Earn a Centennial Banner Batch

As our International President, Dr. Jitsuhiro Yamada recently said for nearly one hundred years, Lions have strengthened communities around the world through service.

As we have reported beginning last year, we are about to celebrate our 100th anniversary. We are advised that to date more than 46 million lives have been impacted so far making our goal to serve 100 million lives well within our reach.

Every club is encouraged to host at least one service project in each of our Centennial service areas of youth, vision, hunger and the environment during this Lion year. Participating clubs can earn a Centennial banner patch but **it is mandatory that secretaries report their projects through MyLCI Service Activity Report**. Not only can your club be proud of the banner batch that your CLUB may receive but also

proud of the satisfaction that comes from changing a life. Several clubs in 5M13 qualified for their special banner patches last year so let's make your club one of those for this year.

Get on board and earn a Centennial Banner Patch with a special gemstone design each year you support the Centennial Service Challenge campaigns to impact Youth, Vision, Hunger and the Environment. Each gemstone represents the number of different Centennial Service Challenge campaigns your club participates in during the fiscal year.

The more Centennial Service Challenge campaigns your club participates in, the

more gemstones you can earn for your banner patch.

Earn a diamond-level Centennial Banner Patch by participating in all four Centennial Service Challenge campaigns! Qualifying donations to Lions Clubs International Foundation will also count toward your Centennial Banner Patch.

Centennial Coordinator

Three great ways your club can join in the Centennial Celebration

Dear Lions,

The Centennial Celebration is bringing Lions around the world together to celebrate our 100th anniversary. Here are three great ways that you and your club can join the celebration this year and throughout the Centennial Celebration:

Lead through Service

by hosting at least one Centennial Service Challenge project in each of our service areas of youth, vision, hunger and the environment. Be sure to report your Centennial projects on MyLCI to earn a banner patch for each year that your club participates.

Invite for Impact

by setting a club goal of inviting at least 3 new members to join your club. You and your club can earn limited-edition awards in the Centennial Celebration Membership Awards for inviting new members and helping to sponsor a new club.

Connect with Community

by planning a Centennial Community Legacy Project. Celebrate 100 years of Lions by identifying a special project that will make a lasting impact in your community. Look forward to receiving more information about developing your own Legacy Project.

Please look at the Centennial Celebration Flyer on page 9 and share it with your club today!

Important Changes Revised Suspension Policy set by Lions Clubs International

Hello Lions! You asked and we are delivering! At the last Lions in Crisis Meeting it was brought to our attention that members want to know what is coming across the desks of our Executive. The Global Leadership Team (Lion Trainers) and the Global Membership Team (District Recruiters) will try to do just that.

Some important changes have occurred over the year with policy both at the International level and the District level.

First is the Revised Suspension Policy set by Lions Clubs International. The bottom line is that the payment policy has changed from 120 days to 90 days.

**In laymen terms,
your dues must be paid
no later than
Sept. 29 and March 29
semi-annually.**

The repercussions of late payment are **VERY serious**. The first offence will place your club

into suspension. This means your club cannot:

- a) Conduct service activities
- b) Conduct fund raising activities;
- c) Participate in district and multiple district functions or seminars;
- d) Participate in any voting procedures outside of the club
- e) Endorse or nominate a candidate for district, multiple district and international office;
- f) Submit Monthly Membership Report and report forms;
- g) Sponsor a Lions club, or organize a Leo or a Lioness club.

Any club not paying their dues on time more than twice will not be allowed to have their club charter reinstated.

The District also amended its Constitution and Bylaws to reflect the changing times.

**Email and texting
can now be used to entertain
motions and voting.**

This change makes motions sent by email or text binding.

Should a motion be sent by this method, Lions have no more than 5 business days to respond to the motion, and the Secretary of the club must account for all "for and against" votes.

Let's talk about:

Lions Quest is not selling tickets this year. They are looking for your support, so remember to think of them at your next meeting!

The Roar for Hearing, a 5M13 fundraising initiative to raise money for children's hearing aids and other equipment in Manitoban's held their 2nd Annual Poker Derby on September 13th. This event was bigger and better than last year! If your club hasn't had an opportunity to donate to this cause you have until the end of October!

Next month's topic of discussion will be Lions awards.

Remember, the only reason we need to think outside the box is because we created the box in the first place!

Lion Chad Bodnarchuk,
5M13 Global Leadership
Coordinator

UNITING PEOPLE THROUGH SERVICE

DISTRICT
GOVERNOR
LOUISE
KERNSTED

I can hardly believe we are into the fourth month of our Lions year. Our summer always seems too short. Many clubs have been busy with activities throughout the summer months. It was great to read your reports and see the pictures. Lions are always an amazing group. When we read our Manitoba Lion we realize how much needed help we are providing. There is no activity to O small to report. Let's support our neighbouring Lions clubs by joining in their fundraisers and having fun. You may even get ideas for fund raising.

