# ManitobaLion

VOLUME 28 Number 10 JUNE 2014

THE ONLY ALL CANADIAN DISTRICT IN 5M

## Thanks for the wonderful year ... and enjoy your summer.

Here we are nearly at the end of our Lion Year. It has been a fantastic ride, visiting so many Clubs, meeting so many great Lions and hearing about all the projects that each of you have taken on. The hospitality was out of this world and it would be so great to have each and every one of you visit our home. I know that probably won't happen but anytime you are in Brandon please give Lion Bev and I

a call.

The District owes a great deal to the Clubs who have grown our districts membership. At the time of writing this the totals were 1256. Who would have guessed, all the way from 1186 at the beginning of the year and we are not finished yet. Thank you to each and everyone of you who have stepped forward and sponsored a new Lion. Our Lion

family is growing and we will be even stronger in the new year. Each of your clubs are growing your legacy in your communities.

We have just a few visitations left but all will end with a big campout at Sandy Lake with the Zone 5 Lions. Looking forward to that, it's a great way to end the year. The last Cabinet meeting will be in Brandon June 6 & 7 at which time

all the final reports will be received and I will hand the gavel over to our incoming DG Lion Omer Champigny.

The weekend of April 25/26/27 saw us in Morton, MN for the Multiple District Convention. 5M13 was well represented with 14 Lions attending along with 580 other Lions from the other 11 districts.

This was the last Council of Governors meeting for the year. One of the highlights for 5M13 was the induction of Lion Del Pringle, Brandon Wheat City Lions into the Lions Hall of Fame. PDGs Haynes Townsend

and Debra Wasserman did the presentation. Judge Townsend was also the International Guest from Georgia, USA.

## Lions Clubs International Foundation

Submitted by Lion Harvey Kingdon

The thirty day measles challenge in April was a success. Donations totalled more than US \$870,000, which will succeed the US \$ million goal when combined with the US \$500,000 in matching funds from Abbey and PDG Aruna Oswal. In District 5M-13 among the donors was the newly formed Binscarth Lions Pathfinders Club Branch which made a donation of \$175.00.

As the year comes to an end, if your club has some excess funds, a donation to LCIF would be appreciated. It is the official charitable organization of Lions Clubs International. It was formed in 1968 to accumulate funds to help those in five large scale humanitarian projects: promote sight, combat disabilities, promote health, support youth, and provide disaster relief.

# Lion Cheryl McKitrick hands over reigns to Lion Chad Bodnarchuk for Global Leadership Team

PDG Lion Cheryl McKitrick,  
District Coordinator

I have had several phone calls and emails, asking for help to complete the reports to LCI and the district. I have worked on my computer and they on theirs at the same time with great success. It has been very rewarding to see, the club secretaries, who are interested in their position ... improve, progress and be successful.

We held a very intense Zone Chair training in August, and provided them with a working document to follow for time frames and guidelines. The DG Team has been in touch on a regular basis with the Zone Chairs to assist them as required, and to see if they have any concerns with their clubs. DG Lloyd McCabe held regular "Go To Meeting webinars" to discuss the good things in our Zones and to keep the Zones Chairs motivated re: membership needs. We do know that there are some club concerns. 14 Clubs have completed the CEP process, and we are keeping this foremost in our planning for the new Lions Year, and it will be a priority in the new Lions year goal planning, I am sure.

Our specific goals at the beginning of the year were:

- 1) To reach as many Lions with leadership training as possible, through Zone meetings and club meetings.
- 2) To provide Zone Chair Training
- 3) To provide Officers Training throughout our large geographical area
- 4) To provide a Guiding Lion and Mentorship course as required. There were three Lions who took the Guiding Lion Course online and were successful in receiving their certificates.
- 5). Host at least 1 CEP Process in 5M13.

Our action plan to achieve these goals have been, to verbally contact Lions clubs on a regular

basis, also putting several write ups in our district newspaper at frequent intervals. Keeping clubs informed of district happenings via email. All the clubs in 5M13 have email addresses.

We feel we will have met all the Goals by June 30th.

We held two Leadership College training days in April in Austin and Roblin. The attendance was awesome, 20 clubs attended: Crystal City, Holland, Portage la Prairie, Neepawa, Minnedosa, Austin, Brandon Prairie Pride, MacGregor, Rapid City, Rivers, Oak Lake, Binscarth, Binscarth Pathfinders Lions Branch Club, Shoal Lake, Sandy Lake, Rossburn, Roblin, Wawanese, Birtle and Swan River Lions. Total of 51 Lions, Wow!

Congratulations, and Pat yourselves on the Back.

This year has been a great success with the DG Team, GMT/GLT working together as a Team. Our team has worked together with the clubs for the betterment of District 5M13 and their Lions communities.

