## A Journey for Sight

The Lions Journey for Sight completed their 33rd annual ride January 11-16, 2016, raising funds for The Lions Eye Bank of Manitoba and NW Ontario. Riders coming from Flin Flon, Thompson, and southern western points of Manitoba gathered on Saturday afternoon, January 16 at the Brandon Airport. The Brandon Lions Clubs provided a meal and refreshments for the riders. An estimated \$40,000 in pledges was collected, with more still coming in.

Lion Brad Henderson of the Sinclair Lions Club (left) gets a warm welcome on Saturday, January 16 at the Brandon Airport, as he will take over as chairperson of the Journey from Sight from Lion Ian Mullin of the Bowsman Lions Club.

With the temperature around -26C on Saturday, January 16 (with a windchill of about -45C) the riders had a cool ride. The south leg (photo left) meet up with north group in Brandon on Saturday afternoon who were making the journey from Thompson.

Watch for more photos and updates in next month's Manitoba Lion

## UNITING PEOPLE THROUGH SERVICE

DISTRICT  
GOVERNOR  
LOUISE  
KERNERSTEDT

By the time you read this the Journey For Sight ride will be over. Thank you to everyone who participated and helped to make this ride a success. The raffle draw will take place on Sunday morning at our District Convention. I hope everyone has registered and looking forward to coming. It would be great if we had delegates at the Annual Meeting from all the clubs. There are changes to our constitution that will be voted on. Your input is important.

Our International Director attending is Roderick Wright from New Brunswick and I believe this is the first time we have had a Canadian Director attend. He has been a Lion since 1984. He has presented at the

2009 International Convention leadership exchange and was moderator at the USA/Canada Forum in Alaska. Director Wright has one son, two daughters and two granddaughters.

Have you made your plans for the Parade of Green? All the choices are certainly great causes. Perhaps this year you might consider including LCIF in your donations. The major part of their funds comes from donations from Lion's clubs. Lions are noted for their giving spirit and the desire to help others. Lions Clubs International Foundation's funding helps to unite us worldwide. The areas that receive support are Sight, Disaster, Youth and Humanitarian Efforts. Some of their achievements have been to prevent serious vision loss for more than 30 million people, restore

sight to 7.67 million through cataract surgeries, and conduct more than 19 million vision screenings for children. It is hard to believe the amount of help they have provided. In the past clubs in our district have received grants from LCIF and their projects have become a reality.

At the end of December the report indicated only two clubs

in 5M13 have sent in donations. Let's change this number in the report to state all of our clubs have donated to LCIF.

The year is certainly going by quickly. There are still clubs that have not scheduled a visit. Would you please schedule your clubs visit as soon as possible. I would certainly appreciate having the visits scheduled.

## Please support the Diabetes Initiative at the Parade of Green

Hello Gentle Lions:

Happy New Year, welcome to 2016. Our 99th year of serving our communities.

I would like to thank you for your donations to Diabetes Initiatives at the 2015-2016 Parade of Green and I am asking once again your club support diabetes causes at the upcoming Mid-Winter Convention in Portage. We will be having a Diabetes Camp presenter at the Mid-Winter Convention, and I am sure you will find out first hand what a difference the camps make in the lives of the camp attendees.

I would like to remind you that the **Lions Clubs of 5M13 can donate funds to two different diabetes causes at the Parade of Green** and I wanted to give

you a small heads up about each initiative

1) Funds your club donates to the **"Cavalcade for Diabetes"** will be sent to the club that is hosting the cavalcade, and added then to funds raised at the Cavalcade. Funds will be forwarded to the CDA with the direction that these funds be used to support Camp Briardale, the Diabetes Camp in Manitoba and for Diabetes Awareness in the District.

2) If your club wishes to support diabetes research it can be done in two different ways. You may donate any amount and the funds will go to the CDA for research, **however if your club donates a lump sum of \$800.00 you may purchase a "Harry A. Newman Diabetes Award"** and designate

**the person receiving the award, which your club can present to an individual.**

Each recipient of the Harry A. Newman Diabetes Award will receive an engraved glass award from the Canadian Diabetes Association, a Harry A. Newman lapel pin, and a personalized letter from the Canadian Diabetes Association Chair of the Board. A "Harry A. Newman Diabetes Award" application to be included with the funds you send to the Parade of Green.