October 4th - 10th is the "Worldwide Week of Service in Sight". President Yamada invites you to join Lions around the world for a special event to raise awareness about eye health, blindness and vision impairment. Vision screenings, provision of eyeglasses and assistive devices, and eye health education are just a few ways your club can bring dignity to friends and neighbours.

Let's encourage eye examinations of preschoolers as it is so important to detect problems early. We are very fortunate in Manitoba as the cost of the vision screening for youth under 19 is covered under our medical plan. We might wish to educate our community mem-

bers so no child goes without eye examinations during their preschool years and as early as six months.

We are collecting used eyeglasses and helping many people throughout the world. If your club is not presently collecting eyeglasses it might be something they would consider doing. Glasses can be dropped off in Winnipeg at the Lions Eye Bank at 320 Sherbrook Street or with Lion Doug Smallwood on 22 Bluebird Crescent in Brandon. Lion Doug is with the Brandon Wheat City Lions Club.

I would be happy to pick the glasses up when I visit your club.

A "Go To Meeting" was held by Lions Quest Canada in September. We were informed about a program that was developed for youth serving organizations in our communities as well as community leaders

and others who care about our children. This might be a project your club is interested in organizing in your area.

Zone meetings will soon be underway. I would like to encourage all club officers to attend and invite the club members to accompany them for the informative and fun meeting.

The last reports from LCI indicate that some of our clubs have dues that are 90 days old. Please check your dues and remit them promptly to prevent your club from being put on suspension.

Guess what! Our membership count on August 31 was 1197. This number is exactly the same as it was one year ago.

It would really be appreciated if clubs would schedule the date the governor's visit soon. It would be very helpful if you would partner with your neighbouring clubs for this occasion. A request form is to the right.

Lion Training for Trainers

5M13 Lions Gord Kingdon, Chris Miles, Myrna Miles and Facilitator Cheryl McKittrick worked very hard for three days learning the skills to be a Trainer. They each had to complete and do a presentation for evaluation which consisted of a 20 minute session with Power Point and group discussion. The Trainers were very proud of the 17 students from MD5M.

Help Protect Your Emblem

The logos pictured above are just a few of the registered trademarks of Lions Clubs International. The Lions Clubs International trademarks are defined as:

"Any existing and future association names, emblems, logos, seals, registered trademarks and other trademark interests, including but not limited to Lions, Lioness, Leo, Lions Clubs, Lions International or Lions Clubs International."

Who can use the Lions emblem?

With few exceptions, as granted by the Association's

Trademark Policies, only the Club Supplies and Distribution Division of LCI or our Official Licensees have authorization to produce and sell merchandise bearing these trademarks. They cannot be used by any mem-

ber, club, district, or multiple district without written permission from LCI, except as authorized in the policies.

Where can I buy Lions merchandise?

Most Lions merchandise is available through our online store or as a custom order through our Club Supplies Sales Department. If purchasing Lions merchandise from any other source, you can verify that you are using an authorized supplier through the listing of Official Licensees in our online store.

What should I do if a company is selling Lions merchandise and isn't on the list?

Report any unauthorized suppliers of Lions merchandise to TrademarkUse@lionsclubs.org and help protect your emblem. Revenue from the sale of Lions merchandise through the Club Supplies and Distribution Division of LCI and our Official Licensees helps to keep our dues the lowest of any like service organization.

What if I can't find what I want at LCIstore.org or through the licensees?

If you are looking for an item that is not provided by Club Supplies or our Official Licensees, you may contact our Club Supplies Sales Department to either:

Place a custom order, or obtain written authorization to have an unlicensed supplier of your choice use the emblem on that single, specific order

I know a company that would make a good licensee; who should they contact?

If you are aware of a company that would like to become an official licensee, please have the company contact LCI directly at TrademarkUse@lionsclubs.org.

Pipestone Community Hall gets paved parking lot

Through the grant assistance from 2015 Hometown Manitoba, the RM of Pipestone and the community groups in Pipestone including the Pipestone Lions Club, the Pipestone Community Hall was able to pave a 25'x75' area of the parking lot. This paving project enhances the appearance of the building by eliminating the mud and gravel in the parking lot. The main purpose

of the project was to make the community hall more accessible to seniors and those requiring wheel chairs, especially for events, where seniors are brought to the hall by handivans. It will allow easier access to the hall for all events such as public auctions, meetings, socials, weddings and more.

2015 Lions Roar for Hearing

On Sunday, September 13th Lions of 5M13, along with motorcycle and vintage truck enthusiasts gathered at Three Creeks Campground at the Manitoba Agricultural Museum, Austin with a common cause on their minds - raising funds for the "Universal Newborn Hearing Screening" program.

Registration, activities for children and visiting took place in the Heritage Building. By 11:00 participants in the Poker Derby began to "Roar" out on the road with checkpoints at Holland, Wawanesa and Sprucewoods.