One of the main Goals for the DG Team this year was to reach the 1250 Lions Membership Goal. It has been a big task, but we are almost there. Congratulations to everyone!!!!

As for difficulties we have faced as a team, it is the usual, getting club members to become a part of training, and Zone meetings, getting them to make an effort to increase their knowledge, and just getting them to feel comfortable in asking for assistance and guidance. We must soldier onward, be happy with the numbers we do reach every year.

As a team we are energetic and positive, and that attitude passes on to the clubs.

This will be my last report, as Lion Chad Bodnarchuk will become the GLT D Coordinator for the three year term starting July 1, 2014. I know Lion Chad will fulfill this role to the best of his ability. He is a positive, organized, energetic, young Lion, and very comfortable with the Leadership Role.

I want to thank everyone whom I have worked with over

the last three years as Global Leadership D Coordinator, and look forward to remaining on the Leadership Team. I will also be a member of the MD5M Global Leadership Team starting

July 1st, under PCC Bruce Beck as Coordinator.

## Rossburn Lions honour members

Rossburn Lions Club recently visited the Rossburn Personal Care Home to visit two of our Lion members which we presented certificates in honour of their invaluable services rendered to this community and Rossburn Lions Club. The Club honours these members and appreciates their past loyal, faithful and unselfish efforts in the interest of Lionism.

Lion Orest Smycniuk has been a member since Rossburn Lion Club was formed in 1960 and is a charter member.

Lion Harvey Yanick has been a member since 1996 involved through the years both with Russell Club and then Rossburn Club. These honoured gentlemen reside at Rossburn Personal Care and also received a cosy blanket.

## Publicity ideas for your Lions Club

There are many ways to tell your community about your Lions club and activities.

If your club is sponsoring a community event:

– Ask to have information posted on your community Web site or message board.

– Pass out flyers or brochures about your club and its activities. If the event is a fundraiser, hand out information telling how the money will be used.

– Display the Lions logo and club name prominently on all materials and at all activities and events.

# Purina Walk for Dog Guides

About a dozen Lions Cubs in the district sponsored a Purina Walk for Dog Guides this past month.

To some these dog guides are their eyes, to others, their means to live independently. If your club did not take part this year, get more information at [www.purinawalkfordogguides.com](http://www.purinawalkfordogguides.com) and join the steps towards independence before May 2015.

Participants & volunteers at the Lions Foundation of Canada Walk for Dog Guides held at Wawanesa on May 25, 2014. Wawanesa Lions Club raised \$1160 for the Dog Guide Program.

Minnedosa Lions Club held their 2nd annual Purina Dog Walk on May 11, 2014. We had 12 registered walkers and 20 walkers showed up for the day. With four corporate sponsors the club raised \$2376. A light brunch was served before the walk. Even though it was a cold day everyone had fun.  
Submitted by Lion Donna Illerbrun

Hardy walkers make the trek through the rain for the Binscarth Lions Purina Dog Walk for guides. \$850 was raised.

Portage Lions Club with Oakville Lions, MacGregor Lions and La Prairie Lioness worked together to organize and run our Purina Dog Walk. We had 20 people who gathered pledges, and about 17 who brought out their dogs. Pledges totalled \$4,295, with about \$500 in donations, which have yet to be tallied. We had almost a constant light rain and so anyone outside, walkers, dogs and some Lions got soaked.

Submitted by Lion Wilf Schellenberg

On May 25 the Sprucewood and Area Lions Club decided to give the Walk for Dog Guides a try once again. It was very successful! Scott Lloyd, Chief of Defence Staff represented the Shilo Base Commander and he attended with family and dog. The walk started at the Sprucewood Hall in Shilo with 14 walkers and 9 dogs. They walked to the rear of CANEX where a water station was supplied for both people and pooches by Brightside Dental Clinic.

Upon returning to the Sprucewood Hall pooches were gifted with scarves and treats provided by Purina and walkers could partake in a Spaghetti lunch. While all proceeds are not in, we do know we exceeded \$1000.00.

## Please publicize your Project Pride

Submit your photos to The Manitoba Lion and your community newspaper

I know that many clubs participate in this fundraiser for the Lions Foundation of Canada. The way your club chooses to distribute flags is entirely up to the individual clubs. As soon as your event takes place, please publicize it by sending pictures and a description to the Manitoba Lion and your local paper. Let's share the pride on the children's faces as well as ideas for distributing the flags. This is a wonderful way to connect with children.

## Prairie Pride recent activities

The Brandon Prairie Pride Club delivered Cancer Society of Manitoba packages across Brandon at the end of March so that volunteers had the information for the April canvas.