You will find the "Parade of Green" to the right. If you have any questions or comments regarding the above initiatives please contact me.

# GRASSROOTS MUSINGS

LION GORD KINGDON,  
1ST VICE DISTRICT GOVERNOR

I hope you are preparing for the next big district 5M13 Lion celebration, the Mid-Winter Convention in Portage la Prairie on February 19 - 21st. It is a good place to meet new friends, swap stories of your successes and get to see how far and wide Lions touch people throughout the world.

It's not only in your community but on the other side of this beautiful planet, where we can and do make a difference. Your clubs support of Lions International Clubs Foundation (LCIF), no matter how large or small, is a very important part of the larger picture. This is the way Lions International funds the support for disaster relief, medical, vision, hearing and the many

other projects worldwide. In 5M13 we have received many more thousands of dollars in grants to support our large projects like the one of the waste processing facility at Swan River, and many other smaller projects where we needed the boost of funds to get started or continue it. So don't forget to give LCIF support, to whatever level your club can do.

Let's work together as a district, support LCIF and become a 100% contributing district, let's show the rest of the districts we can do it. It will also help your club work toward a Club Excellence Award.

Of course Lions Clubs International Foundation is only part of the areas where

"WE SERVE". In the last paper was the list of the programs that the clubs of 5M13 are helping our folks that need help in Manitoba - the infamous Parade of Green - please support what you can, part of all your fund raising should be slated for other projects or programs other than in your immediate community.

Why would we support outside of my local community is a question that I have had asked.

Well to give a short answer, the folks in your community go to various places in Manitoba for treatment or to support a family member in treatment, or have a medical need that

requires to be diagnosed and programs such as the Medical Assistance Program (MAP), the Hearing Foundation programs, services provided by the Eye Bank of Manitoba and Northwest Ontario, accommodation services, Diabetes. Programs like Youth Camp and Exchange, provide an opportunity for our youth to learn about other cultures and teach other students about our country. I could go on but I'm sure you get the picture. These services are all assisted by your club donations so they can be

provided to the folks that need help when they are outside of your local community.

For those of you new to Lions, the "Parade of Green" was initially where the various club representatives, at the Mid-Winter Convention, would line up in a "parade" to present their cheques (green) to the programs that they wanted to give their donations to. "And now you know the rest of the story"!

Let's start working toward filling the club officer positions for the next year in the next few meetings. You know it is going to sneak up on you! Starting to talk now to your club members and get a nominating committee in place will take the stress off.

There are several opportunities coming up for self-improvement through Lions training courses, both on line, in the district and the Multiple District. Please consider one and challenge yourself to new heights. For those of you considering an officer position there is lots of training available and lots

of support from Lions right here at home, we know you can do it. We all have to start somewhere, and right here, right now, is a good time to take your next step.

How are your club projects coming along? Please don't forget to let Lion Lorraine at the Manitoba Lion know by sending her your pictures and write ups about the ones that your club have participated in or have coming up. Your projects are important for the community to be aware of - let them know what you are doing; people want to be part of something successful and visible.

I will leave you with a quote that I found in a booklet that will wrap up my thoughts this time around.

"Keep a dream in your pocket and a song in your heart;

Keep the lamp of your learnin' burnin' bright.

Keep your eye on your horizon and a smile on your face

As you travel down the highway of your life."

Where there is a need, there is a Lion.

Share the Lions experience with someone else ASK them to be ONE!

Lion Gord

### Making a Difference

Have you ever wiped the tears away from a loved one's eyes when they were bullied? Are you concerned about the risks young people face on a daily basis? What are your hopes and dreams for your children and grandchildren?

Lions Quest Canada believes in 5 things all kids need:

- Strong positive relationships with people who care about them
- Safe and caring places to live, learn, and play
- Opportunities to provide service to others, learn and try new things
- Healthy habits
- Hope for the future

### What are we working on right now?

**Updating programs for our schools** – The US revision of **Skills for Growing**, **Skills for Adolescence** and **Skills for Action** is complete. We need to invest \$90,000-\$100,000 to further revise and adapt the Lions Quest material for our Canadian schools. This will ensure that we continue to deliver the most effective programs to support the social emotional development of our young people and remain a leader in the field.

