at 5M13
Convention
Nov. 4-6, 2016**

Following registration on Friday we invite you to join us in the MNP room of the Keystone Center for our Gala Ball. Well not exactly a "Gala Ball", more like a "dig in the back of your closet for the ugliest outfit you have been hiding" dance. You know the outfit I mean -- the bright yellow shirt with the big green polka dots on it. Admit it, we all have that one outfit. Our theme for the night is "Put Your Ugly On". Come wearing the ugliest outfit you can find. We look forward to seeing "Your Ugly!"

Saturday will be filled with events that will engage everyone. The morning will be dedicated to the annual meeting. The afternoon will see a variety of guest speakers and activities that will get us up and moving. Saturday night is the Governors' banquet. An elegant meal followed by an inspiring address from our International Director. The Rainbow Auction will follow. This year we are planning to do things a little different so make sure you bring your wallets (LOL). After supper join us in the Road House as we ROAR into the night with music; dancing; fellowship and maybe a few beverages.

Sunday morning will start with a non-denominational Church service. Everyone is welcome! Some last minute business to take care of, then home time.

We hope to see you all there to help get the New Year off to a ROARING start.

LIONS DISTRICTS submit one winning photo to the MULTIPLE DISTRICT by January 15, 2017.

The Lions Environmental Photo Contest provides a way for Lions and Leos to portray, through an original photo, their pride and commitment to improving, protecting and preserving the environment. The contest begins at the club level. Winning photographs advance to the district, multiple district and international competitions. All photos depicting a nature theme (such as plants, animals, weather phenomenon, etc.) are welcome. Photos should depict the local environment of the community the Lions or Leo club serves. Photos that include people will be disqualified. An award will be presented to the winning photographers and the photos will be featured on the LCI website.

Environmental goals for Clubs & Districts

Welcome to the 100th year of Lions. To help celebrate our 100 years of service to mankind we would like to let everyone know what we as Lions are doing to help protect our environment.

This year especially we want to make an impact on what we do both in our daily lives and in our communities that we live in. To help reach the goal of 100 million people impacted by what we do we are asking each district and club to sponsor an environmental project.

Community Clean-up project:

A Lions community clean-up is a great way to improve the environment and work alongside Lions, Lioness, Leos and members of your community on a "hands-on" high-visibility service project.

- Removing debris from a roadway, waterway, nature trail, school or train station.
- Clearing debris away after a heavy rain or flood.
- Raking autumn leaves.
- Removing graffiti from public buildings, bridges or fences.
- Landscaping a public area.

Recycling:

Organize a recycling program, work with local recycling organizations.

- Eyeglasses
- Hearing aids
- Electronics (Batteries, Cell phone, computers)
- Books, magazines, telephone books
- Plastics
- Paint
- Inkjet cartridges
- Shoes
- Clothing
- Medical equipment such as wheelchairs and crutches

Tree Planting:

Trees play an important role in sustaining a healthy environment. Every tree planted by a Lion is part of a large scale effort by members around the world to make a significant impact on the environment.

Project planning guidelines:

- Evaluate your community needs.
- Consult with local authorities to determine the appropriate tree species for your local area.
- Partner with local groups that can help leverage resources and expertise.
- Determine the best project for the community.
- Outline a plan and include procedures, material needs and expenses.
- Submit the plan and budget to the club or district for approval.
- Invite local media to observe the project.