For the second year, a Pasta Dinner is being organized for May 24, 2014 with the Brandon Chefs Association and Crocus Plains Regional Secondary School. This is in conjunction with the YMCA Spring Run, which takes place the following morning, and proceeds raised from the dinner will be donated to the Y Strong Kids fund. You don't have to be a runner to come and enjoy a great pasta dinner prepared by the Brandon Chefs

Association and students from the school!

Five members attended the District Governor's visitation dinner May 6, 2014 in Brandon.

Lion Lynda Nay-Kamann recently collected almost 100 pairs of eyeglasses from friends, neighbours and fellow members of Prairie Pride Lions Club.

The Club now meets at Trails West Inn, 210 - 18th Street N the first and third Fridays of the month, at 7:15 a.m. for a breakfast meeting.

The club sends congratulations to Lions BJ and Louise Hersak who welcomed a baby girl at the end of April. Congrats BK and Louise!

## Lions Year End First Annual Windup BBQ Picnic and Campout

Saturday, June 21  
Lion's Campground Sandy Lake

Greetings Lions;

June 21 -- the 1st Year End Windup is rapidly approaching. To refresh memories the event will take place at the Lion's Campground in Sandy Lake and will consist of a BBQ/Picnic/camp out.

Conceived originally by members of the Shoal Lake Lions Club the event has grown to include all clubs. The concept is a day where ALL Lions and their families can gather to foster the spirit of Lionism and camaraderie, in an informal setting. The opportunity to renew old friendships and make new ones will encourage members, renewing their dedication to

the cause of Lionism.

It is intended the windup will show there is a fun side to the club. If clubs have new prospective members this would be an ideal opportunity to invite them to attend and to see first hand what we are all about.

Members will be encouraged to bring their campers. Due to the rising cost of meat and time constraints the community supper will be a pot luck. Lions are asked to bring their own meal plus one dish to share with the rest of the group. Refreshments will be the individuals responsibility. Spend the night socializing with fellow Lions but those who don't camp can come for the day. Children,

grandchildren, cats and dogs will all be welcomed.

The campground is adjacent to Sandy Lake which is popular for swimming and fishing.

Your attendance at this event is respectfully requested. The Zone is hoping this will be the first of many to follow. Please direct any questions to Lion Bob Brudy at your earliest convenience by email or by telephone at 204-759-2393. Questions regarding the campground and reservations can be done through Lion Paul Rochon at 204-585-5332.

Yours in Lionism;  
Robert (Bob) Brudy  
President

## Thoughts from the 5M13 District Governor Elect Lion Omer Champigny

As I work on filling positions on the District Cabinet, I realize that the reluctance of Lions to come onto Cabinet may stem from the fact that we as Lions, may not have prepared our younger generation to take on additional responsibilities. If this is the case, we are all to blame to some degree, after all, developing future leaders is everyone's responsibility. If we are to continue to be a successful District, we must encourage new leaders to pursue leadership opportunities and positions.

as well as the club. New members bring energy and enthusiasm and along with that, new ideas to the club.

In one way or another, we have all something in common, we were all new or young Lions at one time. Someone mentored us and encouraged us to take on more responsibilities. It is now our turn to pass on our wealth of knowledge and experience to the new generation.

If someone in your club is prepared to move on, I would invite them to consider serving on cabinet and being part of the bigger picture. One does not have to Chair a committee until he/she is confident enough to do so.

We must give the existing Cabinet members who have served faithfully for many years to take a break if that is their wish. Many are reluctant to resign from cabinet as they fear a loss of continuity/focus may occur should they resign.

A healthy Cabinet, filled with energetic and enthusiastic Lions will benefit Cabinet and help keep our District vibrant and relevant as we enter a new age. District 5M13 has an excellent reputation in the Multiple District, due to dedicated Lions. We have all worked very hard this year to raise our numbers and now we have the members, are we doing what we can to help them take on a new challenges?

Lion Omer Champigny  
DGE - 5M13

All club officers and Zone Chairs should be able to identify Lions who already demonstrate some leadership skills and mentor them towards taking on a more active role in club/district leadership.

This can be achieved by incorporating a three step process:

### **Mentoring:**

Information on Mentoring can be found on the LCI web site which gives you more information about how to engage in a mentor/mentee relationship. If you are currently a mentor to a new member or younger member, are you developing him to become a good Lion/Leader? One that is encouraged and fully engaged? If the new Lion is supported and engaged, he will be encouraged to take on more responsibilities.

### **Delegating:**

We must delegate tasks to new leaders to provide them with opportunities to demonstrate and develop their leadership skills.

### **Modeling effective leadership yourself: (role model)**

Do you model the following practices in order to develop an effective leader?

- 1) Challenge to Process,
- 2) Inspire a shared Vision,
- 3) enable others to act,
- 4) Model the way and
- 5) encourage the heart.

Encouraging these new leaders to pursue leadership opportunities and positions will not only benefit the new Lion, it will benefit the sponsor/mentor