**Expanding our work into communities** – We have workshops and train-the-trainer options to involve all adults in supporting our children and youth with the same positive youth development approach we use in schools. We say it "takes a village to raise a child" – we need to help the villagers be effective in their role.

### How can you help?

For **\$250**, you will be recognized as a **Champion Club**, and we'll send you a banner patch.

For **\$500**, you can honour someone with a **Lions Quest Fellowship**. The application is available on our website at [www.lionsquest.ca](http://www.lionsquest.ca).

Make sure Lions Quest is part of your annual club budget.

Contact us if you are interested in bringing Lions Quest training to your school or community.

# Celebrating LCIF

LCIF Week is an annual event that gives clubs and districts an opportunity to publicize our Foundation. This is an excellent opportunity to discuss how LCIF supports the efforts of Lions both locally and globally.

LCIF has resources to help you promote the Foundation and promote your club so your community can see the life-changing work your club, your district and your Foundation are

doing every day.

As clubs, districts and multiple districts come together during this LCIF Week, remember that LCIF is the cornerstone of service. Service looks different all around the world. In your area, it might be vision screenings, beach cleanups, or vaccinations.

Whatever service looks like in your community, know that LCIF is there to support you while you bring hope and comfort to those

around you.

Donations to LCIF help make it possible for Lions to meet the growing needs of people around the world.

LCIF has laid the cornerstone, and you Lions are building upon it every day!

For more LCIF information, materials, or arrange a club presentation you can contact me at [camerontanya@hotmail.com](mailto:camerontanya@hotmail.com).

## Will your club accept the Challenge?

The 5M districts are trying to get all of the clubs to donate to LCIF.

5M13 challenges your club to donate so our Multiple District will have the greatest % of club donations.

Lions clubs support LCIF so they can provide grants to support local and global projects benefiting millions of people. Some projects are diabetes, Lions Quest, Sightfirst and Special Olympics. One of these projects will have touched someone you know or someone in your community.

**What your club does today can improve the tomorrows.**

PS: Not only will our district have bragging rights as an added bonus, our district will be recognized by LCIF in the newsletter if we rise to this challenge!

## Please donate to LCIF Give aid to refugees in host countries

LCIF helps Lions improve peoples' lives around the world, from funding medical treatment and research to responding to major catastrophes, to providing valuable life skills to youth.

No matter where you live, you have probably heard about the refugee situation in Europe. Hundreds of thousands of people have been forced to leave their homes and make their way into Europe. They are leaving Syria, Kosovo, Afghanistan and several other countries, usually on foot and carrying what few possessions they still have. They are searching for a place to call home, where they can safely raise their families. Many of them are crowded into camps, lacking adequate food, water and medical supplies.

This is where Lions Clubs International Foundation (LCIF) and Lions can help. LCIF has approved US\$200,000 to help Lions address the needs of refugees in host countries. The Lions of Sweden and Turkey are already hard at work providing relief materials to refugees near the Greece/Turkey border. The

Lions in the Istanbul, Turkey region have received a grant for refugee assistance, which they plan to establish a school for refugee children and support the nutrition and hygiene needs of 100 families for two months.

Please consider making a donation to LCIF's disaster fund so Lions in the affected areas can help where help is needed most. Your club can make a difference.

## Did you know Lions Clubs are not just for your grandfather?

Lions has the old stigma of an "old boys" club. This is no longer the case. Lions actively seek out younger members as well as females. I myself am a young female who has been serving as a Lion for a couple of years now. I grew up believing that Lions were an "old boys" club and that is something my grandfather would do, not me.

Was I ever wrong!! When I became a Lions I could not believe what I found. There are lots of women and young people that are Lions.

To top it all off there is plenty of conversation on how can we attract younger members and what can we do differently

so that people with young children can even attend? We recognize that Lions could be a dying breed if we do not gain younger Lions. In our district we also have 3 Leo's clubs which is like the step before Lions for minor youth to be active like a Lion and start learning about what it is to be a Lion in hopes that they will become our future.

If you want to be a big part of your community and experience what it is to serve look no farther than your local Lions club. I challenge you to let out your inner Lion and roar!!