Thanks to the Lions for manning these checkpoints. As riders arrived back at Three Creeks to complete their poker hands, a delicious supper was provided by the Austin Lions Club. A Bucket Auction was available with wonderful prizes donated by our sponsors and a Live Auction provided some great items for bidding as well.

The 50/50 prize was won by Shannon Bodnarchuk who generously donated the funds back to the "Lions Roar For Hearing". Winners of the Poker Derby:

1. Sandra Manns, Austin
2. Don Wakely, Brandon
3. Linda Quiring, Austin

received sponsor-donated gift cards. During the day, media representation from "BOB FM" and "STAR FM" added to the fun.

The Lions Roar For Hearing Committee extends a sincere thank you to everyone that contributed to the success of the event: Lions, sponsors, MB Agricultural Museum and especially the riders.

A final accounting has not yet been completed, however, we know that the event has raised significant funds for the "Universal Newborn Hearing Screening" program.

Lions Clubs are encouraged to still consider a donation to the "Roar For Hearing" to "Help us to help others to hear the roar". Donations until the end of October will be included in this year's total and may be sent to Lion Marie McKean Box 409 Austin MB R0K 0C0.

Lion Keith Murray with Lion Margaret Martin

Poker Derby winners 1 Sandra Manns, Austin; 2 Don Wakely, Brandon; 3 Linda Quiring, Austin.

Let community know about your Lions club

As Public Relations Chair for Lions District
5M13, it is my responsibility to encourage all
clubs to make the public aware that Lions,
Leo & Lioness Clubs do exist!

Let your community know about your
activities and the services you provide.

We have a wonderful publicity tool in our
"Manitoba Lion" so make sure to publicize
your club activities by submitting articles and
pictures. Send in District Reports on a regular
basis and I will include your happenings in
the "Gleanings" section.

Make use of your local newspaper, if

you have one, and come up with creative
ideas for publicity. In order to accomplish all
these things, I would suggest that each club
appoint a Public Relations Chair and let me
know who that person is so I can provide
leadership and guidance.

Lion Margaret Martin
204-824-2457 dmmart@mts.net

Forward photos and a short description of your Lions volunteer efforts to The Manitoba Lion.

HOW TO SEND PHOTOS.

Photos of your club's activities or showing projects completed with Lions are good news photos. Select one or two photos, or more if needed, and email jpgs (original size) with text explaining details. We will be glad to edit and check grammar, but we need you to provide us the details. Important - do not let your email downsize photo when attaching or sending. Forward photo in original or large size. In cheque presentations or award recognition photos, identify individuals left to right. For large group photos provide details of event to explain to readers what the activity or project is about. We prefer you DO NOT just forward link to facebook or skydrive photo albums. If doing so, identify which photos you would like us to download and provide outline or story with your email submission.

Copy deadline is the 17th of the month for the following issue.
Send photos to manlion@therecorder.ca

Thank You from Dog Guides

Planned Giving Program

Thanks to You, They'll
Never Walk Alone

Walkers with Dog Guides brave the elements in Oakville, Ont.

I did the walk to support a wonderful organization that is extremely hard working. I am very appreciative of (Dog Guide) Nyla, and she's working extremely hard as well. She is a gem, and has saved my life many times."

- Gillian, Dog Guide client

I walked because I am a foster parent of six puppies - so far - and see what an impact these dogs make in people's lives. I am so proud of the puppies when they graduate and go on to fulfill their destiny. I am very proud to be associated with Dog Guides which provides these dogs free of charge to people who need them."

- Marlene, volunteer puppy raiser

There are so many reasons to walk. And this year, those reasons have resulted in a new fundraising record in Purina® Walk for Dog Guides history.

Lions Foundation of Canada Dog Guides is thrilled to announce this year's Walk raised

\$1,195,201.70

This grand total represents the dedicated work of walk organizers, the support of their communities, the endless hours volunteers contributed, the generosity of each and every donor, and the commendable efforts all participants put forth.

Project Pride

Canada Day is an opportunity to gather in our communities from British Columbia to Newfoundland, to celebrate being a Canadian. As we look ahead we have every reason to face the future with hope, confidence and enthusiasm.

Crystal City

Crystal City Lions once again serve our community: Crystal City Lion Cheryl McKittrick, President Lion Bill McKittrick & Lioness Jane Grice presents the Crystal City Early Years Grade one students with a Canadian Flag, a Canadian Flag pin from Candace Bergen's Office, and a certificate that states "I am proud to be a Canadian". It is so special to see the students and their many smiles and "Thank You's" when they receive their flags. Very pleasant group of students.

Waskada

On June 2nd, 2015, Lion Linda Hainsworth and Lion Mary Dobroski of the Waskada Lions Club presented the K-2 class in Waskada, which included 18 students, with certificates, flags and pins for Project Pride.

Wawanesa

Lions Harvey Hurren, Jaye & Beth Smale, Margaret & Don Martin of the Wawanesa Lions Club joined the Grade One class at Wawanesa School to present flags, pins & certificates to the students on June 4, 2015.
